THE WEATHER TO-DAY.

Local forecast for Raleigh and vicinity to 8 p. m.: Fair, high northwest winds; colder in the afternoon.

IN AND ABOUT THE CITY.

The Hillsboro Observer has this item that will be read with pleasure: 'Mr. T. B. Parker, State Business Agent of the Farmers' Alliance, who was accidentally shot while hunting in Bingham township on Saturday, December 27, is reported as doing very nicely at his home at the barracks west of town.'

Oyster Commissioner W. W. Webb, of Carteret, is here for a few days to look after the oyster interests in the Legislature.

PERSONALS.

C. W. Gilbert, of Durham, is in town. Mr. J. L. Sopp, of Asheboro, is in the city. Mr. E. A. Askew, of Brevard, is in town. Mr. W. G. Jones, of High Point, is in the city.

Mr. C. D. Welsh, the crack half-back of the A. and M. football team, returned to the college yesterday to resume his studies.

Major J. B. Batchelor, the oldest member of the Raleigh bar, continues very ill at his home on Halifax street. Much anxiety is felt for his speedy recovery.

Miss Annie Hinton, of Newse, received today from an old Wake Forest boy, Mr. Robt. P. Walters, who is now located in Florida, a fine box of delicious Florida oranges.

Mr. D. H. Andrews, one of Raleigh's best known printers, stood the civil service examination last October and made an average of 90.10. Yesterday he received an appointment in the Government Printing Office at Washington. The News and Observer extends congratulations.

Lumsden, Grand Warden; Cecil Holloway, Grand Secretary; T. W. Blake, Grand Treasurer, installed as the officers of Manteo Lodge No. 8, I. O. O. F. for the present term.

This lodge is one of the most progressive lodges within the jurisdiction and is composed of some of the best citizens of this city of all trades and professions.

Mr. Rodney Fowler Dead.

Mr. Rodney Fowler died yesterday morning at 8 o'clock after a seven weeks' illness. He was at the home of his sister, Mrs. D. M. Branch, West South street. Mr. Fowler was forty-eight years of age. He leaves to survive him a brother, Mr. George Fowler and his sister, Mrs. Branch.

The funeral service will be held this afternoon at 2 o'clock from the residence. The services will be conducted by Mr. Jno. T. Pullen. The interment will be at the city cemetery.

Pay Your Sanitary Tax.

Mr. T. P. Sale, the popular and efficient sanitary officer, says that a great many of Raleigh's citizens have not paid their sanitary tax. He says that the department is going to issue warrants for all delinquents in a few days. Upon the payment of this tax in a large measure depends the general health of the city. Delinquents should pay up and save themselves the embarrassment and extra costs of being made to pay.

Industrial News.

Mayor L. H. Allred, of Youngsville, was in the city yesterday. Mr. Allred tells us that nearly 2,000,000 pounds of tobacco has been sold on the Youngsville market this season. This is an increase of about 750,000 over the sales there last year.

The tobacco marketed at Youngsville is, as a rule, of a fine grade and brings good prices. The farmers in that section are in a prosperous condition.

Mr. J. A. Barnes left this afternoon for Eastman, Ga., to assist our former townsmen, Dr. Bliffner, in the erection there of a large pine product plant, the largest one of the many Dr. Bliffner has erected in this State and Georgia. It is patented after the Southern Pine Product plants, which he erected here, at Fuquay Springs and other places in North Carolina, only it is of much greater capacity.—Fayetteville Observer.

On January 3, 1903, Mr. C. T. Pfohl, the trusted and confidential book-keeper of F. and H. Fries, completed fifty years of service, with the above named firm. Mr. Pfohl came to the firm as a mere boy. During the fifty years, he has never requested an increase of salary or a change of employment, and yet he has been advanced until he is today the honored and trusted head of his department. In his daily contact with the operatives in the mills and the people of the community in general, he has wielded an influence for great good, and has for some years been an Elder in the Moravian church.—Winston Sentinel.

Mr. J. S. Moore has recently resigned his position with the W. W. Mills Lumber Company of Greensboro, to assume the management of the firm of J. S. Moore and Company, wholesale lumber dealers, and has opened his office in room No. 6, Greensboro Loan and Trust Building. The firm to which he belongs will furnish adequate means to enable him to do a large and successful business.

WEEK OF PRAYER.

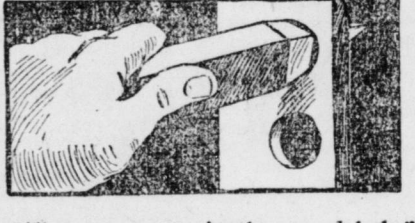

Union Meeting Being Held at the First Baptist Church.

This week, the first of the new year, the Baptists the world over, are observing as week of prayer for the purpose of advancing mission work. The Baptists of Raleigh are holding union meetings every afternoon at 3:30 o'clock this week in the Sunday School rooms of the First Baptist church. The meetings are conducted and led by the Baptist ladies of the city. Saturday afternoon a meeting of special interest will be held. Dr. Tyree will address this meeting on "Missions."

Red Men's Bazaar.

The vote at the Red Men's Bazaar for the most popular candidate for United States Senator was as follows: Overman, 52; Watson, 7; Craig, 32; Carr, 3; Hoke, 14; Ransom, 3; Poi, 50; Norris, 2. The Royall & Borden Furniture Company in connection with the bazaar have offered a Royal Felt Mattress to the most popular married lady of Raleigh. It costs ten cents to vote in this contest. The lady receiving the highest number of votes will be awarded the mattress. Mr. Darnell, the photographer, is going to give a dozen handsome photographs each to the most popular "Red Man" and the best looking young lady of Raleigh. The proceeds of these contests go to the benefit of the "Red Men's Orphanage."

Washington, N. C., Jan. 7.—Dave Price, who Andrew Brown, is out of jail. Brown is improving.

"The square peg in the round hole" figuratively expresses the use of means unsuited to the desired end. A great many people who have been cured of dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition by the use of Dr. Pierce's Golden Medical Discovery say: "We tried many medicines with only temporary benefit. It was not until we began the use of 'Golden Medical Discovery' that we found a complete and lasting cure."

It is undoubtedly true that Dr. Pierce's Golden Medical Discovery holds the record for the perfect and permanent cure of indigestion and other diseases of the stomach and associated organs of digestion and nutrition. It is not a palliative. It cures the cause of disease and builds up the body with solid healthy flesh, not flabby fat.

"It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pell's' have done for me," writes Mrs. F. M. Palmer, of Peede, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would me in distress. I lived two weeks on milk and even that gave me pain. I felt as though I would starve to death. Three doctors attended me—one said I had dyspepsia, two said catarrh of the stomach and bowels. They attended me (one at a time) for one year. I stopped taking their medicine and tried other patent medicine; got no better, and I grew so weak and nervous my heart would flutter. I could not do any kind of work. Now I can do my house work very well; am gaining in flesh and strength, and can eat anything I want."

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
