Senator Simmon's Address in the Senate.

NATIONAL MEASURE

The Bill to Protect the President Passes the House.

CANAL BILL TAKEN UP BY THE SENATE

Mr. Harris of Kansas, an Engineer of Recognized Abiliy, Favors the Nicaragua Roule Holding That it is Entirely Feas blc.

(By the Associated Press.)

Washington, June 9 .- An interesting centribution to the discussion of the Isthmian canal project was made in the Senate today by Mr. Harris, of Kansas, a member of the committee on Interthe technical details of canal construction was listened to with profound attention. which were contained in President Roosevelt's annual message. The Durham ... minority of the public lands committee Greensboro He strongly advocated the selection of the Nicaragua route. He maintained that it was entirely feasible and practi-cable from an engineering standpoint and said that some of the difficulties presented by the Panama route were insuperable—notably the construction of the Bohio dam.

During the early part of the session the Naval Appropriation Bill was considered. All of the committee amendments were disposed of except that relating to the construction of two addinal battleships, two cruisers and two

Mr. Simmons, of North Carolina, addressed the Senate in support of the bill for the establishment of a national forserve in the Southern Appalachian

The naval bill was laid aside and Mr. Harris addressed the Senate on the Isthmian canal project.

summan canal project.

Mr. Tillman inquired how the lands necessary for the Nicaragua route were to be obtained if they were owned by private individuals. "Is the Government to be subjected to such private claims?"

Costa-Rica and he declared that this "was one of the most magnificent acts ever performed by a President of the United States." It had cleared the way for the construction of the canal and those two southern nations were bound by the agreement until this Congress should take action upon the canal com-

TO PROTECT THE PRESIDENT.

The Bill Passed by the House by 175 to 38 Votes.

(By the Associated Press.) Washington, June 9.—The House today assed the bill to protect the President, Vice-President, members of the Cabine and foreign ministers and ambasadors and to suppress the teaching of anarchy by a of 175 to 38. The 38 negative vote

Adamson, Bartlett, Brantley, Brundidg Burleson, Candler, Cooper (Texas), Creamer, De Armond, Dinsmore, Finley, ox, Glenn, Henry (Miss.), Hooker, Howard, Johnson, Jones (Va.), Claude Kitchin, W. W. Kitchin, Kleberg, Lanham, Lester, Lewis (Ga.), Little, Loud, McCulloch, McLain, Maddox, Neville, Patterson (Tenn.), Randell, Reid, Scarborough (Tenn.), Randell, Reid, Scarborough Shackleford, Spight, Stephens (Texas) and Underwood.

A motion to recommit the measure with instructions to strike out certain sections was defeated, 71 to 123.

The remainder of the day was devoted to the bill to transfer certain forest re-serves from the Interior to the Agricultural Department, and to authorize the creation in such reserves of game and a member of the committee on Inter-oceanic Canals, who is also an engineer of recognied ability. His discussion of subject, which were contained in Presi-subject, which were contained in Presioffered as a substitute for the bill a measure which eliminates that portion of the bill which transfers the reserves to the Agricultural Department. Messrs. Lacey (Iowa), Kleberg (Texas), Perkins (N. Y.), and Williams (Miss.), spoke in favor of the bill. Messrs. Mondell (Wyo.), and Shafroth (Colorado), supported the minority substitute. Mr. Bell (Colo.), opposed the bill in toto. No vote was reached.

SHOT DEAD IN HIS TRACKS.

NINE YOUNG GIRLS BURNED.

They Perish in a Blazing Building in the Meart of London

London, June 9 .- A small fire in the ente of London today caused the death of nine young girls. Fifteen persons were injured, one probably fatally. The fire occurred in the upper portion of a five story building adjoining the Mansio ondon. The first extension ladders to arrive at the scene could not be elevated to the height of the fourth story, and New Orleans, La., June 9.—Early Liv-erpool advices were disappointing, but compelled to jump down into a tarpaulin, our market opened 1 to 2 points higher which had been hastily commandered by
