Priestley's Cravenetted English Mohair Suits \$12.50, \$18.00, \$22.50 for Ready-to-wear--\$22.50, to \$30.00 for-to-measure.

Men are appreciating the comfort of Mohair Attire. They no longer look upon it as a "Grandfather Material," or for office coat only—they have taken it smart, cool, fetching fabric for their SUMMER COMFORT" suit, for wear either city or country. They have realized its comforts in tropical weather and have given it their unqualified endorse wearing suits made from it during that period.

Their lightness in weight, their erispness in handle, their coolness and dressy appearance, and indistinctive bility through rain, dampness or other atmospheric condition, have made PRIESTLEY'S "CRAVENETTED English Mohairs the ideal fabric for Summer Suits for wear by profession at and business men. Prestley's "Cravenetted" English Mohairs are made from the yarn up f or the purpose for which they are intended, that is, for Men's Summer Clothing, and the "Cravenette" process gives to them that quality which they required to make them satisfactory for such wear. The "Cravenette" process renders them impervious to dampness of any kin

"Cravenetted" Mohairs are as mannish in style as worsteds, their coloring the same, their texture lighte They are thin, cool, extremely serviceable, and will wear better than other light weight clother Our line contains many beautiful styles and colorings which are identical with those being showner-chant tailors in the West End of Loudon.
