[illegible]

What of the Future

[illegible]

The Early Waltz

Dancing masters say that there is [illegible] dance farther than the [illegible] introduction of the waltz [illegible] about the year 1816, to [illegible] most surprising features of the evolution of social dancing, and [illegible] plain that the waltz, [illegible] considered a dignified member [illegible] dance family, has a lot to answer for. It starts with almost as many [illegible] to its [illegible] charge [illegible] chief of these was the fact that it was the first "duet dance" ever to exist. The first dance [illegible] put his arm [illegible] keep it there [illegible] end of the [illegible] whether it lasted five [illegible] fifteen.

[illegible] the new dance [illegible] social horror. In [illegible] with [illegible] fore- [illegible] the dowdy matrons who [illegible] the waltz [illegible] the first and continued to do so every time they [illegible] London [illegible] continued [illegible] the [illegible] society in [illegible] of the [illegible] months. [illegible] and time [illegible]
