### BEN TILLMAN TALKS

SAYS HE WILL ADVOCATE OPEN REBELLION IF GOFF GOES ANY FURTHER.

### "A BLOOD AND GUTTS CAMPAIGN."

He Wants the Conservative Democrats to Keep their Hands off in the Fight For a Constitutional Convention--A General White Primary Ordered to be Held July 30th--Gov. Evans still Refuses to Call a Special Session of the Legislature.

COLUMBIA, S. C., May 16.—An all night secret session of the Tillman-Irby Executive Committee, claiming to be the regular Democratic State organization, was held here to-night, having been called to meet the emergency caused by Judge Goff's decision against constitutionality of the registration laws in the face of the coming election of delegates to the Constitutional Convention.

There was a strong effort to induce Governor Evans to call an extra session of the Legislature to pass a new registration law but he refused, stating that if another were passed the courts would declare it unconstitutional also.

Senator Tillman who was present declared notwithstanding his bitter attack upon Judge Goff, that the condition in which his decision had left politics was the very best for his party and advocated a white primary to nominate delegates to the convention, saying that if the conservative Democrats, his white opponents, would not come into it but make their fight in the general election, "there would be a blood and guts campaign and hell would break loose in Georgia."

He said that if Judge Goff went any further in this matter he, for one, would advocate open rebellion. This, of course, was not intended for publication and was not given out by the committee, but the reporter overheard it.

The end of it was that a general white primary was ordered to be held July 29th to nominate delegates to the Constitutional Convention. The election will be held late in August.

The conservatives regard this as a plan to whip in them and the revolting Tillmanites who are making an effort to secure honest elections. They say there is no race issue in the State but the Tillman party is trying to raise one in order to make it appear that a continuance of election frauds is necessary to secure white supremacy.

### The Dispensary Law.

COLUMBIA, S. C., May 16.—The dispensary law is now on its way to the United States Supreme Court.

A few days ago Constable Beach disobeyed United States Judge Simonton's order of injunction in the case, he having held that no one could interfere with liquor shipped into the State—that the law was unconstitutional in so far as it interfered with inter-state commerce. Beach was arrested and put in jail for contempt.

Attorney General Barber left here today for Washington to make application before the United States Supreme Court for a writ of habeas corpus. The State expects by this method to get the entire case heard by the United States Supreme Court in the next twenty days.

### Judge Simonton Refuses to Talk.

ASHEVILLE, N. C., May 16.—The United States court finished its labors here today and to-morrow Judge Simonton will go to Flat Rock, this State, his summer residence. The Judge declined to comment on the pronouncement of Governor Evans, of South Carolina.

### BUSINESS IN THE SOUTH.

#### Marked Increase in Number of Industrial Enterprises Established.

BALTIMORE, Md., May 16.—Special reports from all parts of the South to the Manufacturers' Record show a general upward tendency in business. The bank clearings of the South for the last week reports show an increase of 12.5 per cent over the last corresponding week of 1894 against an increase of 7.1 per cent for the balance of the country, not including New York city.

There is a very marked increase in the number of industrial enterprises that are being established. This is especially noticeable in cotton mill interests. An addition of 10,000 spindles to a duck mill at Columbia, S. C., is reported; 5,000 spindles and 168 looms to a Greenwood, S. C., mill; 2,500 spindles to a King's Mountain, N. C., mill and 1,500 spindles to another mill at the same place. A \$200,000 mill is projected in South Carolina; a \$100,000 mill at Rockhill, in the same State; \$50,000 mill at Franklinton, N. C.; \$50,000 mill at Clemson College, S. C.; a \$100,000 company at Elizabeth City, N. C., and a \$100,000 company at Selma, Ala.

Other important enterprises include a \$1,000,000 beet sugar factory at Bowling Green, Ky.; 100 barrel paint factory in New Orleans; \$400,000 electric light power and railroad company in Florida; a \$300,000 cotton seed cleaning manufacturing company at Galveston; cotton seed oil mills at Calvert and Caldwell, Texas; a \$50,000 mining company at Birmingham, Ala.; two cotton seed oil mills at Girard, Ala., and a \$10,000 tobacco manufacturing company at Darlington, S. C.

#### Snow Storms in England.

LONDON, May 16.—Unusually cold weather for this time of the year prevails throughout England. There were snow storms on the east coast to-day.

### ANTI-BRIGGS MEN WIN.

Dr. Booth Elected Moderator of the Presbyterian General Assembly.

PITTSBURG, Pa., May 16.—Notwithstanding the well laid plans of the Presbyterian league of liberals and mild conservatives, the out-and-out anti-Briggs men were successful to-day in electing their candidate for Moderator of the 107th General Assembly, Rev. Dr. Robert Russell Booth, of the Rutgers Church, New York City. This campaign for Dr. Booth began weeks ago. It was carried on from New York city by master hands in a manner that would have brought them credit in a contest with experienced politicians. As soon as it was understood that Dr. Booth was to be the candidate of the Conservatives the friends of Dr. Briggs and the Union Seminary took alarm. They engaged the energies of the Presbyterian league, an organization pledged to the reversal of the acts of preceding assemblies in the Briggs case.

The Liberals and the weak-kneed conservatives met in caucus and discussed the most available man. In this they could not agree, so when the votes were counted they were divided, 165 for Dr. Page, of Topeka, and 83 for Dr. Adams, of Minneapolis, showing a strength of Liberals nearly double that found in any assembly for the last five years.

On the call of the roll to-day the vote stood as follows: Booth, 300; Page, 165; Adams, 83.

#### Southern Presbyterians.

DALLAS, Tex., May 16.—The General Assembly of the Southern Presbyterian church met at 11 o'clock this morning in the First Presbyterian church. Over 100 commissioners are present from all parts of the South, assisted by Dr. Nall, of La. and Dr. Lefevre, of Md. retiring moderator.

Dr. Graham, of Virginia, opened the Assembly with religious exercises. The roll having been called, Dr. Hemphill, of Louisville, and Rev. Robert B. Adams, of Americus, Ga., and L. J. Horn, of Arkansas, were elected temporary clerks.

It was decided to hear an address by Rev. Dr. Matthews, of London, England, this afternoon.

#### A LYNCHING IN KENTUCKY.

A Rapist Taken From Jail by a Mob and Hanged in a Slaughterhouse.

MARION, Ky., May 16.—John Howerton, charged with criminally assaulting 16-year-old Anna Pierce, near here three weeks ago, was arrested yesterday at Metropolis, Ill., and brought here. He was taken from the jail in Crittenden county last night by a mob. This morning his dead body was found hanging to a cross beam of a slaughterhouse.

The crime which led to the lynching occurred on the 25th of last month. Howerton started from the house of a neighbor with Annie Pierce, the 16-year-old daughter of a farmer. He prevailed on the girl to take the near way home, which was across a field. After going a short distance he dragged her into the bushes and choked her until she was insensible and accomplished her ruin.

#### Cold Weather in Michigan.

DETROIT, Mich., May 1.—There was another heavy frost throughout the western portion of lower Michigan last night. In Kent and Ottawa counties early strawberries and grapes are ruined and other small fruits badly damaged. Grand Traverse county reports all small fruits wiped out; in Muskegon county strawberries and cherries are badly damaged and 800 acres of peppermint in Moorland township are ruined. The fruit crop in Genesee county, is completely destroyed and Hillsdale county fruit is badly damaged.

#### Wages Advanced in Pennsylvania.

PITTSBURG, Pa., May 16.—Jones and Laughlin, operating the extensive American Iron Works, have voluntarily advanced the wages of all their skilled workmen ten per cent. The wages of laborers remain at \$1.20 per day. About 4,000 men participated in the advance. The Republic Iron Works will resume, with 500 men, on Monday, paying amalgamated association rates.

#### Damage Suits Against Chicago.

CHICAGO, Ill., May 16.—Fifteen expected damage suits were begun today against the city by railroad companies and individuals, who lost property during the A. R. U. strike. The Pan Handle Railroad Company sues for \$750,000 for burned cars and other property. Jones and Laughlin, the Pittsboro iron firm, bring suit for \$4,500.

#### Japan Adjusts her Complications.

WASHINGTON, D. C., May 16.—The Japanese legation has received a brief telegram which states that the complications with the European powers have been so adjusted as to leave no reason to doubt that a further conflict in the East will be avoided.

#### Depot at Charlotte Burned.

CHARLOTTE, N. C., May 17.—The handsome passenger station of the Southern Railway here caught fire at 1 o'clock this morning and its destruction is practically complete.

#### The Chinese Indemnity Loan.

### EPISCOPALIANS MEET

CONVENTION OF THE DIOCESE OF NORTH CAROLINA IN SESSION AT MORGANTON.

### CHANGE IN ELECTION OF BISHOP.

Resolutions Also Read Amending the Constitution Relative to the Assessment of Parishes and Providing for a Division in the General Episcopal and Contingent Fund--Large Number of Delegates Present--Opening Sermon Preached by Rev. James A. Weston. Special to the News and Observer.

MORGANTON, N. C., May 16.

The Convention of the Diocese of North Carolina was called to order at 10 a. m. on Wednesday by Bishop Cheshire. The roll was called by Rev. Julian E. Ingle, secretary. No quorum being present a recess was taken till 11 a. m., when the opening service was held followed by the celebration of the holy communion. Then Rev. James A. Weston preached the opening sermon. At this service all of the clergy were vested and occupied seats in the chancel with the exception of a few who were unable to find seats there.

According to rule of order the roll was again called after the service, another train having arrived in the meantime, but still no quorum was counted.

Another recess was taken till 4 p. m., when the Convention met in regular business session. The addition of several voices to the choir from among the clergy and delegates makes the music particularly attractive.

The afternoon session yesterday was called to order shortly after 4 o'clock and a quorum was present. Reports of several committees were read and the Treasurer's report presented and ordered for consideration with that of the Finance Committee immediately after the Bishop's address at Thursday morning's session.

Rev. Churchill Satterlee, rector of Grace Church, Morganton, read a letter from Mr. S. T. Pearson, President of the Attaca club, tendering the members of the convention the freedom of their club rooms. A resolution of thanks was unanimously tendered the club and its president.

The constitutional amendments changing the mode of electing bishops to concurrent vote of clergy and laity, the latter voting by parishes, was presented for final consideration and adopted with the following division of the vote; clergy ay 32, no 1; parishes ay 18, no none. The previous method of electing Bishop was first selection by a majority of the clergy entitled to seats in the Convention, and afterwards confirmation of choice by a majority of delegates from at least twenty parishes in union with the Convention. The afternoon session of the Convention to-day was called to order at 4 p. m. The report of the committee on election was read by Mr. Nash, of Tarboro. The report of the trustees of the University of Sewanee was read by Rev. F. J. Murdoch, D. D., who urged an increase of interest in this university because 90 per cent. of their theological graduates remained and worked in the South, while in case of other institutions the majority went North. Rev. J. M. Horner, of Oxford, was unanimously elected a trustee of this University.

Report of the trustees of the diocese was read by Mr. R. H. Battle, of Raleigh. A resolution was passed thanking Mr. Randall, a native of Burke county, now in the parish, for the presentation of a life-size portrait of the late Rev. T. B. Lyman, D. D.

Col. P. B. Means, of Concord, read a set of resolutions amending the constitutional clause relative to assessment of the parishes, and advocating a division of the general Episcopal and Contingent fund into separate funds, and recommending the payment by the diocese of the traveling expenses of the Bishop in addition to his salary. Debate upon the first part of the resolution was continued until adjournment, at 6 p. m., and action deferred until to-morrow.

Report from Thompson Orphanage, of Charlotte, was read during the session, and indicated great progress during the last year.

The following is a list of ministers and delegates who are here attending the convention:

Rev. McNeeley DuBose, Asheville; Capt. Patton, Asheville; J. H. Law, Asheville; P. A. Rawls, Asheville; Thomas A. Jones, Asheville; J. H. Lee, Asheville; Rev. H. I. #### SUN'S COTTON REPORT.

Most of the News Bullish and Liverpool Higher With Heavy Sales.

NEW YORK, May 16.—Cotton rose 9 to 10 points, closing firm with sales of 121,800 bales. Liverpool advanced 1-2-3 on the spot with sales of 12,000 bales; futures advanced 2-1-2 points, but reacted and closed steady at a net rise of 1-1-2 points. New Orleans was higher. Many calls at Fall River, New Bedford and Providence are sold ahead until next fall. London was reported to be buying cotton in Liverpool. One New York firm said: "There is not much disposition here to buy or to sell by outside operators. It is mainly a waiting market. A stimulant is required to help it decidedly. The bears, however, are not aggressive."

The Bombay receipts for the week were 75,000 bales against 54,000 last year; afloat 9,900; shipments to Great Britain 6,000, against 1,000 last year; to the continent 81,000 against 20,000 last year. In Manchester yarns were steady and cloths quiet.

The Southern spot markets were quiet and unchanged. New Orleans receipts to-morrow estimated at 1,000 against 1,057 last year. Spot cotton here was dull and unchanged. There were no sales. The port receipts to-day were 3,641 against 2,234 last year; thus far this week, 23,976 against 34,098, thus far last week.

#### To-Day's Features.

Most of the news here was bullish. Liverpool was higher, with large spot sales, and reports from there stated that London was buying on speculative account. Liverpool and the continent were buying here. The South Carolina and North Carolina State reports were bullish. A decided diminution is expected in the quantity to be brought into sight this week. The port receipts latterly have been pretty small. Manchester was better; wheat and stocks were rising. Wall street was buying cotton, so were the local shorts, and in fact everything combined to give the cotton market a stronger appearance to-day.

It is said that a prominent firm will deliver 25,000 bales on June contracts at the end of this month, but if they should do so, it is declared that the cotton will be taken care of. A cool wave was predicted with possible frosts in North Carolina and Tennessee and this also had more or less effect. One of the most cheering factors in the days news, however, was the revival of business and renewed strength in Liverpool.

### JERMAN-MONTGOMERY

THE MARRIAGE OF MR. B. S. JERMAN TO MISS ISABELLE MONTGOMERY.

### CONCORD'S BRILLIANT EVENT.

Many Prominent People Present from Alabama, Charlotte, Raleigh and Other Points--The Ceremony was Performed by Bishop Wallace W. Duncan, of Spartanburg, and the Two Young People Left on the night Train for the North. Special to the News and Observer.

CONCORD, N. C., May 16.

Concord has never had a more charming social event than that which took place here this evening in the marriage of Mr. B. Sidney Jerman, of Raleigh, to Miss Isabelle Montgomery, of this city. The ceremony was performed at the Central Methodist Church by Bishop Wallace W. Duncan, of Spartanburg, S. C.

The church was tastefully decorated with flowers, and was packed with friends and relatives of the bride and groom in Concord as well as from Alabama, Charlotte, Raleigh, Ridgeway and other places.

The marriage took place at 7 o'clock and was followed by a short reception in the home of the bride's parents, Mr. and Mrs. Charles G. Montgomery, of Concord.

The bridesmaids were simply gowned in white, carrying LaFrance roses, while the bride carried lilies of the valley. The music was furnished by Mrs. Warren Dupre, cousin of the groom, who rendered the wedding march on the piano. Mrs. Dupre was accompanied by Mr. R. L. Keetler on the flute, Mr. Barrow, cornet, and Q. E. Smith violin. The effect was unique and inspiring.

On the left of the centre aisle in front sat the relatives of the bride, the father, Dr. T. P. Jerman, of Ridgeway, and brother of the groom, Mr. T. Palmer Jerman, of Raleigh, sitting on the right. The ceremony was most impressively performed by Bishop Duncan, the bride being married with a plain gold ring, and being given away by her father.

The ushers were Messrs. J. B. Montgomery, C. G. Montgomery, Jr., A. M. Sinclair and F. L. Smith. The attendants were Mr. Omega H. Foster, of Raleigh, with Miss Virginia Sinclair, of Charlotte, and Mr. T. Palmer Jerman with Miss Mary Montgomery, the best man being Dr. D. E. Everitt, of Raleigh.

The bride's costume was of white silk, tulle veil with orange blossoms and diamond ornaments.

The present of the groom to the bride was a gold watch inlaid with diamonds and chain set with pearls. The wedding gifts were many and very handsome.

Among the prominent people present from a distance were:

Bishop W. W. Duncan, Mrs. Warren Dupre, Master Wallace Duncan Dupre, of Spartanburg, S. C.; Mrs. L. D. Childs, Columbia, S. C.; Mr. O. H. Foster and Dr. D. E. Everitt, of Raleigh; Mrs. T. H. Stropecker, Barium Springs; Miss Mary Morrison, Lincoln county; Miss Mary Springs Davidson, Rural Hill; Rev. and Mrs. G. A. Oglesby and family, of Selma; Mrs. W. H. Harris, Dr. and Mrs. Cressy, Mr. and Mrs. A. B. Davidson, Mrs. R. J. Brevard, Capt. and Mrs. A. J. Beall, Miss S. H. Davidson, Mr. E. L. B. Davison, Mr. M. S. Elliott, Miss Nora Davidson, Miss Sophia Myers, Miss Nora Dowd, Miss Laura Hammond, Miss Adele Brenizer, Miss Maude Beall, Miss Virginia Sinclair, Mr. A. M. Sinclair, Mrs. E. C. Register, Herman Dowd, of Charlotte.

The home of Mr. and Mrs. Montgomery just across from the church was thus filled with a merry company and the brilliant lights within were blithely felt even through the leafage of the rich lawn elms.

After a most happy season of congratulations the bride came down in her traveling costume and joining her husband was driven to the station where the platform was crowded with a party glad with wedding laughter waiting for the 9-03 north bound express.

As the train rushed up, the good-byes and good wishes came fast and the bride and groom were sped away on their honeymoon journey.

Miss Montgomery is well known in Raleigh, where she made numberless friends during a visit here last fall. She is one of the most brilliant, charming and accomplished young women of the State, and her popularity here was unbounded.

Mr. Jerman is cashier of the Commercial and Farmer's National Bank of Raleigh, and is one of the staunchest of the young men of that city, both in his integrity and in his mental force. Coming to Raleigh from Ridgeway, some sixteen years ago, he left a home of careful and cultured rearing, and went into business life, starting from the bottom of the banking profession. His abilities and character carried him forward surely to his present intrenched position in the confidence and high esteem of that people. Of good judgment, modest bearing, a firm hold upon the details of his office, clean-cut in face and motive as he is in habit of life, Raleigh finds in him an elemental force towards that which is upbuilding. Mr. and Mrs. Jerman will spend their time in New York and other Northern cities and will on the 5th of June be at home in the charming new residence just put in order by Mr. Jerman for his lovely young bride.

### CRUSHED TO DEATH IN A MILL.

Everybody in Tarboro Preparing for the 20th of May. Special to the News and Observer.

TARBORO, N. C., May 16.

The cold wave that came suddenly upon us this week brought with it a slight frost in some sections of the country, but no damage was done. The cotton is looking sickly and pale, and some of our farmers fear they will not have a good stand.

Alonzo Smith, one of the hands in the Tarboro oil mills, was caught in the machinery Thursday morning about six o'clock, and so badly crushed that he died in a few hours. The mill had stopped a few moments for repairs, and Smith not hearing the signal to resume work, was caught in the machinery near where he was standing and was terribly mutilated, before his cries for help were heard. When found, the whole right side of his body, including his face, was mashed to a jelly, and the blood was streaming from almost every vein. He lived a short time.

A colored woman, who lived on the farm of Dr. J. W. Jones, in Conetoe, dropped dead yesterday morning. She was in apparently good health a few hours before. The cause of her death was supposed to be apoplexy.

Everything and everybody here are preparing to go to Raleigh on the 20th of May. The guards will go. They are drilling every night. Captain Bryant tells me he expects to take fifty men with him. Tarboro will send Geo. Williams, one of the survivors of the Big Bethel fight. He always receives a hearty welcome on occasions like the 20th of May, and we hope he will be honored by the Raleigh committee. He is an enthusiastic Confederate, even yet.

Mr. Benjamin Norfleet continues sick. Dr. J. W. Jones and wife are spending some time in Franklin county.

Work commenced on the new bank building this week.

Superior Court convenes here the first Monday in June.

### MEDICAL SOCIETY ADJOURNS.

GOLDSBORO, N. C., May 16.

The third and last day's session of the State Medical Society was devoted to the discussion of valuable and instructive papers on various diseases, all of which were attentively listened to by large audiences, both of physicians and laymen. At noon the installation of the newly elected officers took place. Drs. McNeil and Haigh escorted President Payne to the chair, who made a short but pointed address.

The chairmen of the various sections were appointed as follows:

"Pathology and Microscopy," Dr. D. M. Prince, Laurinburg; "Practice of Medicine," J. W. Faison, Charlotte; "Anatomy and Surgery," J. L. Nicholson, Richlands; "Materia Medica and Therapeutics," J. C. ASHEVILLE, N. C., May 16.

A prominent social event of the season here was the marriage at Trinity Church to-day of Miss Beulah Brewster Pack, a popular Asheville young lady, and the daughter of Geo. W. Pack, to Philip Ashton Rollins, a New York lawyer. The bridal party left in a special car for New York soon after the ceremony.

During the month of April the Southern railway's revenue on freight received and forwarded from Asheville was over twenty thousand dollars, while the value of tickets sold here aggregated twenty thousand five hundred dollars.
