PITCHED BATTLE AT WAKE FOREST

C. T. Pickinton and Family Resist Arrest and Sheriff's Posse Opens Fire

Wake Forest, Feb. 27.—After a warm battle between the police officers, aided by a score of citizens, and C. T. Pickinton, aided by the members of his household, about 1 o'clock this afternoon in the cotton mill district of Wake Forest, Pickinton was arrested and placed in the city lock-up. Both sides received wounds in the fray, but Pickinton has some six or eight No. 4 shots in him now. His father-in-law and two of his brothers-in-law are also in jail. All are charged with resisting officers and will be given a preliminary hearing in the morning before Justice J. C. Caddell.

Thursday night, Pickinton went to the cotton mill and refused to leave when he was ordered off the property. A warrant for trespassing was issued for him. Police-man S. P. Mangum attempted to serve it about 8 o'clock this morning and was ordered from Pickinton's house. Pickinton said he would die before he would be taken and would kill any policeman who came there. Deputy Sheriff Timberlake was sent for and when he reached Pickinton's house, guns were drawn on him by both Pickinton and his wife. The deputy then called up Sheriff Sears of Raleigh for reinforcements. The sheriff ordered him to take all precautions, but to summon enough men to take the man.

Deputy Timberlake and Chief Holbitt, accompanied by about a score of citizens armed with shotguns and pistols, again went to Pickinton's house. Pickinton came out on the porch and fired a shotgun at the officers. The officers shot and also several of the members of the posse. Shots came from within the house also, so the reports go. Four or five shots took effect in Pickinton's body and one hit Deputy Timberlake in the left leg. Neither is seriously injured, however.

Pickinton is a young man about 25 years old. He and his people came from Clayton a week ago. They were employed in the cotton mill. None of them are able to give bond.

NEW BANK ORGANIZED BY STATESVILLE MEN

Shareholders Hold Meeting and Elect Officers and Directors—Loans On Real Estate To Be Featured.

Statesville, Jan. 27.—The Peoples Loan and Savings Bank of Statesville, the fourth bank for the town, was formally organized at a meeting of the shareholders held at the court-house yesterday afternoon. The bank is a stock company, with 1000 shares subscribed in the new bank were represented either by person or proxy. It was decided to fix the number of directors at fifteen, and the following were elected: George H. Brown, J. C. Wagner, D. F. Jenkins, A. L. Coble, W. A. Thomas, Z. V. Long, J. A. Conner, W. C. Wooten, A. S. Miley, W. L. Matheson, J. A. Lackey, L. O. White, J. W. Koon, L. B. Patterson and J. E. McLean, men of all walks of life and coming from all sections of the county. The directors elected Mr. George H. Brown, president; J. A. Lackey and W. L. Matheson, vice-presidents; and Olin L. Turner, cashier. The president was authorized to employ Miss McLeide Jenkins as stenographer and it is probable that she will be made an officer of the bank. The president and cashier were authorized to select such other employees as may be necessary. The president's bond was fixed at \$10,000, the cashier's, \$15,000 and the stenographer's, \$15,000. Directors W. A. Thomas, L. B. Patterson and J. A. Conner were named as the finance committee and Directors D. F. Jenkins and L. O. Wagner were appointed a committee to select quarters for the bank. Directors L. B. Patterson, J. A. Conner and J. A. Lackey were named as the committee to consider the advisability of erecting a banking building on the Robbins property adjoining the courthouse.

Mr. Brown, the promoter and president of the new bank, was for twenty-one years an officer of the First National Bank of Statesville, retiring as cashier when he was appointed collector of internal revenue some years ago. Mr. Turner, the cashier selected for the bank, has for years been head bookkeeper in the First National Bank and is a very popular and efficient man. He was not an applicant for the place, the honor coming unbidden.

The new bank hopes to get ready for business within sixty days. It is chartered under the State banking laws with special privilege as to loans on real estate which will be featured.

BURLINGTON RECOVERING

Normal Conditions Prevail After Big Snow of Wednesday Night.

Burlington, Feb. 27.—Burlington has about recovered from the hold-up of traffic and business occasioned

by the big snow of Wednesday night. Thursday morning the snow lay on an average of 10 inches. The street cars were out of commission until noon, when a work car went over the line and cleared the track. On account of the freeze, the city schools were closed Wednesday and Thursday. They opened again today. Trains ran late. Street cleaners were at work all morning yesterday shoveling snow, and in the afternoon the usual pedestrians were out. The mail carriers on their routes started out late and today everything is in its normal state and the snow king is still.

OLD CITIZEN DEAD

Mr. Henry B. Jordan, of Cary, Died of Heart Disease Yesterday.

Cary, Feb. 27.—Mr. Henry B. Jordan, one of the oldest and best known citizens of this town, died at the home of his daughter here this morning of heart disease. For some time he had been in feeble health, and his death came as no surprise to those who knew him.

Mr. Jordan was eighty years old last week. He had lived in Cary for forty years or more, and had several times been mayor of the town. He was for many years a justice of the peace, and in that capacity came into touch with many people in and around Cary. He was a steward in the Methodist church here, and was a prominent member of that denomination.

The deceased lived with his daughter, Mrs. Maggie Ellis. The funeral will be held at the Methodist church here this afternoon at 2 o'clock, and will be conducted by Rev. B. P. Robinson. The interment will be at the old home cemetery of the family.

ASLEEP IN THE SNOW

High Point Youth Found in the Nick of Time.

High Point, Feb. 27.—Almost dead from the combined effects of whitening and cold, a young man, Henry Yates, son of Sol Yates, a finisher at the Alma Furmature Company's plant, was found yesterday morning at 10 o'clock by Police-men McGee and Wood stretched full length in the newly-fallen, five-inch snow in front of C. C. Mike's residence on South Main street. The policeman did all possible in the way of restoring vitality by chafing the face and hands with snow, finally taking him in a motor car to the city hall, where, after a physician's care, he fell asleep. Later in the afternoon he stirred into consciousness and the physician in attendance expressed a doubtful hope of his final recovery.

The city council has conferred with A. D. Shelton, superintendent of the Danville Division of the Southern, whose offices are in Greensboro, concerning permanent improvements for Main street crossing. This council desires to be put down in cement and vitrified brick and four gates supplied with watchmen at crossings on the main line and Asheville division. Mr. Shelton, who has visited High Point and investigated the matter, assured the city authorities he would bring the question to the attention of the general superintendent at once.

BENT ON MARRIAGE

Fifteen-year-old Boy Would Wed Widow With Three Children—Kinston News

Kinston, Feb. 27.—The fifteen-year-old son of Moses Kornegay, of Seven Springs, would marry a woman much his senior in years and the mother of three children. Kornegay wrote the register of deeds here yesterday asking that he be withheld from the ardent and youth Eugene, who, according to the perturbed parent, "does not know what he is doing."

An unique legal tangle is said by local lawyers to be in the forming to determine what disposition shall be made of the property of the late Samuel Loftin, an aged bachelor planter who died at his place, six miles from here recently. When Loftin passed away from infirmities due to old age after passing his seventy-second milestone, he lived with a single negro servant on his estate of about 1,600 acres. The intricate matter developing is a triangular affair. In January Loftin made a peculiar deed to Joseph Williams, a Woudington man, whereby the latter, upon the payment of \$2,000 in cash and \$1,000 a year until the former died, with minor obligations, was to come into possession of

DANGER IN DELAY

Kidney Diseases Are Too Dangerous For Raleigh People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined, backache, headache, nervousness, lameness, soreness, limbo, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in Raleigh.

Mrs. W. C. Jones, 121 N. Bloodworth St., Raleigh, N. C., says: "My back ached constantly and often I had pains across my loins. Sometimes I was in such bad shape, that I could hardly get up after sitting for awhile. I didn't get my proper rest and suffered intensely from headaches. The doctor's medicine brought me no relief and when I heard of the good work Doan's Kidney Pills were doing in cases like mine, I got a box at the Robbitt-Wynne Drug Co. (know the Galloway Drug Co.) They drove away the aches and pains and restored me to better health than I had enjoyed for years. I haven't had any serious trouble from my back or kidneys since I used Doan's Kidney Pills. I take pleasure in recommending them."

the big plantation at the owner's death. The farm is worth, at a conservative estimate, from \$15,000 to \$20,000. Williams in the deed was required to build a comfortable dwelling for the aged planter to replace the dilapidated old home in which he lived and give to the negro servant of Mr. Loftin the use of thirty acres situated so long as he remained on the plantation, in consideration of his faithful and careful service to the aged man. Williams had not paid the balance of the deed of the \$3,000 and insignificant expenditures. Now distant relatives, claiming to be the legal heirs, are said to be preparing to test the strange deed on the grounds of alleged incompetency of Loftin, who was connected with prominent Leasport county families, and are expected to make a strenuous fight for the property. The third phase of the interesting case has developed with the employment of counsel by a maleto woman who claims to be the daughter of Loftin with a moroccan negro wife. The woman lived with her alleged parent for a number of years. She is said to have proved the existence of a will made a dozen years ago by which she is a principal beneficiary, and will claim the legality of the will in preference to the later deed and oppose the contention of the other heirs that Loftin was mentally indigent when he made both the will and the deed.

BURNED TO DEATH WITH NO AID NEAR

Aged Woman, Two Sons and Grandson Lose Lives at Home Near Wilmington.

Wilmington, Feb. 27.—While asleep in their country shack near Castle Haynes, a few miles north of Wilmington, Maggie Harold, her two sons and a grandson were burned to death Wednesday night, with no one near to know of their tragic fate. It was not until 11 o'clock yesterday morning, when Josh Moore, a negro, happened to pass along the road leading by the place, that the outside world learned of their sad end. Coroner John J. Fowler, of this city, was notified and made an investigation. He found that most likely the roof of the house caught from a defective flue and that they were probably burned without ever awaking from their slumbers. He deemed an inquest unnecessary. The three persons besides the woman were all boys. The remains were burned all night to a crisp.

ALL SHOULD LIVE TO 70

Minister, Himself 90, Sure Science Will Increase Span.

"With the twentieth century sanitation methods and medical science constantly advancing, every man and woman should expect to live the biblical allotment of threescore years and ten."

"If people die before then, there's something wrong somewhere and the blame cannot be attributed to Father Time."

Thus spoke the Rev. William Wallace Curry, preaching his ninetieth birthday sermon, today.

"We are in duty bound to remove any and all causes tending to shorten human life," said the aged minister.—Washington correspondence New York American.
