

MUST BE GOOD HUSBAND

A CONDITION ATTACHED TO PARDON OF SURRY PRISONER.

S. C. Jones, White Drunk, Had Assaulted His Wife With a Deadly Weapon. But Now Suffering With Rheumatism He Is Released After Eight Months But Must Be a Good Citizen.

Governor Kitchin yesterday granted a conditional pardon to S. C. Jones, of Surry county, on condition that he be a kind husband, keep sober and be law-abiding, the sheriff of Surry being enjoined to keep an eye on him.

The reasons for the pardon by Governor Kitchin are as follows: "Prisoner, while drunk, assaulted his wife with a deadly weapon, plead guilty and was properly sentenced to the roads. Owing to his health, suffering with rheumatism, and as asthma he could not work, and has been in jail for about eight months. The judge, the solicitor and many citizens, upon request of his wife, and owing to the condition of his health, his professions of repentance and reformation, recommended a conditional pardon. I, therefore, pardon prisoner upon condition that he return to his family, be a kind husband, abstain from the use of intoxicants, remain sober, of good conduct, and a law-abiding citizen. The sheriff of Surry county is enjoined to report to this office any violations of the above conditions.

BEFORE JUSTICE STRONACH.

Captain J. M. Fleming Acquitted of The Charge of Exceeding the Speed Limit—John Bennett Ordered to Leave Town, and He Left.

There were two cases tried in the Raleigh police court yesterday. The case against J. M. Fleming, for exceeding the speed limit, was postponed, being set for trial next Saturday afternoon. Captain J. M. Fleming, was before Justice Stronach yesterday, being charged with exceeding the speed limit on Sunday afternoon, at which time his auto ran over Master Leonard Aiken. Captain Fleming, when put on the stand, stated that he did not know that he was exceeding the speed limit, that he had no intention of violating the law. He said that he could not state at just what speed his machine was running. Several witnesses were examined in this case, but when the evidence was taken, it was not found sufficient to convict, as no one could state positively just how fast the defendant's machine was running. The case was dismissed. The speed limit in the city is six miles an hour.

John Bennett, white, was up for systematic begging on the streets of Raleigh without permission. This defendant was an old man, in crippled condition, using a stick and crutch. His method of obtaining money was to sell, without permission, packages of court plaster, not worth more than a penny or so, for ten cents. The defendant pleaded guilty, and on account of his age and condition, and it was supposed that he had left town.

EXCURSION FROM FRANKLINTON

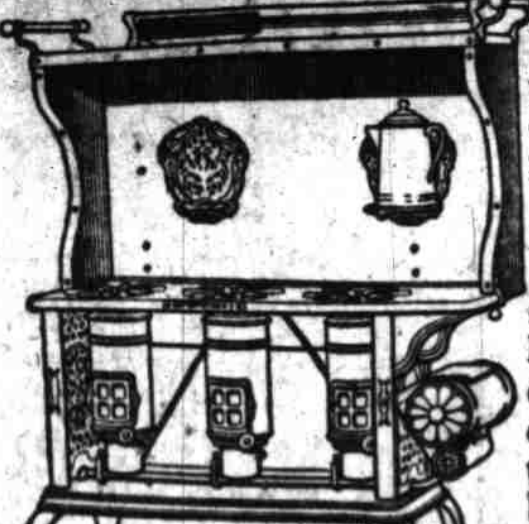

Two Sunday Schools of That Place Picnic Here Yesterday.

The Baptist and Methodist Sunday schools of Franklinton ran an excursion to Raleigh yesterday, bringing a large crowd of visitors to the city. After arriving here the day was spent in seeing the sights of the Capital City. The happy crowd had dinner in Pullen Park and then true picnic style. There came with the party Mr. R. B. White, superintendent of the Baptist Sunday School, and Mr. E. G. Chestman, superintendent of the Methodist Sunday School. There were from 600 to 800 in the party, eight coaches being used.

Death of Mr. S. G. Wooten.

(Special to News and Observer.) Elizabethtown, July 7.—Mr. S. G. Wooten, aged 13 years, son of ex-Sheriff S. G. Wooten, died at his home in Clarkston. The interment was in the Presbyterian church yard at Clarkston.

You Will Need an Oil Stove

When warm days and the kitchen fire make cooking a burden—then is the time to try a New Perfection Wick Blue Flame Oil Cook-Stove. Marvelous how this stove does away with kitchen discomforts—how cool it keeps the room in comparison with conditions when the coal fire was burning. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is the only oil stove built with a CABINET TOP for holding plates and keeping food hot after cooking. Also has useful drop shelves on which to stand the coffee pot or teapot after removing from burner. Fitted with two nicked racks for towels. A marvel of comfort, simplicity and convenience. Made in three sizes—with or without Cabinet Top. If not with your dealer, write our nearest agency.

The Rayo Lamp Just such a lamp as every one wants—some enough for the parlor; strong enough for the kitchen, camp or cottage; bright enough for every occasion. If not with your dealer, write our nearest agency.

Standard Oil Company (Incorporated)

FOR LIGHT AND WATER

THE CENTRAL HOSPITAL NEEDS ARE DISCUSSED.

Two New Buildings Will Be Ready For Use By July Fifteen—Goldsboro Hospital as Commission for Another Building.

The needs of the Central State Hospital for the insane and epileptics at Raleigh in the way of lights and water, the progress being made in the erection of the new buildings now going up, and the call from the State Hospital for the colored at Goldsboro were all matters discussed by the State Hospital Commission at its meeting here this week. The Commission ordered that advertisement be made for contracts for water and lights.

The larger part of the meeting was taken up with a discussion of the best plan of lighting and heating the new buildings being erected at the hospital here. In this there were two plans considered, either to make a contract with the Carolina Light and Power Company, of Raleigh, to furnish light, or to install an electric plant at the hospital. The power and light company says it can furnish light cheaper than it can be produced at the institution, and as yet no estimates of the cost of a lighting plant has been received. The present buildings are lighted with gas, and this costs \$4,000 a year. No decision was reached in the matter and temporary arrangements will be made for lighting the new buildings, twelve in number.

The matter of the water supply to be used was also discussed in detail, the Commission desiring to inform itself whether it would be the best to install a complete new plant, or to take water from the Wake Water Company, which furnishes water to Raleigh. The city gets its water from Walnut creek, and a large part of this creek passes through the State Hospital lands, though the intake of the Wake Water Company is on land purchased by that company some years ago. There has been some controversy as to whether or not the hospital could take water from Walnut creek. The Wake Water Company for some time holding that it could not, but later receding from that position, while the Attorney-General has given as his opinion that the hospital could take water from Walnut creek. The water at the State Hospital now costs \$2,500 a year, and the directors of the Hospital say that Walnut creek will furnish all that is now needed for both the city and the hospital. There has been a survey made by experts, and an estimate made of the

cost of a pumping plant by direction of the commission.

The commission, while here, looked over the new buildings and the contractors promised to have two of these ready by July fifteenth, the others by August first. There are twelve new buildings in all and water mains have been laid to connect these with the main supply. Of the buildings to be ready by July fifteen one will accommodate one hundred women, and the other is a three building section of the colony-plan. The furniture and equipment for the buildings will be here by the time they are ready for use.

The Commission had under discussion a call from the Eastern Hospital, colored, at Goldsboro for a new building for the insane, the request being for accommodations for 150 more patients. In his statement to the Commission, Dr. Falson, the superintendent, says that he finds a great increase in inmates among the negroes. At the Eastern Hospital all the new buildings heretofore asked for have been completed.

In regard to the Western Hospital at Morganton, the Commission says that its understanding is that the work done there by the Commission seems to satisfy the officials, who at present are only asking for the construction of a spur railroad of about a mile in length to be used in having supplies brought in. It now costs the hospital about \$1,500 a year to do the necessary hauling, and it is estimated that the spur railroad track can be built for about \$15,000.

STATE ELECTION BOARD

THREE OF THE PRESENT MEMBERS ARE REAPPOINTED.

Governor Kitchin yesterday appointed the members of the State Board of Elections, these being: Messrs. Wilson G. Lamb, of Williamson; J. D. Elliott, of Hickory; J. C. Clifford, of Dunn; A. B. Freeman, of Hendersonville, and Clarence Call of Wilkesboro. The first three are Democrats, the last two being Republicans. The new members are Messrs. Clifford and Elliott, who succeed Mr. R. T. Claywell, of Morganton, and R. L. Smith, of Stanley. Mr. F. W. Hanes, of Yadkinville, is in the city.

ON TO THE ENCAMPMENTS

SCHEDULE OF DEPARTURE AND ARRIVAL OF MILITIA.

Second Regiment Has First Encampment, Third Regiment the Second and First Regiment the Third, the First of the Encampments Beginning on July Eight.

The North Carolina National Guard will this week begin the series of three encampments which are to be held at the State camp grounds near Morehead City. THE CROPS NEED RAIN.

No Says a North River Farmer While Everywhere Else Too Much Rain Is Injuring Crops. (New Bern Journal.) Mr. W. B. Hilly, who moved from Bridgeton to North River, just below Peaufort, was in the city yesterday and says that crops are very promising in his section, but that the dry weather had done some injury. "Think of it, and it has been raining here nearly every day since the first of June."

GREENVILLE'S POSTAL GROWTH

Now Banks As Second Class Postoffice—Should Be Entitled to Free Delivery Next Year. (Special to News and Observer.) Greenville, N. C., July 7.—From Postmaster C. Phelan the following figures have been obtained of the receipts of the Greenville postoffice: For the year ending March 31st, last, the total was \$8,467.78. This entitled Greenville to rank as a second class postoffice, and it was placed in that class beginning July 1. The receipts for three months—April, May and June—1909, compared with the same months of 1908, are as follows:

Table with 2 columns: Month, 1908, 1909. Rows: April, May, June, Total.

will be entitled to free delivery of mail in another year. In contemplation of this Congress has already made an appropriation of \$10,000 for the purchase of a public building site here.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

SCHOOLS AND COLLEGES.

ELON COLLEGE BOARDING HALL

OPEN TO SUMMER BOARDERS. A quiet, healthful place for rest and recuperation. Bath and toilet rooms on each floor. College library and reading room open to guests each day. Rates: \$15.00 per month (\$4 weeks), \$5.00 per week, \$1.25 per day. For further particulars address REV. J. W. WELLS, Elon College, N. C.
