

DURHAM IS CLOSE

Their Majority Will Not Be Much Over Hundred; Sheriff Harward Leads Ticket

(Special to The News and Observer.)
Durham, Nov. 4.—While the full returns are not yet in from the Tuesday election in Durham county the indications are that the majority for the constitutional amendments in the county will be very materially reduced, and there is also a possibility that they will not be carried. The returns which have come in since midnight last night have changed the majority from 225 according to the reports last night to 125, and it is known that in the other large precincts in the county went against the amendments by a pretty stiff majority.

The additional returns does not change the election of any other part of the ticket that was offered by the Democrats. The vote will run around 1,800 to 2,000, and the Democrats on the whole have given the full ticket an average of about a thousand majority, including county, legislative, State and district ticket.

The only surprise of the whole election was the very poor showing that made by Mr. John Harward, candidate for county commissioner on the Republican ticket. His friends and many of the leaders of the Republican party had confidently expected that he would run mightily close, and that there was a possibility of his beating out one of the Democratic candidates. They had so figured it, but the Democrats got wise to the plans of the opposition and saw to it that if any Republican wanted to scratch his ticket in order to vote for one of the Democratic candidates for commissioners, who happened to be a personal friend, that he scratched the Carpenter. This trick cut down the Carpenter vote materially, but he had no change for an election had it not been worked that way.

Sheriff John Harward will lead the Democratic ticket and Register of Deeds M. G. Markham will follow. Mr. Carpenter will lead the Republican ticket.

Corner's store, a country precinct in Oak Grove, so far as has been heard from is the only polling place in the county that has turned in a majority for the Republicans. This is normally a Republican precinct. Heavy's store in this city, also polled a very heavy Republican vote, which heavier than usual. Another interesting feature of the election was the fact that Stagville, the home precinct of Col. Benjamin Cameron, candidate for Legislature on the Democratic ticket cast a solid vote for the Democratic ticket. For years there has not been a Republican in that precinct.

Col. Cameron led the Legislative ticket, with Mr. Pagan second and the senatorial candidates coming in as third and fourth.

County Chairman R. P. Reads announced that he would be possible to get the exact vote on the various candidates till the official returns were made to the board of canvassers at the court house tomorrow morning. He had asked the Democratic poll holders to send in their reports unofficially, but the interest in the election was so slight that many of them did not take the trouble to do this. Consequently it is impossible to give a definite line on the constitutional amendments.

Amendments Possibly Have Been Adopted

(Continued from Page One.)

It is certain this afternoon that M. Leslie Davis was elected to the Legislature in this judicial district, by Simon Styron, Jr., by around one hundred majority. Davis is the regular Democratic choice. Styron the nominee of the fused Republicans, Progressives and Independent Democrats. A local issue caused the split. The fight centered around Davis. Beaufort town turned Democratic. Morehead City greatly reduced its Democratic majority. Atlantic township, which until this election had had a Republican voter, went for the fusionist ticket by more than one hundred majority. All other Democratic nominees were elected.

Schenck Appears Beaten.

Hendersonville, Nov. 4.—Basing his claims on returns from four of the five counties in this judicial district, Judge O. V. F. Blythe, Republican, claims election over Solicitor Michael Schenck for the solicitorship by a safe majority. Judge Blythe claims the court house 250 votes, Transylvania 20, McDowell 20, Henderson 20, and Solicitor Schenck by 75. Yancey has not been heard from. Mr. Schenck is out of the city.

full Democratic ticket from one hundred to four hundred majority, amendments carried the county by about two hundred majority.

6 to 1 For Amendments.

Millsboro City, Nov. 4.—Complete returns give the Democratic county ticket one hundred and fifty to two hundred majority. Hood three hundred to three fifty; amendments carried six to one.

Amendments Win in Caldwell.

Lenoir, Nov. 4.—The election passed off yesterday orderly and quietly. Many votes were challenged by both sides and a few were not allowed to vote. The complete returns for county officers show a Democratic majority ranging from 95 to 815. Caldwell gave Doughton 142 majority over Linney.

The amendments to the constitution did not fare very well at the hands of the voters in this county but it is thought they carried by a very close margin, as there was very little interest shown in this issue. Thomas M. Newland was elected solicitor in the sixteenth judicial district.

Democratic Gain in Watauga.

The State senatorial race in this county for the 23rd district was won by Davis and Giles by about 250 majority, the returns not being complete. Democracy in this county appears to be holding its own. Six years ago Caldwell went Republican but for the past four years as now the county has been Democratic. Reports at noon today from Watauga says the ticket is split in that county. Linney defeated Doughton for Congress by 60 votes. The Democrats elected a sheriff and treasurer, which means Watauga county has made Democratic gains.

Beaufort For Amendments.

Washington, Nov. 4.—Official returns as to Beaufort county's vote yesterday are not received. From returns received the Democratic ticket will have an approximate majority of six hundred with the vote on the proposed amendments to the constitution running about the same.

Republican Gain in Burke.

Morganton, Nov. 4.—Returns indicate that Dr. Dula, Republican, is elected in the Legislature, and L. A. Bristol, Republican, selected clerk. Balance of the ticket is Democratic by small majority. The amendments were defeated in county by about three to one. Davis and Giles are probably elected in the Senate from this district by about fifty majority.

Amendments Lose in Duplin.

Warren, Nov. 4.—Reports received here up to tonight indicate that the Duplin Democratic majority of three

D. A. R. MEETINGS GOES TO CLOSE

Miss Lyda Rodman Elected President; Trinity College Gives Reception

(Special to The News and Observer.)
Trinity College, Nov. 4.—The outstanding feature of second and last day's session of D. A. R. convention now being held at Trinity College was the election of officers for the ensuing year, which resulted as follows: State Regent, Miss Lyda Rodman, of Washington; State Reporter, Agnes S. Theodore S. Morrison, of Asheville; Corresponding Secretary, Mrs. Harold, of Tarboro; Treasurer, Mrs. James Dunlap, of Ansonville.

The convention was called to order this morning at ten o'clock by State Regent Mrs. W. N. Reynolds, the opening prayer being offered by Rev. R. C. Craven, pastor of Trinity church. After singing the song, "Carolina," the conference heard the report of the secretary, treasurer, historian, chaplain and registrar. The chapter reports showed delegates present from every chapter with the exception of the Hidden Band Chapter of Williamson.

Resolutions of respect in memory of the members who have died during the past year, together with a motion to extend the love and sympathy of the convention to Mrs. Edwin Overman and Mrs. E. C. Gregory in their present bereavement were passed by a rising vote.

Representatives of both the Washington and Waynesville chapters extended an invitation for the next meeting to be held in their town, but upon withdrawal of the invitation of the former the latter was accepted.

Mrs. Virginia W. Smith, whose singing has been the delight of the conference, charmingly rendered "My Heart is Weary."

Adjournment was taken until the County Club, where Mrs. J. E. Cheek entertained the delegates and members of the local chapter at a luncheon.

At the opening of the afternoon session Miss Christine Currie, of the Southern Conservatory of Music, rendered two beautiful violin solos. The remainder of the session was given over to the report of the national committee on the part of the resolutions, after which the convention adjourned to meet next year at Waynesville.

Agas for the day's program were: Miss Margaret and Miss Erwin, Mary Brian Griewood and Katherine Overman.

At five o'clock the delegates were the guests at a tea given by the United Daughters of the Confederacy at the residence of Mrs. Victor S. Bryant.

SENATOR STONE PLEASED.

Says It Was a Clear Cut Fight and Wilson Was Endorsed.
St. Louis, Mo., Nov. 4.—Senator William J. Stone, of Missouri, chairman of the Senate foreign affairs committee considers the result of the election an emphatic endorsement of the Wilson administration. He said today:

"The Republicans have been saying that if they could become united they could lick us. They were united everywhere and the contest generally was a clean cut fight between the Democrats, standing by Wilson's administration and the Republicans opposing it.

"Considering the fact that this is an off year; that the Democrats have enacted a new tariff law and new revenue legislation; that we have said to meet the hard times cry, and that a great war is on which has absorbed public attention, I think the Democrats have done remarkably well."

CHAMP CLARK SURPRISED.

Speaker Says Democrats Had No Chance to Mend Fences.
Bowling Green, O., Nov. 4.—Champ Clark, Speaker of the House of Representatives, commenting today on the Republican victories in a majority of the States in which elections were held yesterday, said the vote was not a rebuke to the Wilson administration but just one more thing that could happen during these days of European war.

"The results of the polls throughout the country," said the Speaker, "were a great surprise to me. The result of the Republicans and Progressive forces in many districts and the inability of Democratic legislators because of the low season of Congress to properly canvass their districts, naturally permitted the voters to drift back to old party lines and the Republican victories are the result."

Women Win Ballot in Two States and Probably in a Third.
(By the Associated Press.)
Chicago, Ill., Nov. 4.—Woman suffrage leaders rejoiced tonight when belated returns indicated that votes for women apparently had been granted in two of the newest States of Oregon on the question Tuesday, with a third State in doubt. First returns had indicated refusal of the franchise to women in all seven.

Delaware and Nevada, according to latest returns, granted votes to women, while Nebraska showed such a small vote against the proposal that the women claimed the State. Missouri was in doubt.

President J. H. Young, of the Norfolk Southern Railway, was a Raleigh visitor yesterday on his way with Traffic Manager E. D. Kyle from Norfolk to Charlotte, where they will meet directors of the Norfolk Southern from New York. They will begin a tour of the road by which the New York directors may be able to get a closer glimpse of the work that is being done by the Norfolk Southern in the way of developing the country through which it runs, and by the development, growing transit.

The directors who will meet the president in Charlotte are Chairman M. J. Perry, L. R. Clark, R. H. Swartout, and P. J. Nicholson.

Said President Young last night: "Norfolk Southern is still the railroad, don't forget that. The road is developing rapidly and has wonderful opportunities in the section which it crosses. Money has been spent recently in the improvement of parts of the road and it is now getting in fine shape."

Why North America Leads

North America spends more money for advertising than all the rest of the world put together.

The larger part of this money is spent in newspaper advertising.

Business in North America has outdistanced that of the rest of the world.

This has been the continent of industrial miracles.

And a large part of the reason for this development will be found in the advertising appropriation.

It is significant to note also that each year the proportion spent for newspaper advertising increases because business men find newspapers the greatest result bringer.
