WEAK HEART

Many people suffer from weak hearts. They may experience shortness of breath on exertion, pain over the heart, or dizzy feelings. Upgraded breathing apparatus or therapy helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take on the proper elements from the food, thereby helping digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms. Stops excessive tissue waste in convalescence from fevers; for the run-down, anemic, thin-blooded people, the "Discovery" is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all "just as good" medicines offered by the druggist who is looking for a larger profit. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good.
