OHIO WHOOPS FOR TEDDY AND MARCUS

Battle Cry, Hanna, Herrick, Harding, Harmony.

USUAL WHACK AT DIXIE

If the Negro is Excluded by a State as a Voter Reduce the Representation in Congress, is the Cry.

(By the Associated Press.)

Columbus, Ohio, June 4.—The Republican State Convention closed today with much altercation in its battle cries. At the convention yesterday Senator Hanna said: "Hands off." While Senator Foraker was presiding today the delegates added to the "H's" the cry of "Hanna, Herrick, Harding and Harmony." While all conceded that it was "Hanna's year" he would not use his influence, except for the head of the ticket, in naming his neighbor, Myron T. Herrick, for Governor. The senator's friend, George B. Cox, of Cincinnati, named Warren G. Harding, for lieutenant governor and Wade Hampton Ellis for attorney general.

The ticket nominated follows: Governor—Myron T. Herrick, Cuyahoga; Lieutenant Governor—Warren G. Harding, Marion; Auditor—W. D. Guilbert, Noble; Treasurer—W. S. McKinnon, Ashtabula; Attorney General—Wade H. Ellis, Hamilton. Judge of Supreme Court—A. N. Summers, Clarke.

While Senator Foraker expressed his gratification over the ticket and the results generally, he was especially gratified over the unanimous adoption of a resolution, which endorsed President Roosevelt's renomination as well as his administration. It has been anticipated, as Congressman Nevin said today, that Senators Hanna and Foraker would lock horns over the endorsement of Roosevelt's candidacy, but instead they locked arms and are now leading the Ohio Republicans in this campaign more harmoniously than ever.

There never was more talk about fixing a slate in advance of the convention than this year, but the balloting indicated that such was not the case for at least some of the minor places. At any rate Hanna and Herrick did not exercise their personal influence "in giving the word," and let the hall before the nominations for minor places was begun.

In the "free for all" races that followed, the convention was at times uncontrollable even by such a commanding presiding officer as Senator Foraker. At the opening of the convention prayer was offered by Rev. James Poindexter, pastor of the colored Baptist church. The platform indorses Senators Hanna and Foraker, promising Hanna support for reelection and commends "President Roosevelt's fidelity to duty, his adherence to President McKinley's policies and his own proved ability in his high office, showing him every way worthy of election by the people to be their chief magistrate. We favor his nomination for President in 1904."

The platform favors better roads, extension of labor legislation in every way equitable to all, especially to secure for labor just recognition in the settlement of differences, liberal pension legislation, encouragement to our merchant marine, stimulation of local bank circulation along safe lines to secure elasticity of circulation; indorses Governor Taft's administration of the Philippines and commends "the rapid and steady progress made in preparation of the Philippines for the fullest practicable degree of self-government."

As to foreign affairs, the platform indorses the policy of developing the navy to the highest efficiency, and says "our foreign policy of equity to all has made the United States the peacemaker of the world, guarding weaker nations from aggression and giving the Monroe Doctrine a vital force greater than ever before."

Regarding the protective tariff policy the platform declares:

"We oppose all attacks upon this policy,

whatever the pretext, as tending to bring back the disastrous days of Democratic tariff revision and free trade. Changing conditions and the possible benefits or reciprocity may call for timely readjustment of schedules, but protection as a principle and as a policy must be administered by the friends of American prosperity and must not be sacrificed.

"Combinations for the monopoly of trade and kindred unlawful purposes are directly amenable to penalties provided by Republican legislation and their vigorous enforcement in the courts. No worthy interest is imperilled but whatever will work public harm is restrained and that without respect to the Democratic plan of destroying all American industries through tariff revision or otherwise. If further legislation should be found necessary, the Republican party can be depended upon to enact and enforce it with equity and safety in every legitimate interest.

"Ohio was the first State with soil forever free from the stain of slavery, pledged by the great creative ordinance of 1787 to the fundamental principles of civil and religious liberty and bound thereby to 'forever remain a part of the United States of America.' Ohio was foremost in the war to preserve 'the indestructible union of indestructible States' and adheres firmly to every amendment which that war wrote into our country's constitution as binding in honor upon every American citizen. Therefore, we hold fast to the doctrine of equity everywhere in the exercise of the elective franchise, maintaining that justice requires any State excluding any of its citizens from the ballot to be proportionately reduced in its representation in the electoral college and the lower house of the National Congress.

HABEAS CORPUS FOR CHILDREN.

Friends' Orphanage at High Point for Some Reason Won't Give Them Up.

(Special to News and Observer.)

High Point, N. C., June 4.—A habeas corpus case will be heard on next Tuesday before Judge W. R. Allen at Greensboro that will involve the Friends' Orphanage near this place. It seems that Mrs. Doyle, of Raleigh, has several children at the orphanage and has recently made demands upon the orphanage for the children. For some reason the management refused to give up the children, and Mrs. Doyle sued out a writ of habeas corpus. The case was before Judge Allen at Greensboro one day last week, and was postponed until next Tuesday, when Judge Allen will hear it at Greensboro. Mr. Westcott Robinson is representing the orphanage and Mr. W. P. Ragan appears for Mrs. Doyle.

Mrs. Doyle, who was in Raleigh yesterday, was seen last night by a News and Observer reporter, and asked for a statement. This, however, she declined to give until the case is settled.

Flowers for Our Dead at Columbus.

(By the Associated Press.)

Atlanta, Ga., June 4.—General John B. Gordon, Commander-in-Chief of the United Confederate Veterans, has issued general orders calling upon the people to contribute flowers for the decoration of the graves of Confederate dead at Columbus, Ohio, June 11.

General Gordon says: "The commanding general feels sure, although the time is very short, that there will be no lack of flowers at Columbus to decorate the graves of our dead at Camp Chase. To honor such dead is to honor the living. In this connection the general commanding finds great pleasure in reminding the Southern people of the hitherto most general course of Colonel Knauus, of the Union Army, and of the broad-minded people of Ohio in decorating the grave of these Confederate independently and in erecting the monument which adorns their resting place. Such acts illustrate the spirit of fraternity and unity which is the surest guaranty of the republic's future progress and perpetuity."

The Gudger Election Case.

(Special to News and Observer.)

Asheville, N. C., June 4.—J. M. Gudger, Jr., Charles M. Busbee, his counsel, and Col. Lusk will go to Washington next week. Depositions will be opened by the clerk of the House, who will learn the character of evidence to be submitted to the House Committee on Elections. The American Society of Civil Engineers will hold their convention here Tuesday. Battery Park Hotel will be headquarters. Theodore F. Davidson will deliver the address of welcome. Alfred Noble, of New York, will respond. Col. J. L. Ludlow, of Winston-Salem will preside. The sessions will continue four days.

Trinity Military School Closes.

(Special to News and Observer.)

Washington, N. C., June 4.—Trinity Military School held their annual commencement drills and exercises today. The debates and speaking exercises were concluded tonight.

Hugo Mill Destroyed by Fire.

(By the Associated Press.)

Gadsden, Ala., June 4.—The mill of the Kyle Lumber Company, the largest in North Alabama, was destroyed by fire last night. The watchman dropped his lamp. The dry kiln and lumber in the yards were saved. The loss is estimated at \$50,000.

The Lost Train Known to be Safe.

(Special to News and Observer.)

Kansas City, June 3.—Chicago, Burlington and Quincy passenger train No. 2 from Chicago to Kansas City, due here at 4 o'clock Sunday afternoon, is known to be safe somewhere east of here. The train arrived at Liberty, Mo., twenty-five miles northeast from Kansas City late Sunday afternoon. The tracks into Kansas City being unsafe and train service in all directions being badly demoralized, the train was split into two parts and sent east and north to accommodate the new conditions. While the exact location of the train is not known, there is every reason to believe that all the passengers are safe.

EIGHT KILLED IN A FIGHT OVER FENCES

Farmer and Four Sons Killed by Cowboys. A GALLOP AMID BULLETS

(By the Associated Press.)

Charleston, S. C., June 4.—An order was filed in the United States Circuit Court today in ancillary proceedings for a decree of sale of all the property of the Atlantic Coast Lumber Company, now in a receiver's hands, the sale to be made on four week's advertised notice. The upset price is fixed at one million. The reorganization of the company will be undertaken by prominent capitalists of New York, identified with the J. P. Morgan interests. The headquarters of the company are at Georgetown, S. C.

THE BEER QUESTION

Statement by Dr. Kilgore as to Preservatives in the Amber Beverage.

(By the Associated Press.)

Superior, Neb., June 4.—Eight men were killed in a battle between cowboys and a family of farmers named Berry at St. Francis, Kan. The cowboys were employed by the Dewar Cattle Company and there has been bad feeling between them and the boys for some time. Land had been taken up by old man Berry as a homestead. The fences of the cattle company interfered with his passage to and from the roads. Wire cutting on the part of the Berry family in order to get the shortest possible road to town is said to have been the original cause of the quarrel. The cowboys on the Dewar ranch had threatened to kill the family.

The fight resulting in the five deaths came after a recent trip of the Berry family to town. The father and four sons were returning to their homes. Eight miles from their destination they stopped to cut their way through a wire fence. The boys came upon them just as they completed the work. The Berrys mounted quickly and the cowboys fired. The oldest Berry, John, was wounded but stayed in his saddle. The farmers had the freshest mounts and soon were beyond accurate rifle range. The cowboys kept up a scattering fusillade of shots.

Arriving home the Berrys did not think they had been pursued all the way and they were in front of the house when the party of cowboys rode up the hill a few yards to the north. The shooting began immediately. Two of the Berry boys were killed before they could reach their rifles. The old man and the other two boys got inside the house. There were about twenty cowboys and they started on the gallop for the house, intending to fire it and burn the defenders out. The old man and the boys attempted to escape from the other side of the house and were shot down in succession. Three of the cowboys were killed by the farmers while they were defending the house.

To Finish Y. M. C. A. BUILDING.

(Special to News and Observer.)

The Stanley County Bond Decision Excites Much Interest in Buncombe.

Asheville, N. C., June 4.—The local committee of the Southern Educational Association held a meeting yesterday to hear the report of the progress that is being made towards the entertainment of the Association at the meeting here on June 30th. There was also considered a proposition to send one to the State Teachers Convention in Wilmington, to interest the members of that body in attending the Asheville convention.

The Executive Committee will meet with Governor Aycock upon his arrival here next week to consult with him in regard to the convention.

At a meeting of the directors of the Y. M. C. A. building yesterday, it was decided to let the contract for the completion of the new building of the association. The balance of the work will cost three thousand dollars and the building will be ready for use by the first of October. Mr. J. M. Westall was awarded the contract.

Asheville's new city administration, while not pledged or elected as reformers, seem to be inclined to make some changes of a much needed character. The new Chief of Police Jordan says in effect that he will use every possible endeavor to enforce the ordinances to the letter.

Blow Off His Thumb.

(Special to News and Observer.)

Durham, N. C., June 4.—Late last night James Mann, a negro living in East Durham, was going to the second story of the home where he lived, and had in his possession a dynamite cap. He knocked the cap against the wall several times. It exploded and literally blew his thumb from his hand. His forefinger was so badly lacerated that amputation was necessary.

Tonight at the court house there was a mass-meeting of the firemen and their friends, the meeting being for the purpose of discussing the approaching tournament and association of the State firemen. The meeting was addressed by President James D. McNeill, of Fayetteville, who came here on the afternoon train. The funds are well in hand, the prize list will be a large one and everybody will be given a good time of it.

Rib Broken in Automobile Accident.

(Special to News and Observer.)

Winston-Salem, N. C., June 4.—Dr. H. J. Thomas, a prominent physician, is confined to his home here with a broken rib and other injuries, caused by his automobile turning over with him and rolling down a ten foot embankment. Mr. G. W. Poindexter, a prominent citizen of Germantown, and an ex-Confederate veteran, died this morning, aged sixty-two.

Corner Stone of Catholic Cathedral Laid

(By the Associated Press.)

Richmond, Va., June 4.—Archbishop Diomedo Falconio, papal delegate to the United States, assisted by Bishop Keiley, of Savannah; Bishop Donohue, of Wheeling and Bishop Vandevyer, of this city, laid the corner-stone of the proposed new Catholic cathedral here this afternoon with beautiful and impressive ceremonies.

There were present in addition to the clergymen named, Rev. Dr. O'Connell, head of the Catholic University at Washington; Rev. Dr. McDonald, of Canada; Rev. Alph Inness, of New Orleans; Rev. Dr. Goggin, of Rochester, N. Y.; Rev. Father O'Ferral, of Petersburg; Rev. Father McNamee, of Old Point; Rev. Father Donohue, of Martinsburg; the local clergy and a great concourse of people.

The structure is to cost \$50,000 or more, and to be one of the finest church edifices in the South.

Traffic in Norfolk Harbor.

(By Associated Press.)

Norfolk, Va., June 3.—The traffic in Norfolk harbor is gradually getting back to its normal state. Many of the boats which were temporarily laid off the first of the week when the engineers refused to work longer at the old scale of wages have been placed in commission again. In some instances the vessel owners have acceded to the demands of the engineers and in others, the operators of the boats have effected other arrangements. It is believed that in a few more days all the boats will be in use again.

Gradually Getting Back to Normal Conditions

(By Associated Press.)

Norfolk, Va., June 3.—The traffic in Norfolk harbor is gradually getting back to its normal state. Many of the boats which were temporarily laid off the first of the week when the engineers refused to work longer at the old scale of wages have been placed in commission again. In some instances the vessel owners have acceded to the demands of the engineers and in others, the operators of the boats have effected other arrangements. It is believed that in a few more days all the boats will be in use again.

Some of the Vessels of the Norfolk and Southern Railway are in operation.

The newly adopted wage scale having been granted the engineers. This company still has four vessels out of commission, however.

The steamer of the Norfolk, Portsmouth and Newport News Company has resumed its run from Sewell's Point to Newport News.

The steamers Nanticoke and Allen are running again at the engineers' scale. It was stated at the headquarters of the marine engineers today that several other vessels had been placed in service again, the owners having agreed to the newly adopted wage scale.

There has developed no change in the condition of affairs of the Old Dominion Company.

This company still has five vessels out of commission. President Guillemet, of that company, has arrived in the city from New York and is conferring with General Agent Crowell on the situation here. It is not known what action the Old Dominion has in contemplation with regard to the engineers in their employ who refused to continue work on the former scale of wages.

Satchel of Dynamite Found.

(By the Associated Press.)

Bloomington, Ill., June 3.—There was a sensation at Lincoln today over the discovery of a catch full of dynamite hidden near the Chicago and Alton tracks in Lincoln. This was located within a few yards from the point where President Roosevelt leaves the train tomorrow morning, and a plot was suspected by the police. A thorough investigation is in progress.

Doctors Abandon Hope.

(Special to News and Observer.)

High Point, N. C., June 3.—Mrs. S. P. Hill is desperately ill. The doctors have given up all hopes and death is only a question of a few hours.

Another Plot Against Roosevelt, Think the Folio--Investigation Proceeding.

(By the Associated Press.)

This was located within a few yards from the point where President Roosevelt leaves the train tomorrow morning, and a plot was suspected by the police. A thorough investigation is in progress.

B-field Has a Big Fire

(By the Associated Press.)

Richmond, Va., June 3.—A large portion of the business section of North Emporia (Belfield) was entirely destroyed by fire last night. The fire originated in the building occupied by Messrs. J. E. Maves, W. Lamb, the Cato Collier Company and others and swept Main street from the store house of W. R. Cato to the building of E. A. Hartley and Brother. It is estimated that the gross loss is about \$30,000, with probably \$7,000 or \$8,000 insurance.
