THE BROTHERHOOD

Firemen Make Him an Honorary Member.

AMID A SALVO OF CHEERS for others by working for himself.

The President Pays a Tribute to Organized Labor.

11 HAS ASKED NOTHING UNREASONABLE

This the President Says of Its Demands on Himself. Acting GrandoMaster Hannahan Wires Roosevelt That He Helps Labor's Cause.

(By the Associated Press.) Chattanooga, Tenn., Sept. 8.-President Roosevelt today was elected an honorary member of the Brotherhood of Locomosession of the order in the morning. a distance of a few blocks, escorted by the Brotherhood and a detachment of

Troop K, State Guard. The Brotherhood first held its executive session, which the President attended. Acting Grand Master Hannahan wired the President, stating that his at tendance at the convention will do great good to organized labor, not only in this country, but in Canada and other coun-

The President returned his thanks for the welcome and said he was glad to be with the Brotherhood. He said the Firemen's Brotherhood was the result which naturally comes from the application of the principle of common sense to their work. He said that organized labor never had made an unreasonable re quest of him, and that if it had he would have denied it. In speaking of the ap pointment of Grand Master Sargent of the Brotherhood to be Commissioner General of Immigration, the President said it was one of the most satisfactory appointments to him and to the public he ever made; that Mr. Sargent has a hard body and not a soft head.

cratic member of the Legislature, moved that the degree of grand honorary membership be conferred upon President Roosevelt. This motion was referred to the Committee on Constitution and By-Laws, whose recommendation was unanimous that the motion be accepted. The report of the committee was adopted unanimously by a rising vote amid cheers.

The President thanked the convention Master Sargent then gave him a pass, which admits him to all meetings of the

journed until 9 o'clock tomorrow morning and the public was admitted to the auditorium to hear the President's address. estate. While the audience was being seated, the band rendered "America," the President at Biltmore at 12:40. and others in the hall rising.

Mayor Chambliss delivered a short adto Chattanooga all the firemen, "Whether attend. they came from Canada, Mexico or Oyster After an address of welcome in behalf of the State by Governor McMillan and an address by Grand Master Sargent, interspersed with music, President Roosevelt was introduced by Acting Grand Master Hannahan. His reception was most enthusiastic, the audience rising to its feet and cheering. When the President addressed the convention as "My Brothers," he was cheered again. He said he was glad to be here and joined with the others in extending a cordial welcome to the visitors from Canada and Mexico. He needed no pressing, he said, to come to this meet-

"I always have, gentlemen, admired greatly the railroad men of the country, and I do not see how anyone who be- bers of the pursuing posse. lieve in the fundamental principles of citizenship can fail to do so." Jim Wright, howtheir own initiative and obeying orders. ever, retreated to a nearby house, where In raising his own regiment, he said, he he engaged the officers until daylight, got a number of railroad men. Of when he was routed out and killed as course, the first requisite was that a man he could not be taken alive. Wright was should know ho wto ride and how to an escaped convict from the Tennessee shoot. Giving them these two qualities, penitentiary, where he was serving a he found that there was no better group sentence for murder. Wright and Temfrom which soldiers could be drawn than pleton are said to have killed as many railroad men.

The President said he hoped and bepast. At the opening of the twentieth for many weeks." century we face conditions vastly changed from a century ago. We as people, find awaiting us problems which need our best thoughts to solve them. The President referred to the good work accomplished by the Brotherhood of Lo-

comotive Firemen. "I believe emphatically," he said "in organized labor. The worth of an organization depends upon its being handled tember 10th, 4:30 p. m. with the courage, the skill, the wisdom, the spirit of fair dealing as between man of election of officers, committee reports and man and the wise self restraint and such other business as may properly circumstances, hence the light sentence. which I am glad to be able to say your come before it.

As the bill for the park has

The President spoke of the necessity himself as being." He said the law of this meeting.

Discussing the benefits which have grown out of the organization of the Brotherhood of Locomotive Firemen, the President said the brotherhood does nuch for all firemen, but he firmly beieved that the individual fireman, since the growth of the brotherhood had been more, not less, efficient than he was

twenty years ago. "A great deal can be accomplished." all for each, but we must not forget that the first requisite in accomplishing that s that each man hould go on and work "I feel that organizations like yours

have a tonic upon the whole body politic. It is a good thing that there should be a large body of our fellow citizens who exercise the old qualities of courage, daring and resolute, unflinching, willingness to meet danger at need and that there should be a profession whose members must year in and year out display these qualities. I hope to see all virtues that make men. The problem of matum: good citizenship is a problem of producing good men and women. All the organizations in the world wont make a eer or a good fireman, and the best constitution will work but will if we have not in the average citizen something that stands as far above intellect as intellect does above mere brute strength- the crew disembarked. The Panther character that is composed of honesty,

of courage and hard common sense." The President told his trip over the battlefield of Chickamauga yesterday and drew a lesson of the heroism shown by the armies of the North and South. The men who composed these armies, he said, taking her in tow impossible, especially possessed the requirements of which good citizens are made. He referred to the inscription on the monument raised by Kentucky to the Union and Confed-(Continued on Fifth Page.)

STRIKERS

Two Union Miners Shot and Stabbed. One Dead the Other Dying.

(By the Associated Press.) Wilkesbarre, Pa., Sept. 8 .- A fight today between striking miners at Malthy resulted in the death of one man and the fatal injury of another. Both victims were Italians. The man killed was Sistieno Vancastelli, aged 36 years. His companion, Frank Portay, was stabbed several times and is in the Wilkesbarre hospital, not expected to live.

All last night strikers gathered in the Valley Coal Company, at Maltby, and the were to start today with a full force of all experience and history in politics. men, and the strikers had pickets out on all roads leading to the mines to intercept any man who might be on their way

to work. cult to see people in the roadway. Shortly after seven o'clock a number of strikers on guard at the Maltby colliery saw two men approaching carrying guns. dently effected by the Crete-a-Pierrot's The pickets came to the conclusion that crow. The explosion destroyed her stern they were non-union men going to work The strangers were stopped and strikers crowded around them.

One striker in the crowd who spoke starting on a hunting trip, and that they were union miners. Thew other strikers did not understand what was said, and believing that the foreigners were nonunion men on their way to work, at tempted to take the gun away from Vancastelli. He resisted, a fight ensued and soon the two Italians were lying in a pool of blood in the roadway. Vancastelli was shot in the side and the left side of his face was crushed in. His companion Portay was stabbed in the side several times.

The news of the riot brought a large number of deputy sheriffs to the scene and on their arrival the mob dispersed.

No arrests have wen made. Hiram Fisher, who is charged with shooting a Polish woman last night at Edwardsville, was today removed to the hospital in this city. Fears were entertained that he would be taken from the lockup and hanged. All night long amob surrounded the building and was so threatening that Burgess Dando was Sheriffs Jacobs was much exercised today over the riots and bloodshed in the county, and at one time it was thought he would have to call upon the militia for aid. But this afternoon order was pretty well restored in the Wyoming region and if there are no further outbreaks the sheriff will not call out the
