CINCINNATI BEATEN IN TWO GAMES BY GOTHAM.

ST. LOUIS PLAYED RAGGEDLY IN FIELD

Whereupon the Quakers Seize the Spoils of Victory - Pittsburg Wins From Washington by Opportune Hitting and Errorless Fielding

Boston, Mass., Aug. 17.—Boston and Louisville split even today in a double header. Nichols had a balloon ascension in the seventh inning and nearly lost the first game, but Boston won by opportune hitting in the ninth. Stupid base running, and Bailey's wildness lost the second game for Boston. The second game was called at the end of the seventh on account of darkness. Attendance 2,000. Scores: (First game): Boston 4-10001001-7 9 5

Washington, August 17.—Pittsburg took another game today by opportune hitting and errorless fielding. Chesbro was hit hard, but the Senators failed to bunch their hits. Attendance, 1,100. Score: Washington .201000000-3 11 3

New York, August 17.—Cincinnati was beaten in two games this afternoon played in both. In the first the locals drove Hawley to the bench.

Baltimore, August 17.—The Orioles fattened up their batting averages on Taylor today, worrying him by mean little bunts until he went in the air. Attendance, 1,016. Score: Baltimore .010030100-5 9 4

Philadelphia, August 17.—St. Louis played a ragged game in the field which accounts for the Phillies' victory. Dave Cross was compelled to retire owing to an injury to his hand. Attendance, 4,975. Score: St. Louis .400020000-6 9 8

Brooklyn, August 17.—After the Brooklynians had gained a safe lead today, Hanton did some experimenting, Hill relieving Dunn in the box and Jennings going to first. Both played the string out and did fine work.

Cleveland, August 17.—The Indians were never in the hunt. Attendance, 1,100. Score: Cleveland .000200000-2 5 6

Sanford, N. C., August 17.—(Special.)—Much has been said about the material progress of Sanford and the most hopeful sign of her interest in the permanent welfare of the town is the enthusiasm shown for public education.

The public schools of Sanford will open on August 21st, and as a preparation for this important event, a mass meeting of the citizens will be held tomorrow, Friday, August 18th, at the Academy building, and several educational addresses will be given by prominent educators, among whom will be Hon. Chas. H. Moberg, State Superintendent; D. E. McIver, Esq., of Sanford; Mr. D. F. St. Clair, editor of the Literary Digest, New York city, and others.

A delightful musical programme has been arranged by the ladies of Sanford to grace the occasion. The trustees of Sanford High School have secured an able faculty of teachers for all departments of the school, and it is confidently expected that Sanford will very soon have one of the best fitting schools in the State.

SEQUEL TO A LYNCHING. One of the Mob Makes a Confession. Implicating Prominent Men.

Gainesville, Ga., Aug. 17.—Taylor Hamilton, one of the mob which took St. Smith from the jail in this county and lynched him a few weeks ago made a full confession before the grand jury of Hall county yesterday. In his confession Hamilton implicates a number of prominent merchants of this county, and his story of the affair has created a sensation. He tells of a tall man whom the mob called "Mark," who wore black face whiskers and played the part

of the fake sheriff in order to gain entrance inside the jail and secure Smith. Hamilton acted the part of the pretended prisoner on the night of the tragedy. Entrance to the jail was effected by a supposed prisoner between them, awakened Sheriff Monday and told him that they had a prisoner from Gwinnett county whom they wished to deposit. The sheriff unsuspectingly opened the door, and then the mob rushed and shot Smith while he was in his cell. Hamilton's part was such that he saw the whole performance.

THE FLIGHT OF PRIDDY. Stokes County Makes it Warm for a Shooting Revenuer. (Charlotte Observer.)

Greensboro, N. C., Aug. 16.—United States Marshal Milliken, of Greensboro, has just learned of the flight of G. H. Priddy, a deputy marshal from Stokes county. Priddy is one of the men that went over to Smith's settlement in Stokes county, two weeks ago, roused all the Smiths from peaceful slumber and took from the settlement Jim Taylor and Will Smith. Therefore, the tribe of Smiths think that he is persona non grata and other unpleasant things, which they express differently. On Monday Priddy went over into this same neighborhood to get John Phillips, who is also supposed to have violated the internal revenue law. He found Phillips, who fled. Priddy pursued, cheerfully firing his pistol at Phillips "to make him stop." Finally Phillips was overhauled and brought to Madison, in Rockingham county. Just as he was about to be tried, a warrant was served on Priddy for shooting at Phillips, and the former was brought before the mayor and bound over to court. In his letter about the matter Priddy says that the crowd seemed to be against him, and two men went to Phillips, who was under guard, and urged him to run, saying they would "take care of Priddy." Judge Adams was engaged to take the case from the State to the Federal Courts.

PROFESSOR OF LAW AT THE UNIVERSITY. To the Editor: Among the many good men spoken of for the position of Associate Professor of Law at the University of North Carolina, we have seen the name of no one more eminently fitted to fill the position than Thomas M. Pittman, Esq., who has the acutest intellect and logical mind would find in a congenial atmosphere in a law school and he would give the student an insight into the labyrinth of the law that few men could. He is a clean man, an honest lawyer, a good fighter, a historian of growing reputation, a writer of acknowledged ability—in fact, just such a man as young men need to be in touch with as they are forming themselves for the practice of the profession. We are satisfied that the trustees would make no mistake in selecting him.

DEED TO FALLS PROPERTY. A deed was yesterday filed in the Register of Deeds' office which conveys the Falls of Neuse property, sold at public auction on June 5, and confirmed by the court at the July term. The deed is from Mr. Charles H. Belvin, commissioner, to the National Bank of Raleigh. The entire tract containing 121 acres known as the "Falls or Mill Tract" brought \$13,000 and hence \$13 worth of revenue stamps were required on the document.

ELECTRIC GONGS AT CROSSINGS. An Effort Will be Made to Have them Generally Adopted.

Judge Walter Clark yesterday returned from Denver Colorado, where he went to deliver an address before the National Convention of Inter-State and Railroad Commissioners. This address, which was printed in Sunday's News and Observer, was well received and attracted much notice.

The convention passed a resolution thanking Judge Clark for his address, and requesting a copy to be printed in the volume of their proceedings.

His recommendation that electric gongs be placed at all crossings, to be automatically rung by the wheels of approaching engines, was especially endorsed by a resolution requesting these commissioners who did not already have power over crossings to procure such legislation, and that this life-saving device should be put in all over the Union. Judge Clark told them that he had seen this device used in Germany years ago as a convenience to notify passengers of the approach of the train to a station, and that this country ought to be enterprising enough to require it to save the lives and limbs of thousands annually killed or maimed at railroad crossings for the lack of it.

RESOLUTIONS OF RESPECT.

Adopted by the Bar of Catawba to the Memory of the Late Judge McCorkle.

Newton, N. C., August 17.—(Special.)—At a meeting of the bar of Catawba county, held last week, today at 12 o'clock p. m., was set apart as a time for the report of the Committee on Resolutions and for remarks in commemoration of the life and services of the late Hon. M. L. McCorkle.

At the appointed time the meeting was called to order by His Honor, Judge Oliver H. Allen, and the following resolutions were read:

Whereas, at a special meeting of the Bar of Catawba county, held in the court house, on the 7th day of August, 1899, the undersigned, L. L. Witherspoon, J. F. Spainhour and W. A. Self, were, on motion, unanimously chosen members of a committee to prepare suitable resolutions upon the death of the late Judge M. L. McCorkle.

The said committee beg leave unanimously to report:

Resolved 1st. That in the death of Judge McCorkle, the people of Catawba County have been deprived of a citizen most serviceable on all occasions when a skillful and fearless guide was needed to hold high the torch and call out the way amid the surrounding darkness.

Resolved 2nd. That when private feelings were aroused, no purer, no more prudent, no more conservative adviser could be called upon; and there was none more powerful to still the tumult and stem the swelling of the floods.

Resolved 3rd. That in his death the State which he loved has lost a wise counsellor and learned judge, the bar of the county a kindly and helpful companion, and its body a most loyal and patriotic member.

Resolved 4th. That, although his days were prolonged beyond the allotted age of man, yet so fair, so clean, so void of reproach, and so worthy of emulation have been, that it is enough for us to put on record that he deserved our good will and was our worthy exemplar, as citizen, as soldier, and as jurist.

Resolved 5th. That a copy of these resolutions, with an assurance of the sincere sympathy of this meeting, be sent to the family.

L. L. WITHERSPOON, W. A. SELF, J. F. SPAINHOUR.

Suitable remarks on the life and character of the deceased were made by the following gentlemen: Mr. Thos. M. Hurlum, of Hickory; Hon. W. H. Bowers, of Lenoir; Mr. E. B. Cline, of Hickory; Hon. R. Z. Lamey, of Taylorsville; Mr. S. J. Ervin, of Morganton; Messrs. W. C. Newland and J. F. Spainhour, of Lenoir; Mr. Geo. F. Jason, of Charlotte, and Mr. W. C. Feimster, of Newton.

Hon. O. H. Allen, chairman, made an appropriate talk upon the resolutions. The resolutions were unanimously adopted.

JUDGE CLARK'S ADDRESS. Scotland Neck Democrat.

Judge Walter Clark's address before the convention of Inter-State and Railroad Commissioners at Denver, Col., a few days ago, was able and showed great research. He showed a wonderful familiarity with the railroad interests in this country as in other countries. He believes that low rates would be helpful to the people and good business to the railroads.

His address was able and exhaustive on the subject in hand, and is a new proof of the wonderful versatility of Judge Clark's talents. Truly he is a student of passing events as well as of recorded things, and wherever he writes or speaks he does his native State honor. His address was published in full in Sunday's News and Observer and was read with great interest.

MOORE'S CREEK CELEBRATION. Wilmington, N. C., Aug. 17.—It is estimated that 5,000 people attended the celebration held today at Moore's Creek battle-ground in celebration of the battle of Moore's Creek Bridge, fought February 26th, 1776, Colonel Blington, then of Wilmington, leading the American patriots, Colonel McDonald, the Tories and British.

An excursion train from Wilmington carried 500 people, and similar trains from other points brought equally large crowds.

Hob. C. B. Aycock, of Goldsboro, was to have delivered the address, but being unavoidably absent, R. T. Grady, Esq., spoke in his stead.

A business meeting of the Moore's Creek Monumental Association, a subsequent programme, in which thirteen appropriately attired young ladies participated, representing the thirteen original States was held. A sumptuous picnic dinner and dancing were features of the day.

The Association has decided to have similar celebrations annually.

The other convict is insane and is sent to the criminal insane department for treatment, and if cured will be sent back to Orange for sentence.
