### NON-CONCURS IN SENATE AMENDMENT

House Does Not Favor the Panama Route.

### CONFERENCE TO BE HELD

It is Believed Generally That the House Will Yield.

### DEBATE ON THE PHILIPPINE BILL

The House Sends the Army Appropriation Bill Back to the Senate After Emphasizing Its Objections to Army Post Amendments.

(By the Associated Press.)  
Washington, D. C., June 20.—The House today non-concurred in the Senate amendment to the Nicaragua Canal Bill and agreed to the conference asked for by the Senate. Messrs. Heppburn (Iowa), Fletcher (Minnesota), and Davey (Louisiana), were appointed conferees on behalf of the House. This action was taken on the recommendation of the Committee on Inter-State and Foreign Commerce.

Mr. Burton (Ohio), advised none of the friends of the Spooner amendment to object. "I regard this," said he, "as mere formal action. I have the assurance of the gentleman from Iowa that every proper effort will be made to bring the matter back to the House at the earliest possible moment when those who desire to do so can support a motion to concur."

"And I trust," said Mr. Williams (Miss.), "that no friend of the Nicaragua route will object. I hope that the conferees will fight for that route to the last ditch."

Soon after the House had sent this conference, reports gained circulation among members that there was no likely to be a protracted struggle in conference and that the Senate amendment probably would be the basis of the ultimate agreement. One of the House conferees, Mr. Fletcher, of Minnesota, frankly stated to his associates that he thought an agreement would be reached on the Panama amendment. Chairman Heppburn was not prepared, however, to concede that the fight was over.

The Democratic conferee, Judge Davey, of Louisiana, was counted on as strongly favorable to the Nicaragua route. At the same time the lateness of the session and the prevailing desire to avoid further complications in the Senate led to a rather general feeling among the members of the House that the Senate amendment had something of an advantage in the conference.

### Debate on Philippines Bill.

(By the Associated Press.)  
Washington, June 20.—Debate upon the Philippine Civil Government bill continued today in the House from 11 a. m. until 5 p. m. and a session tonight.

The speakers were given close attention, each side enthusiastically applauding its respective orators. Mr. Jones (Va.), the ranking minority member of the insular affairs committee, concluded his speech begun yesterday. The other speakers were Messrs. Hamilton (Michigan) and Kahn (California) for the bill and Mr. Patterson (Tennessee) against it. Mr. Kahn's speech was largely an interesting personal narrative of his experiences in the Philippines last summer. The Isthmian Canal Bill was sent to conference after the Senate amendment had been non-concurred in. The House reiterated the position it had taken upon the Army Appropriation Bill by ignoring the action of the Senate and sending the bill back to the upper House after voting to adhere to its disagreement to the objectionable army post amendments.

Mr. Jones, discussing the Philippines Bill, argued that under the provisions of the bill the friar lands which the government was to purchase would find their way into the hands of corporations. He declared that, in his opinion it would be better for the Philippine people to live under the present hybrid rule than to have imposed upon them the civil government proposed by the pending measure which would enable that civil government to dispose of all the valuable franchises in the islands, to strip the forests of their timber and to sell the agricultural lands to corporations and syndicates. Mr. Jones devoted considerable time to the discussion of the question of the ability of the Philippine people for self-government.

He quoted Prof. Schurman, president of the first commission, to the effect that the Filipino people desired independence, were entitled to it, were capable of governing themselves, and were entitled to self-government.

"Does the gentleman think Buencamino capable of self-government?" asked Mr. Crumpacker (Indiana).

"I think if Buencamino's moral character were as strong as his intellectual power he would be a very great man," replied Mr. Jones.

Mr. Jones referred to the statement issued by Secretary Root yesterday, giving \$170,000,000 as the total cost to the United States of our control of the Philippines. He said that in making up the account he had no doubt the secretary of war, "the rank and file partisan of

them all," had excluded every possible item in order to reduce the amount to a minimum. But even the astute secretary of war, he said, had furnished no estimate of the blood or possession of the islands had cost. He thought fully one hundred thousand Filipinos had perished directly or indirectly as a result of the war waged against them, and that 10,000 American lives had been lost or wrecked. Mr. Jones took up the charges made against General Smith and Major Waller of cruelty in Samar.

"Why is it," he asked, addressing the other side of the chamber, "that you criticize and court-martial Schley, but you will not touch a hair in the head of those who have confessed to participating in these diabolical outrages? Why criticize an officer of the navy, and refuse to listen to criticisms of an officer of the army?"

"It is the indiscriminate criticism of the army that we protest against," interjected Mr. Steele (Indiana).

"There has been no such indiscriminate criticism," answered Mr. Williams (Illinois). "It has been a recital of specific cases."

"It is not the soldiers who should be held up to execration," declared Mr. Jones, "but those who ordered such outrages and those cowards who seek to smother them."

Mr. Jones was warmly congratulated by his party colleagues as he closed his speech. At the evening session Mr. Kahn described in detail some of the cruelties inflicted by Filipinos on American troops. He made a vigorous defense of the army. He said it was a mistake to assert that the insurrection would end should the Filipinos be given their independence. "It would only give the irreconcilables," said he, "an incentive for renewed activity."

Mr. Kahn said the United States had lifted up a Jew and tredden and oppressed race and placed them on a higher plain of civilization than they ever dreamed of.

Mr. Kern (Illinois), denied the right of the United States to frame laws for the Philippines, because in his opinion they are an alien people. He criticized President Roosevelt and charged the United States with the matter without the authority of Congress, except such as was conferred on him by a meagre resolution. The vital question to his mind, he said, was not so much one of good government as it is one of self-government.

### Little Done in Senate.

(By the Associated Press.)  
Washington, June 20.—No business of consequence was transacted by the Senate in an open session except to agree to a conference report finally disposing of the Military Academy Appropriation Bill. So after the disposition of routine business, the Senate went into executive session and adjourned until Monday.

A bill appropriating \$25,000 for a monument at Fredericksburg, Va., to General Hugh Mercer, a proposition which was authorized by Congress in April, 1877, was discussed. Mr. Baldwin (New York) and Mr. Platt (Connecticut) urged that there were other revolutionary heroes who ought to be honored with monuments, and Mr. Cockerill (Mississippi) registered his opposition to the bill and all similar measures. The bill went over on objection of Mr. Warren (Wyoming).

### WINDSOR FOR CLARK UNANIMOUSLY.

Judge Winston Endorsed by Rising Vote in Most Flattering Resolution.

(Special to News and Observer.)  
Windsor, N. C., June 20.—The Democrats of Windsor township met in convention today, and the following county officers were unanimously endorsed for nomination: Clerk, W. L. Lyon; sheriff, T. C. Bond; coroner, H. J. Slade; surveyor, William Parker; House, D. W. Britton; Senate, C. W. Mitchell. There was a contest for register of deeds, Sol Cherry receiving 113 votes and P. T. Perry 33 votes. These will be the county nominees. Windsor township committee voted about a third of the votes of the county.

Hon. J. Y. Joyner and Hon. Walter Clark were unanimously endorsed for superintendent of public instruction and Chief Justice respectively. Comor for Associate Justice, G. I. Brown; Mason for Railroad Commissioner, 49; Beddingfield 35. Stark V. Mizelle was unanimously nominated for township constable. The convention unanimously endorsed rising vote endorsed Judge Winston in the following resolution:

"That we endorse the course of Governor Aycock and especially thank him for the appointment of Hon. Francis D. Winston to the office of judge. The conduct of Judge Winston in his high office has justified the people in asking his appointment, and the Governor in making it. Democratic custom and usage have invariably given a renomination to an officer who for one term has performed the duties of his office fairly, impartially and ably. Judge Winston has so filled his office as judge of this district. The Democrats of Bertie county, mindful of their past fair treatment of others, ask the Democrats of other counties composing this judicial district to concede them his nomination. Our delegates to the judicial convention are instructed to vote for his nomination and a copy of these resolutions be sent to the judicial convention, and that our delegates request that the same be read before a vote is taken. The county and legislative ticket, both branches is the very best that can be made."

### AGAINST THE MILLS

#### Wells Company Wins Suit in Federal Court.

Jury Declares the Company Entitled to Six Thousand Dollars. Avon and Gastonia Mills Appeal.

(Special to News and Observer.)  
Charlotte, N. C., June 20.—The suit of the W. L. Wells Company against the Avon and Gastonia Cotton Mills was decided in the Federal court this afternoon. The verdict of the jury was that the Wells Company was entitled to damages in the sum of \$60,000. This includes the principal and about \$4,000 interest.

The suit has been on trial for the past three days and has been watched with much interest by cotton mill owners in this and other States. The Wells Company supplied the above mills with cotton from Vicksburg, Miss., the home office of the firm.

A member of the firm, it was alleged, agreed to take stock in the Loray Mills of Gastonia to the amount of \$50,000. The cotton account was allowed to accumulate until the Gastonia Mills owed the Vicksburg firm about \$60,000. Then it was that the Gastonia Mills set up the claim that \$50,000 of this indebtedness was to be paid in stock. Judge Boyd instructed the jury that in his opinion the Wells Company was entitled to every cent they claimed. The jury brought in a verdict to this effect.

An appeal was taken by the defendants to the United States Supreme court, which appeal was granted.

Salisbury, N. C., June 20.—B. F. Long, of Statesville, was nominated on the 412th ballot for judge of this judicial district this morning at 2:30 o'clock, after a fifteen hour session. Hon. John S. Henderson, who presided over the convention, said it was the greatest number of ballots ever taken in a judicial convention in North Carolina. Long's nomination was brought about by Iredell voting solidly for him.

Solicitor Hammer is still working on the lynching here. A number of witnesses were examined today. Warrants will probably be issued tomorrow.

### TWO THOUSAND MEN IDLE

Carpenters at Norfolk Cause a Halt in the Building of 300 Houses

(By the Associated Press.)  
Norfolk, Va., June 20.—There is no material change in the strike situation, of which about two thousand men are now idle. The greatest annoyance is caused by the strike of carpenters at work on over 300 houses in course of erection. General Organizer Odell, of the Carpenters and Joiners Union, is here endeavoring to adjust the differences. He is advising all carpenters to refrain from work and asserts that his organization is amply able to pay out of work benefits for ten years. Unless a speedy settlement is made it is highly probable that a sympathetic strike will be the result.

### World's Visible Cotton Supply.

(By the Associated Press.)  
New Orleans, June 20.—Secretary Hester's statement of the world's visible supply of cotton issued today shows the total visible to be 2,658,753 bales, against 2,811,949 last week, and 2,948,099 last year. Of this the total of American cotton is 1,750,753 bales, against 1,857,449 last week, and 1,885,096 last year; and of all other kinds, including Egypt, Brazil, India, etc., 908,000, against 954,000 last week and 1,083,999 last year.

Of the world's visible supply of cotton there is now afloat and held in Great Britain and continental Europe 1,565,000 bales, against 1,457,000 last year; in Egypt 89,000, against 148,000 last year; in India 495,000, against 615,000 and in the United States 509,000, against 727,000 last year.

### Two Hurt by Trains

(Special to News and Observer.)  
Rocky Mount, N. C., June 20.—Day before yesterday at South Rocky Mount, Hugh Everett, age twelve, fell while trying to board a moving freight. His foot was run over and badly mangled. It had to be amputated above the ankle.

Yesterday at the passenger station here, a colored boy while handling a baggage truck was struck by the engine of passenger train No. 23 from the north and dargged several yards. His thigh was broken and received bruises, but his condition is not thought to be serious.

### Miners Give the Sheriff Trouble.

(By the Associated Press.)  
Roanoke, Va., June 20.—There is little change today in the strike situation in the Pocahontas coal fields. The sheriff of Tazewell county is experiencing some trouble with miners in the vicinity of Pocahontas, but so far the Norfolk and Western Railroad officials have no report of any serious encounters. About 25 cars were loaded yesterday and the output today will be about the same. The officials today say that they do not expect to make any gains in the tonnage of coal being mined until after the

### A CRITICAL POINT IN THEIR HISTORY

Lodge Urges Republicans to Stand Together.

### HE URGES RECIPROcity

Party's Future Standing May Depend on Step Now Taken.

### THREE HOURS AND MUCH WIND WASTED

The Reciprocity Plea Flatly Refuses to Jump the Beet Sugar Bars and the G. O. P.

(By the Associated Press.)  
Washington, June 20.—The Republican Senators held another conference today on the question of Cuban reciprocity and after three hours discussion adjourned without action, subject to the call of Chairman Allison. Almost all the Republican Senators who are in the city were present. Eight or nine speeches were made in support of reciprocity, and only two in opposition to that policy. This was in accord with a previous understanding that as the beet sugar Senators had monopolized the attention of the conference on Wednesday night, their opponents today should have the greater share of the time.

The speeches in support of the reciprocity bill were made by Senators Foraker, Beveridge, Lodge, Hale, Warren, Aldrich, McComas and Hanna. Senator Platt, of Conn., adding a few words to what he had said at the Wednesday evening meeting. The two speeches in opposition to the proposed legislation were made by Senators Burton and Burrows. The speeches for reciprocity were all along the same general line and without exception were for legislation and party harmony.

Senator Foraker spoke of the necessity of maintaining the most cordial relations with Cuba. He said the question was an economic one, and that reciprocity would promote, not only the interests of Cuba, but American interests as well. Senator Lodge dwelt with especial emphasis on the importance of having Republican Senators stand together at this critical point in the party's history. Much of the prestige and future national standing, he said, might depend on the step now taken, for all the world was watching with interest our treatment of the Cuban people. He declared that opposition (other than suffice to prevent the continued presentation of this matter) was quite positive that if reciprocity with Cuba was not secured now it would be at a later date.

### WOOD REPLIES TO HILL

(By the Associated Press.)  
Washington, June 20.—General Wood, former Military Governor of Cuba, today authorized the following statement in regard to the criticism of his administration made by D. B. Hill at the Tilden Club re-union in New York last night. "The statement made by Mr. Hill shows either
