—This is Romance.

The Bryson City Recorder says that what it would call a romantic marriage was that of Mr. A. H. Welch, of Newberry, and Mrs. Jennette Battley, formerly of Carthage, N. C., who has been living in Bryson City three months. She is 59 and the gallant groom 57.

The old couple had but short acquaintance, having met for the first time about two months ago. It seems to have been a case of "love at first sight," for although the old man had repeatedly canvassed the town selling his books, he has put in a good part of this two months canvassing and selling books around town. The Rev. Hymen Hyde performed the ceremony in less than a minute, which made them man and wife. The bride was attired in traveling costume while the groom wore corduroy breeches and brogan shoes and his beard, which he usually wears in a plat, combed out, which almost touched the floor. There were only a few friends present. After the ceremony was performed and the friends of the couple had repaired to their homes the whole eastside of town was aroused from their peaceful slumbers by a serenading party with old fashioned cow bells, tin pails, fire crackers, etc.

—Distinguished Guests at Airlie.

Wilmington, N. C., Nov. 24.—(Special.)—A party of distinguished society folk from the north arrived on a special train of private cars yesterday morning and went down to the Sound, where they are being entertained this week by Mr. and Mrs. Pembroke Jones at their handsome country seat "Airlie." In the party were Mr. and Mrs. Stuyvesant Fish and Mr.

George Vanderbilt. A quartette of colored singers from Wilmington went down to "Airlie" last night to entertain the Northerners with some old fashioned plantation songs. One night this week the gentlemen friends in Mr. Jones' party will be taken for a typical Southern coon hunt.

—McElwee-Cranor.

Wilkesboro, N. C., Nov. 24.—(Special.)—Last Wednesday morning in the Presbyterian church Miss Bessie Cranor, the attractive daughter of Mr. John S. Cranor, and Mr. William H. McElwee, formerly of Statesville, now of Bonds, this county, were married here.

The ceremony was performed by Rev. C. W. Roberson, and the wedding music was rendered by Miss Bertha Spainhour. The ushers were Messrs. J. Robertson, J. Gordon Hackett, W. S. Wellborn and Will Cranor.

—A HAPPY TIN WEDDING.

Mr. and Mrs. Charles B. McKeel, of Washington, Celebrate Tenth Anniversary

Washington, N. C., Nov. 24.—(Special.)—The celebration of the tenth anniversary of the wedding of Mr. and Mrs. Charles B. McKeel at their residence last Tuesday night was one of the pleasantest social events of the season.

The residence was charmingly decorated and this was especially so in the parlor where an ornamented arch bore the dates 1892-1902. In the receiving party were Mr. and Mrs. McKeel, assisted by Mrs. Thomas Taylor, of Princess Anne, Md., and Miss Mamie Bryan, of Tarboro. At the main entrance Misses Whitney and Morton did the honors of receiving.

The "Tin Wedding" was a most happy event and many guests were entertained. The popular couple received over three hundred presents as souvenirs of the occasion, these being accompanied by congratulations and best wishes.

—A MILD CASE

Of Contagious Blood Poison never existed. It is always bad, though sometimes no external symptoms of the disease appear for a long time.

Because the disease is slow in developing does not indicate that the case is a mild one, for the poisonous virus at work in the blood and system may be spending its force upon some internal vital organ while you are looking for external signs. Contagious Blood Poison does not affect all alike. In most cases the first little sore is quickly followed by painful swellings in the groins, a red eruption upon the body, sores or ulcers in the mouth and throat, unsightly copper colored blotches, loss of hair and eyebrows and other symptoms of this miserable disease. When the poison is thus fighting its way to the surface, exposing the disease in all its hideousness, we call it a bad case; but Contagious Blood Poison, whether working internally or externally, is a dangerous, treacherous disease.

S. S. S. is the only remedy that cures Contagious Blood Poison thoroughly and permanently. It is an antidote for the deadly virus that produces the awful eruptions, sores and ulcers, and destroys the bones. Mercury and Potash dry up the skin eruptions, but in so doing drive the poison further into the system, where it slumbers for a time, but comes back again with redoubled fury.

S. S. S. is a vegetable remedy that has been used successfully for years in treating this vile disease and curing it in all stages and forms. If you have the slightest symptom; an occasional sore mouth, or muscular and bone

pains, your blood is tainted and the disease is liable to break out again at any time. A course of S. S. S. will remove every trace of poison and at the same time build up your general health.

GOLDSBORO, N. C., Aug. 25, 1902.

Gentlemen—Some six years ago I began to have sciatica, and also a chronic case of muscular rheumatism. At times I could not work at all (my business being baggage master on Southern R. R.). For days and weeks at a time I could not work. My suffering was intense. Physicians treated me, without permanent relief, however. Tried a number of advertised remedies without permanent benefit. Finally I tried "RHEUMACIDE." It did the work, and I have had excellent health for three years. I can cheerfully say that all rheumatics should use "RHEUMACIDE," for it is by far the best remedy.

There are other cotton mattresses besides the "Royal"—giving more or less satisfaction—mostly less, because in none of them has the most important feature received proper attention--i. e., that the raw material used in making the filling shall be of the best staple cotton procurable.

In no other way can a felting be obtained that will stand the test of continued use and retain through a lifetime its first elasticity.

In all other cotton mattresses except the Royal, this "keystone" feature has been overlooked.
