She and her husband, a son-in-law of Dr. A. W. Curtis, of Southern Pines, long a resident of Raieigh, have been missionaries in Japan for twenty-one

years and will be remembered by many for their interesting accounts of mission life during a visit to this city some years ago. She was a woman of rare ability, and devotion to work among Japanese women and children. Her husband an eleven-year-old son, and five-year-old daughter, and a wide circle of friends mourn her loss. She was the author of many beautiful poems, and the compiler of "Comforting Words for Sorrewing Mothers."

A. & M. Cômes Home from a Tri-umph in the North Last Week. The A. & M. boys are back home

from a triumphant trip of last week in which they won the entire five

games played while away.

They did not play in Greensboro on account of rain, but went to Lexington and cleaned up Washington and Lee with Moran, the great lefthander, pitching against Robertson. They beat Delaware, Mount St. Mary's, Catholic University, George Washington University and Lehigh. Every pitcher distinguished himself and there were some great games. Last night the students resumed a serenade and had a jollification in honor of the team, It was a great record for a week. There are several sames to be played on the home grounds now and one of the hopes is that there will be a rubber with Wake Forest.
