

**CUTICURA OINTMENT**  
**Purest of Emollients and Greatest of Skin Cures.**  
**The Most Wonderful Curative of All Time**  
**For Torturing, Disfiguring Humours.**

Cuticura Ointment is beyond question the most successful curative for torturing, disfiguring humours of the skin and scalp, including loss of hair, ever compounded, in proof of which a single anointing with it, preceded by a hot bath with Cuticura Soap, and followed in the severer cases by a dose of Cuticura Resolvent Pills, is often sufficient to afford immediate relief in the most distressing forms of itching, burning and scaly humours, permits rest and sleep, and points to a speedy cure when all other remedies fail. It is especially so in the treatment of infants and children, cleansing, soothing and healing the most distressing of infantile humours, and preserving, purifying and beautifying the skin, scalp and hair.

Cuticura Ointment possesses, at the same time, the charm of satisfying the simple wants of the toilet, in curing for the skin, scalp, hair and hands from infancy to age, far more effectively, agreeably and economically than the most expensive of toilet emollients. Its "instant relief for skin-tortured babies," or "Sanative, antiseptic-cleansing," or "One-night treatment of the hands," or "Use after athletics," evening golf, tennis, riding, sparring, or any sport, each in connection with the use of Cuticura Soap, is sufficient evidence of this.

Millions now rely on Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itches and chafings, as well as for all purposes of the toilet, bath and nursery.

**"THE COUNTRY GIRL."**

To be Repeated Friday Night for Benefit of Odd Fellows and Elks.

"The Country Girl," which was played here on the night of the 13th and which was such a success, will be repeated Friday night for the benefit of the Odd Fellows and Elks lodges.

These lodges lost heavily in the "Home" building fire. The play is for a worthy object and is one of the best amateur performances ever seen in Raleigh.

Miss Claire Stainback will play the leading role, supported by the same admirable caste which assisted her before. Her education is as good as most any professional actress. It is well worth the price of admission to see her render her charming part. The cast is one of the best ever seen here on the amateur stage. The box sheet in on sale now, and you should have your seats marked off early, because everybody is going to be there.

**Wedding Cards Issued.**

Washington, N. C., Jan. 10.—(Special).—Cards are out announcing the marriage of Miss Paulina Bomber Smallwood, daughter of Mr. and Mrs. John W. Smallwood, to Mr. Charles Edward Hussey, on Wednesday, January 28th, 1903, at St. Peter's Episcopal church. No cards issued in the city.

**Children Honor Lee's Birthday.**

Washington, N. C., Jan. 10.—(Special).—Under the able direction of Mrs. Margaret Arthur Call, the Washington Chapter of the Children of the Confederacy, tonight held commemorative exercises in honor of Lee's birthday in the Brown Opera House. The Washington Chapter was the first children's organization in this State and the original idea of an organization of the children was advanced at a Southern session of the Daughters of the Confederacy. Soon following her idea, Georgia began the work and she followed in this State.

**AN OLD MAN MARRIES A GIRL OF TWENTY-TWO.**

Dr. John Moss of Henderson Weds Miss Lester, a Young Lady of Warren County.

Henderson, N. C., Jan. 10.—(Special).—There is all manner of surprise here on account of the sudden marriage of Dr. John R. Moss, one of the oldest citizens of Henderson, to a Miss Lester, of Warren county. Wednesday Dr. Moss left Henderson for Warren county and on the next day the wedding occurred at the home of the bride. The doctor is worth easily more than \$30,000.

Dr. Moss is about seventy years of age and Miss Lester was twenty-two. No one appears to have been aware that Dr. Moss had serious intentions. The matter remains a mystery and has caused consternation on all sides.

Dr. Moss has long been prominent in Vance county as the leader of the Republican forces.

It is reported here that Dr. Moss has made no provision for his only child, a daughter, who has for many years claimed nearly everybody in Henderson as her friend. He had always depended on her since his first wife's death. Her devotion to him has always been of the strongest character, Henderson people are in deep sympathy with his daughter.

**Uncle Sam says it's all right**

Uncle Sam, in the person of ten of his government officials, is always in charge of every department of our distillery. During the entire process of distillation, water and whiskey is stored in barrels in our warehouses, during the seven years it remains there, from the very grain we buy to the whiskey you get. Uncle Sam is constantly on the watch. We dare not take a gallon of our own whiskey from our own warehouses unless he says it's all right. And when he does say so, that whiskey goes direct to you, with all its original strength, richness and flavor, carrying a UNITED STATES REGISTERED DISTILLERS GUARANTEE of PURITY and AGE, and saving the dealers' enormous profits. That's why HAYNER WHISKEY is the best for medicinal purposes. That's why it is preferred for other uses. That's why we have over a quarter of a million satisfied customers. That's why YOU should try it. Your money back if you're not satisfied.

**Back From Fuquay Springs.**

Yesterday afternoon a party consisting of Mrs. James Boylan, her daughters, Misses Margaret and Kinsey; Miss Louise Holt, daughter of Mr. L. Banks Holt; Mr. David Clark, son of Judge Walter Clark and president of the Ada Cotton Mills of Charlotte, and Mr. Burke Little, of the Commercial and Farmers Bank of this city, returned to Raleigh from Fuquay Springs, where they have been spending some days at a house party given by Mr. and Mrs. Boylan.

**The Mother Wins Anyhow.**

(Kinston Free Press.)

In the Thompson case referred to in the Free Press a few days ago, in which mother and father were contesting for the custody of a child, and which was heard in chambers by Judge Allen, the custody of the child was given to the father with the order from the court that he be allowed to visit her mother four times a year.

The father sent the child to her mother's home to spend the night, preparatory to leaving next day for another county. He stayed around town next day for parts unknown, and the child nor the mother could be found. They had left mother with him, let and the child nor the father could be found, and a telegram from the mother of the child to an older daughter at this place stated that she was out of the State, and for her (the older daughter) to pack their things and join her.

So the mother wins the custody of the child anyhow, though she has made herself liable for contempt of an order of the court.

No man is great enough, wise enough, or good enough to be trusted with unlimited power.

**First Showing of Spring Goods.**

Frankly, now, wouldn't you rather have a Dress Pattern, Cloak Suit or Waist from BOYLAN, PEARCE & CO. than any other store in Raleigh or the State? Why? Because this store makes a specialty of "quality." Because from infancy this store has handled one class of goods—"the BEST."

A woman is naturally refined and fastidious in matters pertaining to attire. Her idea is quality and exclusiveness. BOYLAN, PEARCE & CO. naturally becomes the "woman store," the place where her finer taste for dress may be fully gratified, for this is the Home of quality and exclusiveness.

As to prices, isn't it reasonable that we, as quality specialists, should be able to buy quality and sell quality lower than those stores that merely dabble in quality for the sake of effect.

This is the beginning of a new season. Many a high-class novelty can be had now, which will not be shown later in the season. Good styles in popular price dress stuff can be had now that later in the season will be gobbled up by manufacturers. Imported articles of high-class materials always come early in the season, and no duplicates.
