

THE LARGEST CIRCULATION OF ANY NORTH CAROLINA DAILY.

SILVER MEN ORGANIZE

AND FORMULATE PLANS TO CONTROL THE NATIONAL CONVENTION.

MUCH SPEECH-MAKING YESTERDAY

The Report of the Platform and Resolutions Committee Divided into Two Parts, an Address to the Democrats and a Plan of Organization--A National Committee to be Appointed Consisting of one Free Silver Democrat From Each State.

Special to the News and Observer.

WASHINGTON, D. C., Aug. 15.

It is believed by such men as Senator Daniel of Virginia, Gen. Stone of Missouri, Senator Jarvis and Congressman Lockhart of North Carolina, that the result of the silver conference, which closed to-day will be felt in every State represented here. There was great enthusiasm and deep interest manifested in the conference, and a determination to leave no stone unturned to control the next National Convention.

The speech of Congressman Lockhart, in which he declared that the Democratic party was the only agency through which free silver could be secured, was one of the best.

The Day's Proceedings.

WASHINGTON, D. C., Aug. 15.—The silver Democrats continued their conference at the Metropolitan Hotel at 10 o'clock to-day. The committee on resolutions and programme being unable to report when the meeting was first called to order, it was suggested that the conference should listen to speeches by those present. C. F. Cochran, editor of the St. Joseph, Mo., Gazette, addressed the conference. He said it seemed anomalous that a meeting, such as the present should be called, for he knew of no doctrine of the party which was not in consonance with the purposes of this conference. He said that Congress was the place to look for the declaration of the party's belief and he declared that gold monometallism would be more disastrous than war, pestilence and famine. It was important to settle first what was Republicanism and what Democracy, whether such men as ex-Senator Thurman and Senator Harris or Senator Sherman were to be the leaders of Democratic thought. He declared that the silver agitation would not die out, but would continue until the end for which it had been originated should be attained. He was for a declaration for silver without regard to the prospect of success or failure at the polls.

Representative Neill, of Arkansas, announced his entire sympathy with the objects of the present conference. He wanted to see the free coinage of silver provided for at the next session, "regardless of the position of the distinguished citizen at the other end of the avenue," which sentiment was loudly applauded. He declared that the Democratic party had no show in the next campaign if there were not a declaration for silver.

Ex-Representative Fithian of Illinois, denied that the free silver sentiment was dying out in that State. He said that all the Democratic farmers and ninety per cent of the Democrats in business in that State, were silver men. He declared that Illinois would send a delegation to the next National Convention favorable to free coinage at 16 to 1 independent of other nations. He declared that he had been defeated in the last election, not because of his position on silver, but because he had to bear the odium of an administration which was not Democratic (applause).

Representative Livingston, of Georgia, said the time had come for another declaration of independence.

"It is the purpose of the country from which I come," he said, "to prosecute the fight with their coats off and their sleeves rolled up and not to desist until the end."

It was England's purpose, he asserted, to control the United States, and finding herself unable to do so by force of arms, she had undertaken to do it by controlling our finances. Georgia was determined that the issuance of bonds could not continue. He declared that the last bond contract, whereby the Rothschilds had been engaged to protect our credit, was the most disgraceful thing that had ever taken place in the history of the country. The cry for sound money was a subterfuge, as all our people were for sound money. The prospect of an international conference, he ridiculed.

Colonel Casey Young, of Memphis, who conducted the correspondence incidental to the preparations for the conference, said he had written four or five thousand letters in connection with the movement for the conference. He had corresponded with representative Democrats from thirty-eight States, among them Senators Morgan, Berry, Blackburn, Walthall, George, Blanchard, Martin, Cockrell, Voorhees and Turpie, besides a large number of members of the House, who had sent regrets at not being able to be present. Representative Bryan sent a letter saying "there was no room in this country for two Republican parties," and Senator Morgan sent in a telegram saying "I will follow the old guard wherever it leads."

Col. Young asserted that four-fifths of the Democrats were friendly to free coinage, and he believed a properly or-

ganized movement would be irresistible. Speeches were also made by Senator Call, A. A. Lipscomb, of Washington; J. M. Hill, of Missouri; Representative Jones, of Virginia, and Lockhart, of North Carolina, and Mr. Bodine, of Missouri.

When Hill arose and some one asked his name, he said: "It is Hill of Missouri—I thank God it is not Hill of New York."

Mr. Hill criticized Mr. Cleveland's administration in severe terms, saying the President had betrayed the Democratic party by a series of acts of perfidy and treachery which were without parallel, one of the principal of which acts consisted in his ignoring the bi-metallic declaration in the last Democratic platform. He declared there had been a bargain and sale by which the people of the United States had been turned over to the Jews of Europe and the gamblers of Wall street, the result of which would be that their children and their grand children would become hewers of wood and drawers of water. "The bond transaction had been enough to consign Grover Cleveland and John G. Carlisle to everlasting political oblivion and shame. They would 'go down to the ages hand-in-hand amid the execrations of mankind, as two of the most stupendous frauds of the country." He asked the reporters present to make especial note of the last sentence. He denounced Senators Brice and Gorman as disloyal to the Democratic party.

Ex-Representative Turner, of New York, was introduced as a new convert. He said he was a silver man and meant to remain so. He declared that intelligent effort in New York would do wonders and predicted that the nomination of free silver candidates would not weaken the ticket in the East.

Mr. Lockhart advocated a campaign of appeal to reason and depreciated a resort to abuse and denunciation. He controverted the idea that silver coinage was a controlling tenet in the Populist party.

Report of Platform Committee.

It was almost 12 o'clock when the committee on resolutions filed into the conference room and Senator Daniel was recognized to make the report of the committee's proceedings. This was divided into two sections, one consisting of an address to the Democrats and the other of a plan of organization. He said the address in most respects was the same as that adopted by the Democrats of Texas, Missouri and Mississippi. The address was read by Governor Stone, of Mississippi. It disclaims speaking with party authority, the assemblage being a voluntary one, but strongly represents the opinion of the conference that the party should declare for free coinage of silver. The address concludes as follows:

"Duty to the people requires that the party of the people continue the battle for bi-metallic until its efforts are crowned with success; therefore, be it

"Resolved, That the Democratic party in national convention assembled should demand the free and unlimited coinage of silver and gold into primary or redemption money at the ratio of 16 to 1, without waiting for the action or approval of any other nation.

"Resolved, That it should declare its irrevocable opposition to the substitution for a metallic money of panic breeding, corporation credit currency, based on a single metal, the supply of which is so limited that it can be cornered at any time by a few banking institutions in Europe and America.

"Resolved, That it should declare its opposition to the policy and practice of surrendering to the holders of the obligations of the United States the option reserved by the law to the government of redeeming such obligations in either silver coin or gold coin.

"Resolved, That it should declare its opposition to the issuing of interest bearing bonds of the United States in time of peace, and especially to place the treasury of the government under the control of any syndicate of bankers and the issuance of bonds to be sold by them at an enormous profit for the purpose of supplying the Federal Treasury with gold to maintain the policy of gold monometallism.

"With a view to secure the adherence to and re-adoption of, the Democratic financial policy above set forth by the Democratic National Convention to be assembled in 1896, and of the nomination of a candidate for the Presidency therewith, we hereby pledge our mutual co-operation, and urgently recommend to our Democratic brethren in all the States to at once begin and vigorously and systematically prosecute the work of a thorough organization, and to this end the adoption of the plan of organization herewith submitted is recommended."

The part of the report dealing with the plan of organization above referred to was read by ex-Senator Jarvis, of North Carolina, and is as follows:

"Believing that a large majority of the Democratic voters of the United States are in harmony with the sentiments expressed in the foregoing address, and knowing that a full and free expression of their views can only be ascertained and made effective through proper organized effort, we recommend the following as a plan for such organization:

"1. There shall be a National Committee of Democrats who are in favor of both silver and gold as the money of the Constitution, which shall be composed of one Democrat from each State and Territory and the District of Columbia, and the executive committee hereinafter provided for.

"2. That until otherwise ordered by the National Committee, Senators Isham G. Harris, of Tennessee; James K. Jones,

of Arkansas, and David Turpie, of Indiana; and Hon. W. J. Stone, of Missouri; W. H. Heinrichsen, of Illinois, and Casey Young, of Tennessee, be, and they are hereby, constituted the Executive Committee, and shall have full power and authority, and it shall be their duty as early a day as possible to appoint the members of the National Committee, herein provided for and to fill vacancies on the same.

"3. That said National Committee shall have full control and direction of the patriotic effort of the bi-metallic Democracy of the nation to secure in the next National Democratic Convention the maintenance of the time honored principles and policies of the Democratic party, and when the National Committee herein provided for is not in session, the Executive Committee shall have all the authority and discharge all the duties hereby conferred upon the National Committee.

"4. It shall be the duty of the member of the National Committee from each State, immediately after his appointment to take such steps as he may deem best to organize the bi-metallic forces of his State, and it is earnestly recommended that in each county and election precinct of each State, bi-metallic Democratic clubs be organized, and for this purpose he may appoint such committees and sub-committees and canvassers as he may deem best.

"5. That, fully realizing the fact that this nor any other plan of organization can be successful without the hearty cooperation of the voters themselves, we urge upon every voter in every State in the Union, who is in sympathy with this movement, and who wishes to restore permanent prosperity to his home and country, to lend his aid and influence to perfecting this organization, and that each of them shall enroll himself in some club."

The report of the committee was adopted without opposition, and after listening to a few brief speeches, the conference adjourned sine die.

Senator Daniel made the last speech of the meeting. He said:

"I will only say that I am a Democrat, and being a Democrat, I could not help being for the solid, honest and ancient gold and silver money of the Democratic party. The party of the people must stand for the money of the people, and whom God hath joined together, Plutocracy shall not put asunder."

The Executive Committee held a meeting immediately after the conference closed, but adjourned without selecting members of the National Committee as authorized by the conference. It was announced to be the purpose of the committee to organize the National Committee at the earliest practicable date, but it was thought best to defer action until suggestions could be received from States which were not represented at the conference. The Executive Committee will reconvene at the call of the chairman.

A NEGRO RAPIST LYNCHED.

His Body Will be Saturated With Oil and Burned in His Home.

ST. LOUIS, Mo., Aug. 15.—Emmett Divers, the negro who outraged and then killed Mrs. Cain near Fulton, Mo., a couple of weeks ago, and who was brought here for safe keeping, was taken from the sheriff at Fulton about 1 o'clock this morning by a mob and hanged to a railroad bridge. Divers was taken from here yesterday afternoon by Deputy Sheriff Buchanan, of Calloway county, and arrived at Fulton some time after midnight. Sheriff Buchanan, left the train with his prisoner, some distance from Fulton and was proceeding with him in a carriage, when he was intercepted by a mob of more than a hundred men, who took the negro and hanged him.

A thousand or more men from all parts of the county gathered this forenoon at the bridge where Divers was hanged, cut his body down and marched with it to Fulton, where it was suspended to a telegraph pole, as a public spectacle, and a warning to all evil-doers. This demonstration was made at the special request of J. W. Cain, the husband of the murdered and ravished woman.

It is said the body of Divers will be taken to night to the little house where Cain and his wife lived, the whole premises saturated with coal oil and the remains of the negro and all the effects in the house destroyed by fire.

BICYCLE RECORD SMASHED.

Louis Gimm Wins the Long Distance Championship.

CLEVELAND, O., August 15.—Louis Gimm, the crack long distance bicycle rider of this city, who started at noon yesterday at the Cleveland Driving Park, to beat the twenty-four hour record, ended his task at twelve o'clock to-day and smashed the American record. Gimm made 353 miles and 1,700 yards and rode the last ten miles in better than a 2:30 clip, running away from his pacemakers. Although he has taken very little rest, he seemed as fresh when he had finished as when he started. The American long distance championship was previously held by W. B. Twyman, of Chicago, with a record of 407 miles and 84 yards.

Government Dry Dock Opened.

PORT ROYAL, S. C., Aug. 15.—The new government dry dock opened for the first time to-day. The United States Steamship Amphitrite was the first vessel to be docked, and this was successfully accomplished at 2 o'clock. There was about two thousand present and everything passed off satisfactorily.

TO DECIDE THE LEASE

DIRECTORS OF THE NORTH CAROLINA RAILROAD MEET TO-DAY.

THE BOARD FAVORS THE LEASE.

And the Will of the People may be Disregarded in Disposing of the State's Property--Though the Original Proposition of Col. Andrews Will not be Accepted, Another Proposition Will Probably be Made--Nothing Definite has been Agreed on.

Special to the News and Observer.

SALISBURY, N. C., Aug. 15.

In an interview with Hon. Lee S. Overman this afternoon regarding the lease of the North Carolina Railroad, he said that at a meeting of the directors to-morrow at Burlington the question of the lease will be discussed. "I cannot say whether the road will be leased or not," he said. "If the Southern Railroad Company and the board of directors can agree upon terms the road will probably be leased."

Your correspondent was fortunate in the interview with Mr. Overman. When called upon, Mr. Overman was writing the report of the committee to be made to the board to-morrow, and was free to talk upon the subject.

As to Mr. Allison's statement at Concord Wednesday, Mr. Overman said, "There has been nothing definite agreed upon. The board meets to-morrow to hear the report of the committee appointed at the meeting held in Greensboro, July 13th to confer with Col. Andrews in regard to the new lease, he (Col. Andrews) having submitted a proposition to lease the road at six and a half per cent on capital stock of four million dollars for ninety nine years. That proposition," said Mr. Overman, "will not be accepted, and there will probably be another proposition submitted. The Board of Directors as yet have taken no action whatever in regard to the lease, except to appoint this committee. What the board will do to-morrow, I am unable to say. The board favors leasing the road at this time if favorable terms can be secured."

Mr. Overman himself favors leasing the road, and while not sure what the directors will do, seems to be of the opinion that the lease will be made.

Mr. Allison's Statement.

Special to the News and Observer.

CONCORD, N. C., Aug. 15.

Mr. John P. Allison, a director of the North Carolina railroad, says that that road will be leased by the directors to the Southern Railway to-morrow, but not on the terms currently reported. Instead of 99 years it will be 50 years or less; the rental will be about 7 per cent, instead of 6 per cent, and several other improvements over the old contract. This will be a rental, in dollars, about \$250,000 per annum.

VICTORY FOR THE SEABOARD.

The Election of Officers Will Take Place Next Tuesday.

MANHATTAN BEACH, N. Y., Aug. 15.—The representatives of the Southern traffic interests went into session again this forenoon, and as soon as Vice President Thomas called the meeting to order, the new agreement was taken up. The new agreement was adopted and the sixty days' notice of withdrawal accepted.

This is a victory for the Seaboard Air Line. Its representative, Mr. St. John insisted on adopting it or his road would not have gone into the new association. But one article, No. 18, which deals with differentials remains in dispute and a committee representing the principal lines, and Mr. Thayer, of the Pennsylvania Railroad was appointed to consider this article and report on next Tuesday at 11 a. m., at the Hotel Waldorf in New York City.

The meeting adjourned until that time and date. The election of officers will also take place at that meeting.

LOCAL MINISTERS' CONFERENCE

Proceedings of the Second Day's Meeting at Rutherford College.

Special to the News and Observer.

RUTHERFORD COLLEGE, Aug. 15.

This is the established home of the local ministers. They built a fine tabernacle here several years ago. The college is progressing well under the management of President Will E. Abernethy, the new management having adjusted the college debt so that it is no longer a menacing trouble. The grounds and buildings have been improved. Near the church rest the remains of the good Doctor Abernethy who virtually gave his life for the college, and the conference will propose a plan for a granite monument to be erected on the campus in front of the main college building.

The sermon at 11 a. m., was by Dr. Reagan, of Weaverville. It was a strong one, and showed in every sentence the clear mind and warm heart, the intense charity and jolly good nature of the "Bishop" of the mountains. It was an eloquent appeal for moderation and charity in politics, religion and society. President Williams preached at 4 p. m., on the "Spiritual Warfare." He said we must put on the whole armor. His text was a figure from the battle harness of the Romans. How much more necessary that we engage with a foe whose keen vision detects every open joint in our armor. It was an earnest plea for thorough consecration, and was well received. Rev. Mr. Mann preached to-night.

CHATAUQUA AT RED SPRINGS.

Three Thousand People Attended the Exercises Yesterday.

Special to the News and Observer.

RED SPRINGS, N. C., Aug. 15.

Dr. Rominger, of Reidsville, addressed the Chataqua last night on Anglo-Israel. Over three thousand people attended the meetings to-day. Many sections of the State are represented. Rev. Alderman, of Concord, conducted, "Opening Mission Sunday Schools" was the first topic discussed. Remarks were made by Dr. Rominger, Rev. S. G. Pulliam, Mr. Parker, of Rocky Mount, T. R. Street, of Roxboro, J. W. Bailey, Editor Biblical Recorder, and others. A primary class was taught with blackboard illustrations. M. A. Allen, of Reidsville, delivered an address on "The Liquor Traffic, the Great Curse." Rev. J. A. Smith, of Fair Bluff, conducted a general conference on teaching and helps.

In the afternoon sacred concert lessons for adults were taught by Prof. Quickenbush, of Laurinburg. An address on the typical life of a teacher, was delivered by Judge Eller, Questioning and answers on officers, teachers and library, followed. The music consisted of solos, duets, quartets and etc. W. H. Dodd sang "My ain Country." The meetings were highly enjoyed by great crowds.

FINE TOBACCO AT KINSTON.

High Prices Ruled at the Opening of the Market Yesterday.

Special to the News and Observer.

KINSTON, N. C., Aug. 15.

The opening tobacco break here to-day was a big success. Fifteen thousand pounds were sold for from one to forty-two dollars per hundred. Two small lots were sold, for from sixty to one hundred dollars. The sale averaged ten dollars, and every body is happy and well pleased. There will be big breaks here to-morrow and Saturday.

In a scope of ten miles around Kinston there are over one thousand acres planted in tobacco this year, and this will be largely increased next season.

MARYLAND REPUBLICANS.

A Ticket Nominated at the State Convention Yesterday.

CAMBRIDGE, Md., Aug. 15.—The Republican State Convention met at noon to-day and nominated the following ticket:

For Governor, Lloyd Lowndes; for Attorney-General, Harry M. Clabaugh; for Comptroller, L. E. H. Dennis.

The platform is confined to State issues, and opens with a demand for a reassessment of property.

Hon. Lloyd Lowndes, the nominee for Governor, is extensively interested in the commercial affairs of Maryland. He was educated as a lawyer but took up mercantile pursuits and is now at the head of a number of banks, mining companies, etc., at Baltimore and Cumberland. He served in the Forty-third Congress as a strong supporter of the Grant administration. While in Congress he voted against the civil rights bill on the ground that it was unconstitutional. Should this be used against him with colored voters, a pamphlet is in readiness, showing that Mr. Lowndes' opposition was to the form of the law and not to its spirit, and the United States Supreme court subsequently affirmed this position.

GOES TO CHICAGO FOR TRIAL.

Holmes Must Answer for His Bloody Deeds in Chicago.

PHILADELPHIA, Pa., Aug. 15.—It has practically been decided that H. H. Holmes, the alleged murderer of Minnie and Nannie Williams, B. F. Pielzel and half dozen others will go to Chicago for trial for the murder of the Williams girls. This, it is said, was the outcome of a lengthy conference held in this city to-day, between W. A. Cappa, of Fort Worth, Tex., and District Attorney Graham. After the conference Lawyer Cappa said that he had urged the District Attorney to allow Holmes to go to Chicago and that Mr. Graham could hardly refuse to grant his request.

THE RIOTERS IN JAIL

FIFTY NEGROES UNDER ARREST FOR SUNDAY NIGHT'S TROUBLE.

TRUE BILLS AGAINST 50 OTHERS.

It is Estimated That Over 200 Negroes Have Left the Town Since the Riot--A Crowd Collected in West Winston Wednesday Night, But Dispersed Before the Officers Arrived--The Gatling Gun Still on Guard--Tuttle Gets 25 Years in the Penitentiary.

Special to the News and Observer.

WINSTON, N. C., Aug. 15.

A negro created great excitement in West Winston late last night by attempting to break in the residence of Dr. R. H. Jones. A crowd of fifty negroes were seen congregated in the woods at midnight but before officers arrived they had skipped. A suspicious negro who was armed was arrested and jailed. The Gatling gun is still here. It is not definitely known when it will be returned home.

Fifty negroes who participated in Sunday night's riot are in jail. The grand jury has returned over 100 true bills against parties connected with the trouble. It is estimated that more than two hundred negroes have left Winston since the riot.

Arthur Tuttle, the negro who shot and killed policeman Vickers here last May, gets 25 years in the penitentiary. Sentence was passed this afternoon. Counsel for defence made no motion for new trial. On his return to jail the prisoner said he was displeased with the verdict of the jury; that counsel for the State did not put the officer whom he struck the evening he shot officer Vickers on the witness stand. Tuttle referred to Policeman Hasting who was acquitted at the last term of court for killing his (Tuttle's) brother. His statement was convincing that the negro wanted to kill Mr. Hasting when he shot Vickers.

The case of Bud Cunningham for the murder of his sweetheart, last May was given to the jury to-night. A verdict of manslaughter is expected.

Albert Allred woolen, corn and wheat mills near Mt. Airy were destroyed by fire yesterday. The fire originated in the picking room from a hot box and everything was destroyed, including building, machinery, manufactured stock and 25,000 pounds of custom wool. The loss is \$25,000, with no insurance.

Edward Spach, one of Winston's popular citizens, aged 82 years, in attempting to get off a moving street car late last night, was thrown violently on the street and sustained injuries which it is feared will prove fatal.

R. M. Austin, a prominent citizen of Mocksville, dropped dead while eating dinner yesterday; aged 65 years.

Dr. W. S. Taylor, of Mt. Airy, went to Patrick county, Va., to-day to attend to smallpox patients.

CORBETT QUIETLY MARRIED.

And Pretty Vera Stanwood is the Pugilist's Bride.

ASBURY PARK, N. J., Aug. 15.—There was a quiet civil marriage here to-day of which the principals were Champion James J. Corbett, and Jesse Taylor, of Omaha, better known as "Vera Stanwood," the name under which she figured as co-respondent in the recent suit for the divorce which was granted to Mrs. Ollie Lake Corbett.

So quietly had Corbett's intention been kept that not even his manager and travelling companion, Wm. A. Brady, knew that he intended matrimony so soon, nor were any of his other friends in sporting circles apprised of the event.

Justice of the Peace John A. Borden entered the Corbett cottage at noon, for the Catholic church, of which Corbett is a communicant, does not sanction the marriage rite for a divorced person. He found waiting in the parlor, J. F. Wortman, a real estate dealer of Asbury Park; P. F. Buckalow, of Jersey City, paymaster of the Consolidated Traction Company; Joseph Corbett, the brother of the champion, who assisted him in the recent unpleasantness with Fitzsimmons; Alice Brown, the colored cook, and two newspaper men.

After Justice Borden had pronounced them man and wife, Corbett threw his arms around his wife's neck and kissed her heartily two or three times. Congratulations followed. The couple left an hour afterwards. They took a train for Buffalo and Niagara Falls, where they will stay for ten days, after which Corbett will return, and begin training for his match with Fitzsimmons.

It would have been illegal for the pair to marry in New York, for the decree of divorce made in that State barred the pugilist from re-marrying in the lifetime of his first wife. Legal authorities say they would not be recognized by the law as man and wife while living in New York. In the marriage certificate the residence of both parties is given as Asbury Park.

Patchen Broke the Record.

MILWAUKEE, Wis., Aug. 15.—Joe Patchen broke the record on the Wisconsin track to-day, by going a mile in 2:04 1-4. He failed to lower John R. Gentry's stallion record of 2:03 3-4. Time by quarters: 32; 31 1-2; 31; 29 3-4.
