obvious

regulars for their duplicity towards. the public, Dolliver is the orator of the Senate and in his senantional wpeach today, he was at his best. In a three hour argument, eloquent and watirical, he sought to turn fair-mindad men against the "stand patterg" brigade that runs the Republican party. People who are able to read whould lose no time in writing their sensiors and congressmen for copies of this great speech.

Here is a Dolliveresque way of stating that the tariff was not revised downward: The truth is that inst gear witnessed two events of world-wide. Interset, and significance. The Discovery of the North Pole by Doctor Cook and the Revision of the Ameri-can tariff downward by the Senator from Rhode Island (Mr. Aldrich) scah tot them unhappily infro-duced to the favor of the American multical by Mew Torkers. Their father, U nited States Mfftshal Jack Abernsthy is about the proudest father in the country. After he met his the same in about the proudest father in the country. After he met his the same in show they are body the senator from Rhode Island (Mr. Aldrich) scah of them in itself a unique hoar and both of them unhappily infro-duced to the favor of the American public he the lishest official congratu-Butons. downward: "The truth is that last and both of them unhappily intro-duced to the favor of the American public by the hisbest official congratu-intons."

The Senator from Iowa did not spare the President, and his writtenam of the executive was stronger than anything that has come from the Democratic Senators.

Here is what he said of the Republican congressional campaign commit-tee and its chairman, Congressman McKinley, of Ohio:

"If these who were unable to vota o make the Republican support of the artiff set of 1909 unwnimous have
