ROOSEVELT RIDES IN ON A REPUBLICAN AVALANCHE

New York Heads the Rush With Indiana and Other States Regarded as Doubtful Coming Tumbling After.

West Virginia is Probably in the Republican Column. Roosevelt Has Probably Carried Every Doubtful State by a Larger Majority Than McKinley's in 1900.

(By the Associated Press.)
New York, Nov. 8.—10:15 p. m.—From returns at hand at this hour the electoral vote stands as follows:
For Roosevelt: California, 10; Connecticut, 7; Delaware, 3; Illinois, 27; Indiana, 15; Iowa, 13; Kansas, 10; Maine, 6; Massachusetts, 16; Michigan, 14; Minnesota, 11; Nebraska, 8; New Hampshire, 4; New York, 39; New Jersey, 12; North Dakota, 4; Ohio, 23; Oregon, 4; Pennsylvania, 34; Rhode Island, 4; South Dakota, 4; Vermont, 4; Washington, 13; Wyoming, 3. Total 293.

For Parker: Alabama, 11; Arkansas, 9; Florida, 5; Georgia, 13; Kentucky, 13; Louisiana, 9; Mississippi, 10; Missouri, 13; North Carolina, 12; South Carolina, 9; Tennessee, 12; Texas, 18; Virginia, 12. Total 161.

NEW YORK

New York, Nov. 8.—8:45 p. m.—The latest figures from New York City and State indicate that Roosevelt's plurality above the Bronx is about 250,000, and that McKinley's below the Bronx is about 37,000, giving the State to Roosevelt by 228,000. Returns from about one-third of the State above the Bronx show Roosevelt's vote to be 17,000 heavier than McKinley's four years ago and Parker's 7,000 smaller than Bryan's. For governor Higgins apparently is 165,000 ahead in the up-State counties and Herwick 80,000 better than Higgins in the city, electing Higgins governor by about 85,000.

The Legislature is undoubtedly overwhelmingly Republican, assuming the election of a Republican to succeed Chauncey M. Depew.

New York, Nov. 8.—At 7:15 p. m. returns from New York State and city indicate that Roosevelt has carried the State by a plurality larger than McKinley's four years ago, which was 143,606. A surprise of the early returns was the heavy Roosevelt vote in Kings county (Brooklyn), 150 out of 540 election districts indicating that Roosevelt had carried the county. From up the State the first bulletins made it appear that Roosevelt's plurality above Herwick would be about 280,000 or 250,000.

Buffalo, Nov. 8.—105 out of 108 districts in Buffalo city give Roosevelt 27,116; Parker 27,674; Higgins 23,494; Herwick 20,231.

Syracuse, Nov. 8.—Syracuse complete: Roosevelt 17,184; Parker 7,734; Higgins 15,101; Herwick 11,936.

New York, Nov. 8.—Early returns from all parts of New Jersey indicate that President Roosevelt has carried the State by a much larger majority than that of McKinley in 1900, which was 56,899 over Bryan.

New York, Nov. 8.—Tenth District, William Sulzer, (Democrat) re-elected. Eleventh District, William R. Hearst (Democrat) re-elected.

New York, Nov. 8.—1310 election districts out of 1,550 in the city of New York: Roosevelt 239,116; Parker 269,637.

NO THIRD TERM FOR HIM.

So Declares Roosevelt in Speaking of His Election.

(By the Associated Press.)
Washington, Nov. 8.—President Roosevelt to-night after the elections clearly indicated the result issued the following statement:
"I am deeply sensible of the honor done me by the American people in this expressing their confidence in me. What I have done and have tried to do, I appreciate to the full the solemn responsibility which confidence imposes upon me and I shall do all that is in my power not to forfeit it. On the fourth of March next I shall have served three and a half years of my term. It is my duty to submit to the people my first term. The wise custom which limits the President to two terms regards the substance and not the form. Under no circumstances will I be a candidate for or accept another nomination."

WHY NOT THIS WEEK?

The Last of a Series of Most Delightful Events.

Here it is the last month of the greatest of World's Fairs, and many New York Cityans are going this month. There is to be a regular reunion of North Carolinians at St. Louis, and as this is the last month the only question that is left to decide is "How am I going—over what route shall I go?"

That question is answered for you by Mr. C. H. Gattis, the traveling passenger agent of the Seaboard Air Line, who has arranged for a personally conducted party to St. Louis, this leaving North Carolina on Thursday, November 10th, in special Pullman coaches, from which you do not have to change till you reach St. Louis.

The route selected over the Seaboard Air Line, N. C. & St. Louis and Illinois is a beautiful scenic one, passing Lookout Mountain, beautiful and historic, going over the great steel bridge, four miles long, at Cairo, Ill., largest in the world, through Atlanta, Chattanooga, Nashville and all the beautiful country between here and St. Louis.

NORTH CAROLINA IS AS EVER TRUE

Democratic Majority About 25,000.

FROM 25 COUNTIES

The Figures Indicate a Majority for the Entire State Ticket of From Fifty Thousand to Sixty Thousand.

At midnight the returns from the various counties in North Carolina clearly indicate that the State is Democratic by a majority of about 50,000.

Democrats elect ten members of Congress. The returns are complete as to this fact from eight districts, and the news from the Eighth and Tenth indicate that both are Democratic by small majorities.

The Democrats will not lose a member in either branch of the General Assembly, but will hold the counties giving majorities in 1901, perhaps gaining. In the House there will be at least 101 Democratic members out of 120, and in the Senate 44 members out of 50.

The weather yesterday was perfect and in many counties Democratic majorities were increased. The returns received up to midnight are as follows:

FRANKLIN.
(Special to News and Observer.)
Franklin, N. C., Nov. 8.—In the election today in Franklin township the Democrats received an average of 35 votes, Republicans 34.

For Governor, Glenn, 332; Harris, 35. Winston for Lieutenant Governor gets 337. Patterson for Commissioner of Agriculture gets 345.

The electoral and county tickets gave the Democrats 335 Democratic, 34 Republican.

Louisburg, N. C., Nov. 8.—Franklin county will give the Democratic ticket a majority of 1,750.

HERTFORD.
(Special to News and Observer.)
Hertford, N. C., Nov. 8.—The vote in Hertford was light. Returns from three out of five townships indicate Parker majority of 480. Glenn's majority is 500. Winston gets every Democratic vote cast.

PENDER.
(Special to News and Observer.)
Pender, N. C., Nov. 8.—The election passed off quietly in this county. A full vote polled. There was little scratching and the independent ticket was not in sight. The Democratic majority will be not less than 1,000.

CUMBERLAND.
(Special to News and Observer.)
Fayetteville, N. C., Nov. 8.—Cumberland county gives 500 Democratic majority, probably more. There has been a little scratching. The Democratic majority will exceed expectations.

LENOIR.
(Special to News and Observer.)
Kinston, N. C., Nov. 8.—At six o'clock a conservative estimate will show for Kinston township about four to five hundred Democratic majority. This will make the entire county of Lenoir give from seven hundred to one thousand Democratic majority. The vote is heavy and very little scratching is reported. The entire county ticket will be elected.

WILSON.
(Special to News and Observer.)
Wilson, N. C., Nov. 8.—The election here passed off quietly, much interest being taken. No figures can be given but the Democratic ticket has a big majority. The Republicans were not much in evidence.

GREENE.
(Special to News and Observer.)
Snow Hill, N. C., Nov. 8.—Democrats have certainly carried Greene county by 500 to 700 majority. There was some scratching on the legislative ticket.

M'DOWELL.
(Special to News and Observer.)
Marion, N. C., Nov. 8.—Judging from the Marion box McDowell is safely Democratic. The judicial and State ticket carry here by about 100 majority. There was not much scratching except on the sheriff. Four negroes voted. There were several votes for the prohibition electors.

GRANVILLE.
(Special to News and Observer.)
Oxford, N. C., Nov. 8.—Returns from the precincts come in slowly. Two precincts out of seventeen give a Democratic majority of 300. Election, exceedingly quiet.

GUILFORD.
(Special to News and Observer.)
Greensboro, N. C., Nov. 8.—Estimates from precincts heard from as compared with vote two years ago indicate a Democratic majority in Guilford county of 1,200. The reduction of majority is due to the lighter vote polled. This is an increase of about 500 majority over the vote in 1900.

ALAMANCE.
(Special to News and Observer.)
Burlington, N. C., Nov. 8.—In Alamance county, although a larger vote has been cast today than for years, the race for sheriff is close and both sides are doing some scratching. There is very little scratching of the State ticket. I think the county will give

the Democratic candidates from 200 to 300 majority.

Burlington, N. C., Nov. 8.—Alamance county votes Democratic by a small majority—about 100. State and county ticket elected except sheriff, R. T. Kernoodle, Republican, being elected by a small majority.

Kinston, N. C., Nov. 8.—Lenoir county will give a Democratic majority of eight hundred to one thousand.

MILLBROOK.

EDGEcombe.
(Special to News and Observer.)
Tarboro, N. C., Nov. 8.—The townships heard from indicate a light vote in the county with some scratching of tickets. The entire county ticket is elected. There was no opposition. A few votes were cast for the Republican and Populist electors. The Republican State ticket may get 200 votes.

BLADEN.
(Special to News and Observer.)
Elizabethton, N. C., Nov. 8.—Bladen county shows a slightly increased vote over two years ago. There are Democratic gains and the majority will be 600. Roosevelt runs a little ahead of the Republican State ticket. There has been very little scratching on State ticket.

IREDELL.
Statesville, N. C., Nov. 8.—Iredell county's majority is about 700. This estimate is made at a late hour with nearly all precincts heard from. Fine weather, medium vote.

NEW HANOVER.
Wilmington, N. C., Nov. 8.—Hardly half the vote of New Hanover county were polled in today's election. Twelve out of thirteen precincts, the thirteenth being not obtainable to-night, gave for Parker and 73 for Roosevelt, Glenn 1,037, Winston 944. Few Republican State tickets were voted. The normal vote of the county is about 2,700.

Reports from Brunswick indicate that the regular county Democratic ticket is elected. Though it will require a canvass to determine who is elected between Curtis, the regular Democratic nominee, and Taylor, Republican.

Wilmington, N. C., Nov. 8.—When the missing precinct is in New Hanover's Democratic majority will be approximately 1,200.

PASQUOTANK.
Elizabeth City, N. C., Nov. 8.—Returns from twelve out of fourteen precincts indicate a probable Democratic majority of about 700 for all offices. Pasquotank. There was some scratching.

PERQUIMANS.
Hertford, N. C., Nov. 8.—The Democratic majority in Perquimans is about 300. By 395 Cox is elected to the Legislature. There was very little scratching.

JONES.

HARNETT.
Dunn, N. C., Nov. 8.—Harnett county will give the Democratic ticket a majority of 300.

WAYNE.
Goldboro, N. C., Nov. 8.—The election in Goldboro and the county passed off quietly. The State ticket in Wayne county will have a Democratic majority of from twelve to fifteen hundred. The county and Legislative ticket will have a majority of from ten to twelve hundred. At this hour, 11 o'clock, most all the townships have been heard from, and the above majority can no doubt but be correct.

GUILFORD.
Greensboro, N. C., Nov. 8.—The ten precincts out of ninety-seven in Guilford give Kitchin for Congress 1,845, Reynolds 877, as against 1,847 for Kitchin, 874 for Patterson two years ago. Same ratio makes Guilford Democratic by sixteen hundred majority. But little scratching for State and county candidates.

APEX.
Legislature, Democratic—Ellington 200, Stronach 202, Olive 210, Swindell 195, Republican—Terrell 78, Fowler 85, Terry 76, Barrow 72, County Officers—Page 209, Bernard 212, Williamson 203, Jordan 201, Atkinson 210, Hester 74, Farrell 74, Stevenson 87, Massey 77, Stanch 77. GASTON.
Gastonia, N. C., Nov. 9.—Gastonia is Democratic by a majority estimated at 200. There was but little scratching. There was a falling off in the total vote of fifteen per cent from nine hundred. It was a quiet election.

CHOWAN.
Edenton, N. C., Nov. 8.—A light vote was cast. Little interest was shown by Democrats, due to overconfidence on their part. No publicity was given to new registration and (Continued on Page Four)
