NORTH CAROLINA'S REPRESENTATION

Tar Heel State Making Preparations for National Congress on Hygiene and Demography at Washington

(Special to News and Observer.) Washington, D. C., May 9.—Active preparations are being made by the State of North Carolina for its share in the Fifteenth International Congress on Hygiene and Demography, which meets in Washington, September 22-28, 1912, under auspices of the United States government.

Officials of the congress at headquarters in the national capital, have received report of the meeting of the North Carolina committee, with Dr. W. S. Rankin, secretary and treasurer of the North Carolina State Board of Health, as chairman. At this meeting it was decided that Dr. Rankin should prepare an exhibit on vital statistics and public health literature; that Dr. John A. Ferrell should be appointed to prepare an exhibit on hookworm disease and medical inspection of schools; that Dr. B. McBrayer of Asheville, be appointed to prepare an exhibit on municipal sanitation; Warren H. Booker of the State Board of Health, have charge of an exhibit on water supplies; Dr. C. A. Shore be requested to prepare an exhibit on Pasteur work and diphtheria anti-toxin; Dr. R. H. Lewis, on tuberculosis, and Dr. G. Floyd Rom of Greensboro, on health work.

It was also agreed that the July, August and September bulletins of the State Board of Health should carry articles on the Fifteenth International Congress on Hygiene and Demography, to enlist the public health interests of the State in the meeting. The North Carolina committee thoroughly concurs in the recent statement made by Dr. John S. Fulton, secretary-general of the congress, in which he emphasized the importance of the forthcoming meetings to municipalities in the country, as follows: "The broad international scope, the distinguished character of the foreign representation, the governmental auspices under which it is held, all insure that this forthcoming event will be the most important and impressive of its kind ever held in this country. To be in attendance at the congress, therefore, will be an opportunity for obtaining a new viewpoint with respect to public health which, after next September, will, in all likelihood, not occur again in this country within a generation. Failure to attend on the part of a public health man will constitute an injustice to himself and a misfortune to his locality."

Officers of Section VI will be Dr. Frank F. Westbrook, professor of pathology and bacteriology, University of Mississippi, vice-president; Dr. John N. Hurty, secretary of the State Board of Health of Indiana; Dr. Charles V. Chaplin, superintendent of health, Providence, R. I.; secretary; Dr. Herbert B. Potts, New York; and Dr. Marshall B. Fries, secretary of the State Board of Health of Maryland.

HOMICIDE IN YANCEY COUNTY.

Asher Hall Shot and Killed a Young Man Named DeWitt Hunter. (Special to News and Observer.) Asheville, May 9.—Information has reached the city of a homicide that occurred in Yancey county Monday night at Booneford on the C. and O. Railroad, near the Mitchell line in which Asher Hall, a young deputy sheriff, shot and killed DeWitt Hunter, the twenty-year-old son of McD. Hunter, a prominent merchant of Booneford. It was said that young Hunter was drinking and his father, asked Hall to take charge of him; that Hall went to Hunter's store, where the boy was, but had left. Again asked by the father to take his son in custody he returned to the store when young Hunter grabbed a shotgun and attempted to lead it. Then it is said, Hall fired, the ball taking fatal effect. He surrendered to the officers.

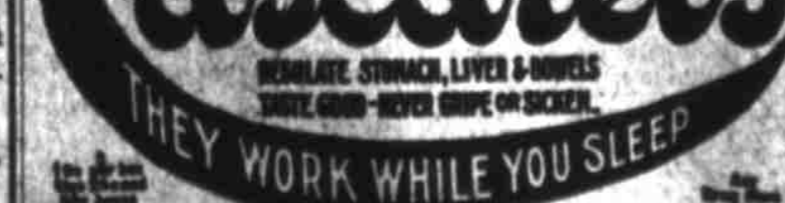

FOR SICK HEADACHE, SOUR STOMACH, LAZY LIVER OR SLUGGISH BOWELS.

Turn the scales out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then you will feel great.

A Cascaret tonight will straighten you out by morning—a 10-cent box means a clear head and cheerfulness for months. Don't forget the children—their little insides need a good gentle cleansing, too.

REGULATE STOMACH, LIVER & BOWELS. MAKE GOOD—NEVER GRIPE OR SICKEN. THEY WORK WHILE YOU SLEEP.

Healthy Mothers

Women who bear children and remain healthy are those who prepare their systems in advance of baby's birth.

Women who bear children and remain healthy are those who prepare their systems in advance of baby's birth. It is not the mother's system that is the main factor in the health of the child, but the mother's system in its preparation for the child's birth. A woman who is healthy and strong at the time of her child's birth, is more likely to have a healthy child. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores.

Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

REPUBLICAN ROW IN WAKE COUNTY

Mr. Lester F. Butler Hands

L. Harris To the Editor:—I notice in your paper of Tuesday that Mr. J. C. L. Harris has sent out a call for the convening of the "Republican County Convention of Wake County" on May 13th, to consider some matters which they forgot to attend to at their former meeting. I presume this call is intended for his "bolting" element of the party.

I also note your article stating that Mr. Harris has invited me and others who "broke him" at the former meeting, to attend. I have not yet received Mr. Harris' invitation. But I will say right here that I did not curse Mr. Harris, nor any one else, but I did hear him call another delegate "a damned liar" at the former meeting, to attend. I have not yet received Mr. Harris' invitation. But I will say right here that I did not curse Mr. Harris, nor any one else, but I did hear him call another delegate "a damned liar" at the former meeting, to attend. I have not yet received Mr. Harris' invitation.

I had expected that the next convention Mr. Harris called would be a Democratic one, as he seems to affiliate with the Democrats at one meeting and with the Republicans at another. I have taken the oath that he is a Republican, while he has taken the oath to support the action of a Democratic primary. In fact, it was only last year that Mr. Harris got furious when the pollholder questioned his Democracy.

But getting back to that "bolting" convention, their whole proceedings were irregular and out of order, and will not stand before the Republican congressional and State conventions. There was a motion before the house to adopt the report of the Credentials Committee, and the motion had received a second, but the motion had not been voted upon when Mr. Harris hurriedly left his seat on the floor of the convention and proceeded even more rapidly to the rostrum to take charge of the convention by his corpancy. While Mr. Harris was enroute to the spectrum to take charge of the convention, Mr. Chas. J. Wilder made a motion to make Mr. Harris chairman of the meeting and seconded his own motion, and Mr. Harris halted just in time to declare it carried, and then proceeded to put motion and declare them carried in real "rough house" style.

There is no one who is at all familiar with parliamentary usages that doesn't know that another motion cannot be put before the house and declared carried, when there is already a motion, that has received a second, still pending before the house. Mr. Harris' faction claimed the members of the Credentials Committee knew ahead of time that they would be appointed, when there is already their minds what they would do. This is absolutely untrue, and they threw out only the credentials that had been "taken" up after the date of the primary, and where no primaries were held. Of course no honest Credentials Committee would accept irregular and fraudulent credentials. Mr. Harris and his followers had as well admit that they bolted the convention before the vote was taken on the report of the Credentials Committee, because they knew that your numbers and knew that the vote on the report of the Credentials Committee would clearly demonstrate that fact. I have offered to abide by the decision of the convention. Why didn't Mr. Harris and his followers offer to do the same? It was for the reason that they went into the convention for the purpose of breaking up a row if they saw they could not control it. They did not succeed in doing either. The congressional and State conventions will finally settle the matter, and not Mr. Harris.

HOW THE QUITTER INDICTS HIMSELF

And Shows That He is Less Than a Man; a Quitter's Repentance Who Furnished One of the Finest Chapters in Bible; President Barrett's Talks to Farmers Union

To the Editor: With the Farmers Union at his side, Barrett, the "quitter" indicted himself as less than a man, and works injustice to himself and his children. Peter was once a "quitter" but his repentance is one of the finest chapters in Biblical history.

To the Officers and Members of the Farmers Union, I want to say a few words of brotherly admonition to them. For with the organization stronger than at any time since founded, it gives me cause to fear that some of our members are turning their backs on their advantages.

It may be that you quit because the order didn't revolutionize the earth a month after you joined. You forget that tremendous armies are marching down the earth, and it is your duty to the little rural people to hold up the banner of Florida, and the people by calling their bodies one on top of the other. You forget that with and ignorance that has been committed in accumulating can't be wiped out in a day or a night.

It may be that you quit because when you entered the organization, you were full of ideas and you want it all in the first few months without getting the teaching on the ground and then you quit. You forget that the people are not to be ruled by a few short-sighted men, but that they should be ruled by a few long-sighted men who have distributed wisdom and knowledge in one great word, and you don't have any left to give the people and realize that the organization is an organization, and you are not to be ruled by a few short-sighted men, but that they should be ruled by a few long-sighted men who have distributed wisdom and knowledge in one great word, and you don't have any left to give the people and realize that the organization is an organization, and you are not to be ruled by a
