Ecsema, Acre, Totter, Poison Oak, Pimples, etc., show that some unhealthy humor or acid impurity is dissessing and corrupting the circulation. So that instead of supplying nourishment and strength to the akre, it is continually pouring out its acid and unhealthy accumulations. Salves, wastes, lottons, and other external applications, may relieve some of the itching and other discomforts caused by skin diseases, but such treatment has no effect on the blood, where the sent of irritation lies, and therefore cannot cure. A thorough elsensing of the blood is the one and only cure for skin diseases; every particle of the cause must be driven from the circulation. S. S. S. Is the best and quickest remedy, because its is the greatest of all blood purifiers. It goes into the circulation and removes every particle of humor, whether it be an injection of poisonous plants, or trees other causes, and makes the blood stream pure, rich and healthy and causes in to scothe, sottes and neuron the skin instead of irritating and diseasing it with flary humora.
