A New Business Year Has Begun

Everybody who knows this store knows that it is different from all others, that its merchandise is

RICHMOND,

different, that its methods of doing business is different. Everybody is struck with the one thing, namely, that it is alive, and aggressive.

It is a healthy store. It throbs with business, just as your arteries are throbbing with life. Any one who makes his own way in the world must be alert and alive. A store may run along by copying and limitating, but if it chooses to cut its own path it must do as the pioneers did—work. It must take

This store has out its own path ever since it started. It is cutting its own path today. It thinks and acts and does things different and better than most stores, that's why it is different and better. What it has done in the past is only an earnest of what it will do in the future—not an illustration. We have plans in mind and goods coming for the new season that will work wonders—that will further enhance the reputation and prestige of this store—that will bring about a far greater business than we have ever enjoyed.
