NOW IS A SPLENDID TIME TO ENTER GIGANTIC VOTING CONTEST

This publication of votes represents the standing of candidates up to 12 o'clock noon, of Monday, April 1. It does not include any of the extra votes given for properly answering questions and does not include any of the extra votes won on the 10,000 extra vote offer. Special certificates are issued on such business. The 10,000 extra votes are being mailed to successful contestants today.

This score represents only the number of daily ballots cast since the last publication, and, in cases where contestants sent them in, 5,000 certificate votes.

All daily ballots received since Monday noon will be credited in the next publication of scores
