Col. Hamilton C. Jones Says

CHARLOTTE, N. C. April 5, '95 Mrs. Joe Person,

MADAM:-Last year I was afflicted with some skin trouble affecting my feet, pronounced by my physician to be erythema. I was confined to my room for some two months, and was lame for some six months or more. After trying many remedies without effecting a cure, I resorted to your remedy. After using three bottles I began to improve, and before I had finished the fifth or sixth bottle, I was practically free of the trouble. Once since then there recurred symptoms of its return, when I again resorted to your remedy, and again the trouble disappeared. I believe I am indebted to you for relief from a very serious affliction.

Yours truly,

HAMILTON C. JONES.
