Mr. Grosvenor in his speech also de- both political parties in national conrended the rules of the House against vention had pledged themselves to the the criticism passed upon them and paid admission to statehood of the territories. Peacock left today to attend the Grand inning was two doubles by Fox, one in a high tribute to Speaker Henderson's! impartiality. Mr. DeArmond, (Mo.), of the committee, said the measure had John's Day in Oxford. He is a member speke at considerable length in opposi- been put over until next session by the of the Board of Directors of the Oxford in the sixth inning on hits by Soffel tion to the administration's Philippine committee because it was not believed Orphan Asylum and will also take part and Pastor and a two-bagger by Rolpolicy. The other speakers today were: there would be itme now to consider it in the transaction of business connected lins. In the seventh, after Hooks had Mr. Olmstead, (Pa.); Williams, (Ills.); Corliss, Mish.), and W. W. Kitchin,

Mr. Kitchin opposed the Philippine bill and the Philippines' policy of the ing a convention with the Choctaw and Greensboro will win the location.

Mr. De Armond repudiated utterly the charge that the opposition to the presof the acts of army officers in the Philippines was slandering and assailing the army. The Democratic party, he declared, was not opposed to expansion founded upon American principles. Expansion was one thing, colonial empire A Strong Address Against relating to a compromise of the indict- McTeer, c., 4 1 was another. The Democratic - party was anxious to see the country expand as expansion was understood by the fathers. Expansion upon the American continent North or South, he said, was Representative Pou Invited to Deliver Campaign lation that some amicable settlement of Corport of Corpor the Democratic idea of expansion, not holding by sunbjugation 10,000,000 people

7,000 miles beyond our continent. Mr. Grosvenor said that if everything that had been said of General Jacob Smith were true, if he had issued the order to make Samar a "howling wilderness" and to kill all over ten years of age, he could find its counterpart on both sides during the Civil War. He then proceeded to rear a report from General Grant to the government at Washington, telling of the arrangements he had made to carry desolation everywhere through the Shenandoah Valley to seize all men under fifty years of age as prisoners of war, destroy crops and make the valley a "barren waste."

"Before Phil Sheridan got through he note sentence was, "I don't believe God he it a barren waste," said Mr. Grosvenor. He then read from "the letter of the same time gave that people the right Stonewall Jackson," edited by his wife, a statement that Jackson believed that the black flag should be raised and no ple. quarter given as the best means of resisting invasion and saying that he had on this question. urged this policy upon Lee. He also read a telegram from General Beauregard urging the passage of a bill for the execution of prisoners. By this means, the telegram read: "England will be stirred to action."

"When the bill was introduced in the Confederate Congress," interrupted Mr. Bartlett, (Ga.), "had not Lincoln issued for him to leave his district. This is a proclamation to seize the citizens of the valley of Virginia and try them by quent young representative, and one court martial and had they not been
