With unmistakable depth of feeling the great humorist added:

"Her heart, my heart, our single heart, you will find full of love and memory for you all. My birthday will be tomorrow, and hers, God bless her, was Thursday."

OPPOSE ROOSEVELT

Movement Against President Started in Alabama.

W. J. Davidson; Who Presided at the Meeting That Pledged Support to Roosevelt is Now For Mark Hanna.

(Special to the Washington Post.)
Chattanooga, Tenn., Jan. 25.—The leading Republicans of Alabama have determined to oppose the renomination of Roosevelt for President. They have launched a boom for Senator Hanna, which has strong backing. For some time a movement has been on foot to have the State Republican convention recommend for the purpose of reconsidering its action in endorsing Roosevelt for the nomination in 1904.

W. J. Davidson, who was the chairman of that convention, has letters from the Republicans all over the State asking him to reconvene the convention, but not until this time has he announced his views.

Davidson states that if Mr. Wellman, chairman of the State executive committee, will ask the committee to meet, which he seems disposed to do, that he (Davidson) will send out a call for the State convention to reassemble.

MARK HANNA HIS IDEAL.

Discussing the situation, Davidson says: "Roosevelt has failed absolutely to carry out the policy of McKinley as he promised.

"I think Mark Hanna is the greatest American statesman, and should be nominated and elected President. Ninety-five per cent. of the Republicans of Alabama will be for him first, last, and all the time if he will agree to run. I know the rank and file of Republicans of Alabama will not be for Roosevelt, and it can be safely said that they are ready to rescind their previous action in endorsing Roosevelt and endorse Hanna."

Speaking of the recent concession by the Atlantic Coast Line to its conductors, the Florence Times says: "The conductors on through trains heretofore have been paid by the trip, but under the arrangements made at Wilmington they will now receive two and one-half cents per mile and twenty-five cents an hour over time. On each run there is now a scheduled time in which to make the trip, but a final limit of several hours over schedule time is allowed before the conductors will receive pay for over time."

AT THE TOP.

It is a laudable ambition to reach the top of the ladder of success. But another man who reaches the topmost rung finds his position a torment instead of a triumph. He has sacrificed his health to success.

A man can succeed and be strong if he heeds Nature's warnings. When there is indigestion, loss of appetite, ringing in the ears, dizziness, spots before the eyes or palpitation of the heart; any or all of these symptoms point to weakness and loss of nutrition. Dr. Pierce's Golden Medical Discovery cures all these cases of the stomach and other organs of digestion and nutrition. By perfect and abundant nourishment contributed to each vital organ it enables the co-operation of all the organs to preserve the perfect health of the body.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. R. Secord, Rev. of St. Eastern, Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not bear any solid food in my stomach for a long time; felt melancholy and depressed. Could not sleep nor follow my occupation. Some four months ago a friend recommended your Golden Medical Discovery. After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in case accompanied by a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."

Do You Sleep?

Many people complain of that "TIRED FEELING" when they get out of bed every morning, and frequently attribute this feeling to weakness of the constitution, and invariably resort to medicine. Undoubtedly this indisposition is often the result of a restless sleep, whether you are conscious of it or not, and a bad bed is at the bottom of the trouble.

The "Royal Elastic Felt" Mattress.

WILMINGTON, N. C., April 14, 1902.

MESSRS. ROYALL & BORDEN:

Dear Sirs: I have your favor of the 12th inst., and take pleasure in expressing to you my opinion of the "Royal Elastic Felt Mattress," which it was my good fortune to use when I stopped at Hotel "Kennon," Goldsboro, a few nights ago. I cannot imagine anything more deliciously restful than a night spent on one of those mattresses. In my opinion they are far superior to a hair mattress, however expensive.

Yours truly,
R. E. SMITH.
