hall, fourth officer of the Titanic, said that his duties always consisted of assisting the senior officer in Smith. charge. He described the journey

of the Titanic from Belfast to Southampton.

"Were there any drills or any inspection before the Titanic salled"
asked Senator Smith.
"Both," said the witness. "The
men were mustered and the life
boats lowered in the presence of the
inspectors from the Board of Trade."
"How many boats were lowered?"
"Just two. sir."

"Just two, air."
"One on each aide of the ship?"
"No, sir. They were both on the time aide." The witness, said he d not know whether the lowering tackie ran free or not on that oc-

"In lowering the life-boats at the seat did the gear work satisfactorily?"
"He far as I know."
At the time of the tests all the discers of the Titanic were present.

"Were there any life boats on the Stante not sufficiently fastened and in position to be lowered?"
"All of them were, 14 life boats,

Boxhall said that under the weath-

The application of the right of the remaining those of the remaining those of the right of the remaining those of the remaining those of the remaining the remaining those of the remaining those of the remaining those of the remaining those of the remaining the remaining those of the remaining the remaining those of the remaining those of the remaining those of the remaining the rem that this is a government of the people by a representative part of the people. Look at his representative part. Boss Barnes, Aldrich, Guggenheim, Lorimer, Penrose. But larimer and Penrose are less repreentative than they were cople in Illinois and Per Pennsylvania not a chance at them. States we appealed to our representative part, the people themselves and we haven't got through count-And so it will be in Kansas. And so I understand it will be in grand old North Carolina. Every one should have a chance to live a life that will lend to its uplift and laws should be directed so as to be for the interest reperation. We should shape tion of State and national laws

tike so that in future this shall be

a government in a country where

saving that in North Carolina I am

the grandfather clause." (Laugh-

ter and applause) "But these multi-millionaires and standuatters are fighting against the future of their own children, for so demonstrated by my acts as by my sure as there is a sun above us those words. I am glad, real and truly glad sure as there is a sun above us those who are striving for eternal universal justice are striving to secure it fighting us now and trying to deny This country will not a good place for any one to live in twenty years from now unless we make it a good place for all to live is the best element of success, but it cannot be exercised unless every mun and every woman is given a chance under the law, and for saying this my opponents will call me an anarchist, but this is what I have been preaching everywhere, and if it is not sound citizenship I don't know what is. They call me a dictator. I never dictated to the per ple, nor to Congressmen who directly represented the people, but while I was President, I did dictate to the Senators who represented the people in theory, but the bosses and pluto-erats in practice, I did dictate to, them, and I'll do it again, That part of the press which belongs to these bosses and plutocrats are right in fighting me now as in the past, for surely hurt them when ome again. For to all interests that thrive on swindling the people, by fraud or by monopoly or by stealth of legislation, we'll certainly sings them when we come to the people's own in this government. He recounted the history of the Panama canal, answering the charge that he had violated the Constitution and closed by saying that where there was no prohibition in the law, he believed of no avail is a source of the deepest sorrow. But the accident was un favor of Uncle Sam and he would do it again. For the spirit of the law avoidable."

A Belated "Concern" for the Crew Mr. Franklin volunteered a statement relating to criticiams of the White Star Company for atempting to the Constitution and said while after the support of Democrats as the Constitution and said while after the would embark upon a determined to the would embark upon a determined to the would embark upon a determined to the support of Democratic Again. that all doubts should be solved in favor of Uncle Sam and he would do

CONSUMPTION OFTEN DEVELOPS FROM PNEUMONIA.

Consumption readily attacks those who have had Pneumonia. Many sufferers from Tuberculosis give a littory of having but Pneumonia. The busys thus weakened are more ensity attacked by the germs that

cause Consumption.

For all those with "weak lungs," especially those who have had Pneumonia

stand behind the formula of law but give us nothing when we ask for re-lief. When the Titanic went down England, Germany and other countries will give a pension to every widow of sailors lost. But in New York no such allowance will be made, for a few minority judges declared unconstitutional the New York majority people's compensation act, and not a dollar can these widows get were that a New York vessel. These judges are good, elegant gentlemen but they do not know life, not one of them possibly is personally acquainted with a laboring man. I call that travesty of justice. I am for justice and I am for taking such steps to get it for the imajority as well as for the minority. I claim that the people are better able to say how justice can come than any small select body of men shall say how it shall come and if that be treason make the most of it.
I have a right to advocate the rule of the people. I have so done for a generation and for generations to come I hope it will be my heritage to be able to say these things here in North Carolina, in Greensboro on sacred soil of liberty loving people. whose forefathers made the Mecklen-burg declaration, Guilford Court House and Alamance battles of the Revolution so glorious in the birth of our independence. Not genfive years from now. Character eral independence, but personal independence individual liberty, a fair cannot be exercised unless every chance f r every one in this broad ountry then, in this universal brotherhood of peoples of the earth today. I have my belief in the safe future of this country and I know it will be safe in the hands of the majority of such a fine example of this country's

unselfish citizenship." Immediately following the speech. the procession proceeded to the State Normal College, where Colonel Roose velt made a brief but splendid address to the six hundred women students of the college. From here Senator Dixon took the distinguished guest to his alma mater, Guilford College, and from there to the historic Guilford Battle Ground mix miles dis-

Returning, a reception was held at se Benbow Arcade on Elm street. Hundreds pressed forward to greet the ex-President From here he went the McAdoo Hotel, where he was in retirement until going to his special train at eight o'clock. He was taken to a siding leaving for New York at
