THE ERUPTION ON ST. VINCENT'S ISLAND

The Inhabitants of the Danish West Indies Terror Stricken. The Terrible Story Told by the First Mate of the Roraima

(By the Associated Press.) Castries, St. Lucia, B. W. I., May 10 .-The Plizono family escaped to St. Lucia in a small steamer. Thirty-five persons, mostly women and children, arrived here in the forenoon of the sixth and furnished the above details. The men remained at Martinique.

The same afternoon, later, telegraphic communication was interrupted with both vised that their repair steamer Pouyer the islands of Martinique and St. Vincent. During the afternoon of the 8th, the British steamer Roddam, which had left persons from St. Pierre. She has re-St. Lucia at midnight for Martinique, turned immediately to the scene of the crawled slowly into the Castries harbor, disaster to search for further survivors. unrecognizable, gray with ashes, her rigging dismantled and sails and awn-

ings hanging about, torn and charred. Captain Whatter reported that having just cast anchor off St. Pierre at 8 a. m. in fine weather succeeding an awful thunderstorm, during the night, he was French Cabinet this morning, the Ministalking to the ship's agent, Joseph ter of Finance, M. Caillaux, was author-Plizzono, who was in a boat alongside, ized to expend all the money necessary when he saw a thunderous cloud of to succor the sufferers by the Martinique smoke and glowing cinders rushing with disaster. An official from the Colonial terrific rapidity over the town and port, completely in an instant, enveloping the former in a sheet of flame and raining (\$100,000) in cash. fire on board. The agent had just time to climb on board when his boat disappeared. Several of the crew of the Roddam were quickly scorched to death. By superhuman efforts, having steam up, the cable was slipped and the steamer rine, M. De Lanessan, has received the backed away from the shore and nine hours later, managed to reach Castries. Ten of the Roddam's men were lying 4 p. m.: dead, contorted and burned out of human semblance, among the black cinders which covered the ship's deck to a depth of six inches. Two more of the

crew have since died. A HEROIC CAPTAIN. The survivors of the Roddam's crew were loud in their praises of the heroic conduct of their captain in steering in his vessel out of danger with his own hands, which were badly burned by the rain of fire which kept falling on the ship for miles after she got under way. Beyond burns all over his body, the capthough he is badly scorched.

TO THE MEMORY OF A DAY OF PRAYER SET

Guidance in the War Claims Case.

(By the Associated Press.) Dallas, Texas, May 10.-The distinctive

feature of today's session of the Methodist Episcopal Church Conference was the setting apart of a day-May 12thfor fasting and prayer for harmony, not only on the "war claim" matter, but on all other great questions before the meeting.

Bishop Granberry announced the apcointment of several committees and Bishop Duncan was called to the chair. His skillful management of parliamentary affairs was marked. James Cannon of Virginia, asked whether the report of the Book Committee was officially before the Committee on Publishing Interests He said Chairman Robertson had ruled t out of order. After some desultory argument Bishop Duncan said a committee that could not decide when a quesion was before it ought to resign. The Committee on Credentials urged hat John W. Heidt and W. R. Poer, of the North Georgia conference were not

an assistant secretary. On motion the unseated delegates wer allowed their expenses to the end of the conference. A motion was adopted that the meetings of the conference be wired session at Asheville, N. C.
