The parlor was beautifully and artistically decorated in holly and palms, tastefully decorated in holly and alms, over life's pathway together by the Rev. J. L. Foster.

Mr. Alonza Banks was the best man, while Miss Minnie Turner was the beautiful maid of honor. Mr. Newman Turner waited with Miss Ruby Hobgood. Mr. William Bryan with Miss Mamie Penny, Mr. Frank Banks with Miss Lily Hobgood, Mr. Wm. Turner with Miss Alice Turner.

After the ceremony was performed the bridal party repaired to the residence of the groom's parents, where a reception was tendered them.

The bride is well known in Raleigh, having on many occasions graced the city with her presence. The happy couple will reside on East street.

**THE HOSPITAL QUESTION.**  
Dr. Alexander, of Tyrrell, objected to the third reading of this bill, because it conferred on the hospital the right to give diplomas to trained nurses.

This should not be allowed at least until that section had been examined by the Committee on Health.

Mr. Morton concurred if all nurses did not get their diplomas from hospitals.

Dr. Alexander replied that they obtained them from hospitals connected with regular medical colleges.

Dr. Crocker, of Wilson, explained that there was now before the committee a bill requiring trained nurses to get a certificate from a State board of examiners, and this would extend to all, so that a diploma would not give a trained nurse the privilege of practicing her profession until licensed by this State board.

### CHALYBEATE SPRINGS, A NEW STATION ON THE MILLS ROAD.

Messrs. Franklin and Senter Lay Off a Town on the Extension Beyond Fuquay—Its Rapid Growth Assured.

Mr. J. R. Franklin, of Harnett county, was in the city yesterday. He speaks encouragingly of the prospects of Chalybeate Springs, a new station on the extension of the Raleigh and Cape Fear Railway.

Mr. Franklin has formed a partnership with Mr. D. H. Senter for the improvement and development of this place.

This is the spring formerly known as Betts Spring. The new company have named it Chalybeate Spring. They have purchased one hundred acres of land surrounding the spring on which they have laid out a town.

They have sold several lots and several houses have already been erected besides the large dry house and planing, office, stables and numerous shanties connected with Mr. Franklin's lumber plant, located at this place.

Two stores have already been built and opened for business. The iron on the railroad will soon be laid to this place.

Mr. Franklin thinks Chalybeate Springs will be a considerable little town in a short time.

# Do You Sleep?

Many people complain of that "TIRED FEELING" when they get out of bed every morning, and frequently attribute this feeling to weakness of the constitution, and invariably resort to medicine. Undoubtedly this indisposition is often the result of a restless sleep, whether you are conscious of it or not, and a bad bed is at the bottom of the trouble.

## The "Royal Elastic Felt" Mattress.

WILMINGTON, N. C., April 14, 1902.

MESSRS. ROYALL & BORDEN: Dear Sirs: I have your favor of the 12th inst., and take pleasure in expressing to you my opinion of the "Royal Elastic Felt Mattress," which it was my good fortune to use when I stopped at Hotel "Kennon," Goldsboro, a few nights ago. I cannot imagine anything more deliciously restful than a night spent on one of those mattresses. In my opinion they are far superior to a hair mattress, however expensive. Yours truly, R. E. SMITH.

Mr. Smith is Assistant General Manager of the Atlantic Coast Line, and the above is from the impression made by sleeping on a Royal one night.
