that confronts us,

were driven out of power until they re-turned in 1894-'96, the State Treasury fense of which I have never hesitated to claim against the State. Now the State ory and to the example of a father who transmitted in against the State. Now the State ory and to the example of a father who transmitted in against the State. Now the State ory and to the example of a father who transmitted in the father who there is not enough money which in another form, we are now up holding in the oily way open to us. It is supficient to all who have the solution to drive such reck, that I have received approving and comtrol to the many letters that I have received approving and comtrol to the state at heart. The bankruptey of the State the end of the State and are doubly in into their work. Rusie, although not in the best sharp, handled the Chip fielders put and to the traited that the weight are double and subsequently. They come from power, is supplemented by the bairupter or is supplemented by the bairupter or the state at neart. The bankrupter of the State at mean when a going incompletent many fields in the out of the state at meany the state transmers and the fast that the weight trainers. Rusis and Wilson; Griffith and Kittredge. Impire Emslie, Time 2 for some time I have been convinced that the some of the state and are doubly and the day of subterings, if they bear approving and commut questions, the better for both the appropriations, the better for both as a saying: "I feel sorry for the people of that section. The other day I was in the largest store in a good-sized town when a young lady came hand said down the scate frame that section. The other day I was in the largest store in a good-sized town when a young lady came hand said strate scate frame that scate scate that section. The other day I was in the largest store in a good-sized town when a young lady came hand state scate that scate in a good-sized town when a young lady came hand section that is existed since Apponention, and the proprietor of the store that she there is a state transmer is a state was an understanding on certain para mount questions, the better for both as a sca

"I feel sorry for the people of that section. The other day I was in the largest store in a good-sized town when a young lady came in and said to the proprietor of the store that she had \$60 in generic work in her herd

had \$86 in county script in her hand, wanted to know if she could buy some things at the store. The man told her that he would sell her any-thing he had on as long time as she desired, but that he could not take the script, for not a dollar was in the these would be. The lady said she was a teacher and had just been paid. She did not know what to do, for she said she had to live and look after her mother and she had no other means of support. I find in many of those eastern counties just such a state of affairs. Things are in con-trol of the worst element of the politicians of the Republican faith—ne groes and illiterate whites—who hav, brought things to a pretty

Mr. Lot Tippet says that "he has been a Populist, but being convinced that the re-election of such reform-ers as now control affairs would bring bankruptcy, he will, in the future devote his energies to the up-building of democracy." There are thousands of others in North Caro-lina who think like Lot.—Jackson-

in West Virginia are now closed down completely. A letter I have just receiv-ed from the Cooper and Pocahontas district is brimming with confidence and says the work in that region has been reduced one-half in the last fortnight and predicts a general collapse there very

When Mr. Gompers' attention was called to the great destitution and suf-fering among the strikers he said that the coal operators had taught the miners how to suffer. They had been drilled in hardship by the owners. They would continue to endure their trials a little **Preserving Kettles** 

KILLED BY LIGHTNING.

Roanoke, Va., Aug. 26 .- About five o'clock yesterday evening lightning struck a threshing machine at which sixteen men were working en Brush Creek, in Montgomery county. Wiley Simmons and Frank Dobyns were killed outright. Cabel Dobyns and Helms Lester were fatally injured, one of them having since died. Ten others were se-verely shocked and two escaped unhurt. The machine was slightly damaged.
