

COMMENCEMENTS

At Louisburg, Red Springs and at Mebane.

Many Distinctions are Won and Many Hearts Made Glad. Closing Exercises at Wakefield Began Last Night.

(Special to News and Observer.) Louisburg, N. C., May 23.—Yesterday the annual sermon to the graduating class of Louisburg Female College was preached by Rev. Frank Siler, of Statesville, in the Methodist church.

The sermon was preached by a fine musical program, making this feature of the occasion most enjoyable. The speaker took as his text a portion of the 1st Epistle of Paul to the Philippians, and his general subject was the youth in the Christian life, beginning as babes, developing into children and finally into full grown men.

Last night the graduates in the schools of Expression and Voice gave a recital to an audience that crowded the college to the doors. Misses Peletiere and May gave splendid evidence of their ability in a number of recitations. The recital reflected credit upon all the participants.

Board of Directors. This morning the commencement exercises proper were held in the college chapel. They were opened with prayer by Rev. H. B. Mashburn of the Baptist church. A hymn by the school followed. Rev. J. E. Underwood then announced that owing to the death of the late President Davis some changes in the management were necessary; and a board of directors was organized with himself as chairman and Mr. W. H. Ruffin secretary.

Appropriate resolutions were drawn relative to the death of the late president and will be published. Miss Kate Stiver read an essay upon "Our Native Authors," and Miss Maude Fleming, "The Evolution of the Domestic Science." Both were highly meritorious. Dr. Underwood then introduced in a few appropriate remarks Dr. Wm. E. Dodd, of Randolph-Macon College. His subject was the Constitution and the freedom and liberty allowed by that famous document.

Dr. Dodd is quite a young man in appearance, but old enough in his mental make-up. He is a native of Johnson county. The presentation of medals and diplomas followed—Rev. L. S. Massey presented the customary Bibles to the graduates in a few fitting remarks. Mr. W. W. Boddie presented the medal for proficiency in mathematics to Miss Annie Perry, and did it well. Mr. W. H. Ruffin, in well chosen words, presented the music medal to Miss Lizzie Clifton. Mr. W. H. Yarborough, Jr., presented the Latin medal to Miss Mary Lou Allen. His presentation speech was most admirable and none more excellent has ever been heard here. Musical selections were interspersed throughout the exercises, breaking the tedium of an otherwise monotonous. Rev. A. J. Parker, of Wilmington, pronounced the benediction and the morning session closed.

Tonight the annual concert closed the commencement of 1906. It was highly meritorious and enjoyable to music lovers. One of the best features of the entire occasion was the recital of Mrs. Laura Ballard's music class on Monday afternoon. This is the primary department, but the full program of twenty-three numbers was rendered in such style as to do credit to much older scholars. The program composed entirely of girls, with the single exception of Master William Winston. Mr. Winston played "Old Black Joe" with variations in such a manner as to evince the highest musical talent, he having only begun the study of music since last September. Of course nothing but the best is expected of girls, so this lone specimen of "mere man" in a big class of girls distinguished himself. The pupils all showed careful training at the hands of this painstaking instructor.

The pleasures of commencement this year have, of course, been tinged with sadness that the noble form and commanding presence of the dead president is to be seen no more. It is cheered by the thought however that everything has been conducted as he would wish and that the college, under its new president and the safe conduct of its board of directors will continue on its era of great prosperity.

LAST DAYS AT RED SPRINGS. Certificates and Degrees Won by Students at Southern Presbyterian College.

(Special to News and Observer.) Red Springs, N. C., May 24.—Commencement exercises at the Southern Presbyterian College here closed yesterday. The number of visitors has been large, and nothing has occurred to mar the pleasure of the occasion. Rev. J. M. Rose preached the annual sermon Sunday, Monday was taken up with the exercises of the Senior class. The art exhibit Tuesday was of such excellence that it won from all unqualified praise. The large audience assembled at night to hear the fourth quarterly concert. To lovers of music it was an occasion distinguished by charms that appealed to the most cultivated tastes. Wednesday the final day, unusually great numbers of people were present.

The exercises opened with Kretschmer's "Processional March," quo for organ and piano by Misses Sample and Jones, followed by the Lord's prayer, sung by the chorus class. Rev. H. G. Hill, D. D., led in prayer. Miss Mary E. Roberson sang "Land of Hope and Glory." The president of the board of trustees, Rev. W. F. Thom, presented the orator of the day, Hon. G. B. Patterson, who took as his

theme, "The Origin and Development of the College." It was a historical address, but was heard with unabated interest to the end. In ten years, the school had grown, he said, to be one of the largest in the South, with 24 teachers and about 400 pupils from 11 different States. At the conclusion of his address, Handel's "Hallelujah Chorus" was presented by the young violinists, Misses Margaret McNeill, Mary Murphy, Margaret Williams and Sophia Klutz.

President C. G. Vardell presented English, Miss Carolina McIntyre a Bachelor of Music to Miss Georgia Pearson, of Red Springs, and certificates of graduation in music to Misses Lillian B. Lindsey, of Greensboro, and Mary McNeill McEachern, of Red Springs. Miss Clara Smith received a certificate in the school of stenography and English; Miss Carolina McIntyre a certificate in English, and Miss Lila Rivers in stenography. The following received the degree of A. B.: Misses Polly McEas, Cornelia McDonald, Lillian Black, Grace McCallum, Jeanne Elliott, Sarah Shaw, Adelaide Murphy, Dora Dry, and the degree of B. L. to Misses Emma Bethes, Mary Yates and Ella Blythe, of Wake, and Dr. Underwood these diplomas the president gave each of the young ladies a Bible in a few appropriate and touching words. The long lecture doxology was then sung. The exercises pronounced the benediction and the tenth commencement passed into history.

HONORS WON AT BINGHAM.

Scholarships and Other Distinctions Awarded at the Mebane School. (Special to News and Observer.) Bingham School, Mebane, N. C., May 24.—At the commencement exercises of this school the University scholarship, worth \$50 in tuition and given to the student who attains the highest average in his studies, was awarded to Lenoir Thomas Avery, son of Hon. A. C. Avery, of Burke county. Mr. Avery was distinguished in deportment and scholarship during the year. The Washington and Lee University scholarship was given to Mr. Charles Carroll Burton, son of the late R. O. Burton, of Wake, and Dr. Underwood also made a speech of marked excellence in the final debate. The University of Tennessee scholarship was won by Mr. Thomas Hackney, of Wilson.

The Bible prize was won by Miss Emma Kerr Craig, of range, whose average for the year was 99.14 per cent. The Latin medal was obtained by Mr. Joseph Otto Frye, of Cocta Rica, C. A. The history prize went to Miss Susan Jane Chandler, who stood first in scholarship in school. The prize in a boy's school, however, Miss Chandler did not receive a scholarship. The "Mary Peyton Gray" essay medal, which is named in honor of the principal's mother, was obtained after a close contest by Mr. Odar Lee Baily, of Orange, whose subject was St. Paul. Mr. Richard Sugg, of Wilson, carried off the prize in science. The mathematics medal was won by Mr. Lee Davenport, of Pitt county, and the English medal by Mr. Samuel Anderson Lynch, of Orange.

This session the medal for the greatest improvement was won by Mr. Arthur Davenport, of Pitt county, and the prize for the second greatest improvement to Mr. William Hinton Andrews, of Orange county. In the athletic contest Mr. Walter E. Hutchins, won the "90 yard dash," "Putting the shot," "The broad jump," "The potato race" and the "high jump." Mr. William Ormond won the event of "throwing the baseball," and Mr. Nathan Barker, of "pole vault." Mr. Hutchins was fourteen points ahead at the end and won the beautiful athletic medal given by the principal and delivered to him by Prof. F. Brannock, of Mebane. Physical culture is required at the school of all who enter.

In the inter-school contest between the Kappa Theta and Phi Kappa Literary societies the judges awarded the Declaimer's medal to Mr. Samuel Jones Stephens of Moore county, whose declamation was "The Medal won by Brady." The orator's medal was won by Mr. Conral B. Wessell, of New Hanover, whose subject was "Americanism." The societies debated the question: "Resolved, That the Government should Regulate Railway Rates," and the medal was awarded by the judges to Mr. John A. McLeod, of Chapel Hill. The medals were delivered in an attractive speech by Rev. A. G. Dixon of the Protestant Methodist church. The music for the commencement exercises was furnished by the Bingham cornet band under the leadership of Prof. C. E. Redman, who has been the teacher of music for the past two years.

BYRD'S CONDITIONAL PARDON.

Kobre, Plean and Whitbeck Arraigned for Murder—Negro Loses Foot. (Special to News and Observer.) Winston-Salem, N. C., May 24.—Sheriff Alsbaugh received by mail last night from Governor Glenn a conditional pardon for the murderer, Byrd, from Wilkes county, serving an eight months sentence on the Forsyth county roads for cutting a man in Wilkes with a knife. Recently Byrd was taken ill with gonorrhoea, and he relates to him sent to the hospital for treatment. A few minutes after the sheriff received the pardon he was advised that Byrd had left the hospital going off wearing another man's clothes and shoes. The officers do not believe that Byrd intended stealing the clothes. He perhaps took them to keep from being detected as he would have been in his suit of stripes.

The first meeting of the creditors of the Elkin Chair Company which recently went into bankruptcy, was held here today. R. L. Lewellyn of Alken, was elected trustee, and it was decided to sell the plant at Elkin including stock on hand, machinery, etc., on June 30.

Espeie Gray, colored, aged 18, had his right foot cut off at the ankle by an incoming freight train on the N. & W. road at noon today. Gray, who was employed at the Southern Chemical Factory, was going to dinner and attempted to board the train which was running slowly. His head bumped against a box car and he lost his hold falling to the ground. The right leg dropped across the rail and one or more car wheels ran over the ankle, cutting it off.

In the Superior court this morning Sam Kobre, Will Plean and J. E. Whitbeck were formerly arraigned for the murder of Henry Kobre, on January 1st last. The trial was set for next Monday and a special venire of 125 men was ordered.

Julius Farish, colored, indicted for burglary, was also arraigned today, and his trial was set for Saturday morning. A special venire of 25 men was ordered.

remuneration, he said he belonged to the veterans association of the P. & W. division and held the position for that reason. Mr. Patton admitted, however, that he was responsible to the railroad for the proper performance of the agent's duties. Mr. Patton said he is president of the Atlantic Crushed Coke Company. He was asked if that company was not originally the Atlantic Coal and Coke Company. He said it was not, but the property was the same.

"Originally owned by Knappenberg and K-m-p, was it not?" asked Mr. Glasgow.

"Yes." "Why did they sell out?" "I don't know."

"I bought four bonds and paid \$2,000 for them." "And your holdings of 200 shares were increased to 400?" "Yes."

"What did you pay for the additional stock?" "I said for the bonds and that gave me the stock."

Mr. Patton also testified to holding interests in the Huron, the Luceaco, the Keystone and the Howard Gas Coal companies, which he had acquired through the purchase of bonds upon the organization of the companies.

Counsel for the railroad stated that Robert Pitcairn, assistant to the president at Pittsburgh, did not care to appear without process. Mr. Glasgow said he was indifferent as to whether Mr. Pitcairn testified. Counsel for Cokerrell said that if Mr. Pitcairn was willing to allow the record made up against him by the commission's reports to stand without further explanation it would be regarded as a correct statement.

Frederick Frooman, an assistant trainmaster, told the commission that he had received gifts of money in amounts from \$5 to \$0 from various coal companies for favors which he did not grant.

The commission today received a process server who went to Irwin, Pa., the home of Congressman George F. Huff, who, it has been repeatedly testified made gifts of stock in various coal companies to railroad officials. The telegram stated that the officer was unable to serve the subpoena upon Col. Huff as the latter locked himself in his house and evaded service by escaping by way of the cellar. It was learned later that he had left town.

Apex Tobacco Prize House.

(Special to News and Observer.) Apex, N. C., May 24.—A large tobacco prize house will be built here by Mr. A. B. Hunter for the purpose of accommodating buyers for the larger companies, and he has given the contract for building this to Mr. R. P. Coffield, one of Apex's excellent contractors, who will erect a building 40 by 90, two stories high, the work to begin in a few days. This building has been rented to Mr. C. P. Sellars, buyer for the American Tobacco Company, for a term of four years, and will be ready for the coming season. Mr. C. P. Sellars will come from Raleigh to buy on this market.

EDISON AT LINCOLNTON.

Several Veins of Scholtz Discovered in That Section—The Inventor Will Use This to Lighten Electric Batteries.

(Special to News and Observer.) Lincolnton, N. C., May 24.—Mr. Thomas Edison and party of five people arrived here today traveling in a private car from Washington, New Jersey. He expects to be in Lincolnton and the surrounding country about a week.

Near here the world's greatest inventive genius has several prospectors at work, and they have discovered several veins of the rare metal cobalt with which he will be able to reduce the weight of his new battery fifty per cent. The representative men of the town have met Mr. Edison and a reception will be tendered him at the Commercial Club so as to give our citizens an opportunity to meet the greatest inventor of the age.
