Willig, the Lobsters' New Pitcher, Not in Good Form Yesterday.

(Special to News and Observer.) Charlotte, N. C., July 10.-Charlotte caught on to Wilmington's new pitcher today and batted him out for twelve runs, while Wilmington only crossed the rubber six times. At first it look. ed as if the game would be a pitchers' battle, but in the second inning Charlotte piled up five runs to the good.

Willig, the Williamsport, Pa., pitcher, that Wilmington signed several days ago arrived this morning and occupied the box for the visitors. He claims that he was in no condition to pitch as he had been on the train for a day and night. He consented but plainly showed his lack of control of the ball. Lipp for Charlotte pitched a splendid game. His broken finger has given him not a little trouble, but he claims to be in good form, Charlotte leaves in the morning for Wilmington and the Lobsters go with them. The following is the score by innings: RHE Batteries: Lipp and Gates; Willig Jonesboro. Score: and McGinnis.
