

OVER HALF STATE IS NOW ORGANIZED

Community Service Movement Sweeps Over State and Looks to Success

120,000 HOMES INTERESTED

Suggestion Has Been Made That the Community Service Idea Be Made Permanent and That Commission Be Maintained All the Time For Purposes of Progress

With Thursday, the first day of the Community Service observance close at hand and with the organizations working everywhere in thorough sympathy with the movement, more than a hundred and twenty thousand homes in the rural communities of the State are directly interested, and with this goes the fact that twenty thousand forward-looking men in North Carolina are today working as parts of the machinery to which will be due the success or the failure of the observance.

This was the striking statement issued yesterday from the office of Mr. W. C. Crosby, secretary of the State Committee on Community Service. Since September, Mr. Crosby has been busily at work every day in his office in the Department of Education guiding the fortunes of the first step of this State or of any other State toward community uplift as a State-wide measure. There have been several instances of community service in many counties of this State, instances such as have taken form in civic leagues and betterment associations of various kinds. All of these have been limited in influence, and therefore limited in success. The object of Community Service observance December 2, 4, 5, is broader in scope and more definite in aim. It looks to the development of community service in all of the State by the activities of the units of the State acting in cooperation.

Into the organization have been brought the best thought of the State, the most unselfish devotion to the cause of men and women everywhere, the most splendid co-operation of every influence for betterment socially, industrially, politically, religiously, and a leadership capable and unselfish.

Why Not Permanent? Why not make the Community Service idea permanent? This is the question arising since the success of the movement over the State has been assured. It has been pointed out that an appropriation of about three thousand dollars annually will cover the expenses of a Community Service Commission as it were. This would, in all probability, consist in a suitable commissioner, imbued with the spirit of progress, and with information of such a character that he could render practical and efficient aid to the communities of the State in their plans for betterment. For example, through this commission aid could be given a community struggling for better roads, or for a local school, or for a farm-life school, or for better public school facilities, a library, or for any of the hundred and one things

PROVISIONS FOR THE ARMY IN THE FIELD.

Importance of keeping body well nourished.

In time of war, the greatest effort is always made toward cutting off the enemy's base of supplies. It is the well-nourished people who fight the strongest and live the longest and contribute most to human progress. Is your stomach doing its duty—does it convert food into good blood and tissue?

Dr. Pierce's Golden Medical Discovery has been so successful in the treatment of indigestion, that thousands of former sufferers owe their good health today to its wonderful power. Actual testimonials prove it. It arouses the little muscular fibres into activity and causes the gastric juices to thoroughly mix with the food you eat, simply because it supplies the stomach with pure, rich blood. It weak, impure blood that causes stomach weakness. Get good blood through the use of Dr. Pierce's Golden Medical Discovery, and you will have no more indigestion.

It is the world's proved blood purifier. It's not a secret remedy for its ingredients are printed on the wrapper. Start to take it today and before another day has passed, the impurities of the blood will begin to leave your body through the liver, kidneys, bowels and skin, and in a few days you will know by your steadier nerves, brighter mind, brighter eyes and clearer skin that the bad blood is passing out, and new, rich, pure blood is filling your veins and arteries. The same good blood will cause pimples, acne, eczema, and all skin eruptions to dry up and disappear. Dr. Pierce's Golden Medical Discovery is the helpful remedy that nearly everyone needs. It contains no alcohol, it cleanses the blood, and every organ through which the blood flows is benefited. Get it today in liquid or tablet form. (Adv.)

that go to make a place a better home or a more progressive community.

Half the State Organized. Practically half of the counties of the State have been organized in the movement, said Secretary Crosby yesterday. There are approximately four thousand school districts in the State which have local committees making preparation for the observance of the week. These committees, made up of members of the community, make a total of twenty thousand men and women officially at work to make the observance a success.

In each of those four thousand school districts, there should be an average of thirty families. This is a minimum. Therefore, one hundred and twenty thousand homes are directly interested. The great burden of the observance is to make North Carolina and all the communities of the State, better, happier, healthier, cleaner and more prosperous homes. It is a new thing which, with a hundred and twenty thousand homes engaged in the observance, and in addition to that thousands of people of the cities and towns, will make community service week in North Carolina the greatest single week in progress making in its whole history.

End of It All. The definite end of it all will come out in the report which the Community Service Committee will make to Governor Locke Craig in the early part of January. The committee as named is composed of Dr. Clarence Poe, chairman; Mr. W. C. Crosby, secretary; Dr. J. E. Joyner, Maj. W. A. Graham, Jr., E. K. Graham, Dr. H. C. Alexander, Dr. D. H. Hill, Mr. W. J. Shuford, Dr. W. S. Rankin, Dr. J. I. Foust, Mr. T. B. Parker. The returns of the observance in the various counties will be audited, as it were, to make a complete report. Yesterday letters and blank forms were mailed to each county asking that these forms be used by the superintendents for a report.

The letter is signed by Dr. J. E. Joyner and it is a call to the educational forces of North Carolina to carry the movement through to success. "Community Service Week in North Carolina," it says, "will be of the greatest progress making week, perhaps in our history, one full of promise and golden opportunities. The forward looking, race-loving leaders of thought and progress all over the State welcome this splendid opportunity to make our communities better, happier, healthier, more prosperous homes for ourselves and our children. The success of this week depends largely upon your leadership. I believe you will do your duty in this cause, and thus help to make it as your habit in all other official duties."

EXAMINE BELGIAN UNLESS HELP COMES

Germany Gratified at Generous Efforts of Americans to Relieve Situation

(By the Associated Press.)

London, Nov. 30.—(3:40 p. m.)—In response to an inquiry concerning the authenticity of an interview published in English and American newspapers which credited a German officer designated as General Von Frankenberg with the statement that Germany would have the people of Belgium if she had not been anticipated by the kind-hearted action of the American minister to Belgium, today sent the following telegram to the American Relief Commission: "I am officially informed by the German government that there is no basis in fact for the statements published in the American and British press to the effect that a General Von Frankenberg made the alleged statements."

There is indeed no General Von Frankenberg at Antwerp but it seems that a Captain Von Frankenberg, a staff officer not authorized to speak, made statements to a person claiming to be a newspaper man relating to conditions in Germany. There was no danger of starvation, he said, in Germany, which needed no assistance in feeding its population. "His remarks, therefore, were entirely misleading."

The German government renews its official declaration that conditions in Belgium are as represented, and views with great gratification the generous efforts of the American people to relieve the starving population there. Without such assistance there must be famine, and I again repeat my expression of regret that cruelly reckless statements should be allowed to impair the great work which the generosity of the American people is carrying on among a population so deeply in distress."

WILL OBSERVE WEEK

Definite Plans To Be Made For Improvement of Community Life at Kittrell.

Kittrell, Nov. 30.—Friday afternoon was held in the Kittrell high school building a meeting of teachers, pupils and patrons to prepare for the observance of "Community Service Week." After the rendering of interesting exercises by the school, the meeting was adjourned until Friday afternoon, December 4th, when the grown people of the community will be gathered to be heard from in the consideration of definite plans for a permanent organization for the improvement of community life in the first district of Kittrell township. Wednesday night some one broke into the store of Overton and Kerney, and appropriated two guns, three watches, and some change in the cash register.

On the morning of the 25th, Mr. C. H. Blacknall returned from a trip to New York, bringing back with him twelve Russians who will work for the Continental Plaster Company. The three departments of the Kittrell high school held appropriate Thanksgiving exercises Wednesday afternoon at which a nice little sum was made up and forwarded to Super R. L. Brown of the Oxford orphan asylum.

Friday night November 17th, Mr. and Mrs. T. H. Crudup gave a delightful entertainment for the children. After the dances, and games played, Mrs. Crudup served refreshments consisting of lemon and chocolate cake, gelatine with whipped cream, fruit and nuts. Little Thomas Macon Barnes who had his leg broken Tuesday morning, by a horse falling on it, is convalescing rapidly.

KINSTON TOBACCO MARKET

More of the Weed Sold so Far This Season Than All of Last Year. Kinston, Nov. 30.—Today ended the third month of the tobacco sales season here. More than fifteen million pounds have been sold to date, with increasing good prices and improving quality. So far Kinston has sold three and a half million pounds more than all of last season. The average for the present season is well in excess of a million pounds a week and two hundred thousand a day. Improvement of roads and the better prices paid here have accounted for the Kinston market's great success this year.

Has Fine Action in the Blood

Does Real Work in Cleaning Body of Impurities.

It is to the skin that blood impurities are driven by Nature. And it is in the skin that S. S. S. has its most famous influence. For it is here that you see the results. S. S. S. is none the less effective in the joints, glands and mucous surfaces in driving out rheumatism, gout, and ridding the system of catarrh. The purely vegetable ingredients in S. S. S. are naturally assimilated but they enter the blood as a true medicine and are not destroyed or converted while at work. It is this peculiar feature of S. S. S. that makes it so effective. S. S. S. enters the blood and makes it so effective. S. S. S. enters the blood and makes it so effective. S. S. S. enters the blood and makes it so effective.

SCALP COVERED WITH DANDRUFF

Also Blisters and Pimples. Irritation and Itching Dreadful. Would Hurt, Smart and Burn. Hair Fell Out Badly. Cuticura Soap and Ointment Healed.

401 W. Adams St., Brownwood, Texas.

"I had a severe case of dry itching scalp. Then my head had blisters and pimples all over it and when I scratched the irritation and itching were dreadful. They continued to hurt and smart and burn. My hair fell out badly and gradually my scalp became as dry as powder. It was the same burning in my limbs, so bad that I could not sleep or rest nights or day. "Then I began with the Cuticura Soap and Ointment and received almost instantaneous relief from every application until all the symptoms were gone. I used the Cuticura Ointment freely all over my head, neck and face and the Cuticura Soap for cleansing as often as necessary until I was cured. Now my head is well and clean, my hair is looking fine and the trouble is all gone." (Signed) Mrs. Julia Clinegan, Jan. 20, 1914.

Samples Free by Mail. For face and hands Cuticura Soap and Ointment are world favorites because so effective in restoring the natural purity and beauty of the skin, scalp and hands when marred by unsightly conditions. TO GET CHILDREN IN SCHOOL

Teachers Visit Homes and Have Talk With Parents. Thanksgiving Day was utilized by some of the teachers of the county schools to visit homes where the children were not attending school for the purpose of inducing the parents to send these children to school. It is understood that the visits resulted in great good. Among the most earnest teachers in this move were Miss Lucy Powell and Miss Mamie Elliott, teachers at Cade Springs school in St. Mary's township.

BLOODHOUND NO GOOD

Unable to Take Trail of Thief Who Broke into Nash County Store. Rocky Mount, Nov. 30.—The county store of J. S. Proctor & Company, near Westray, Nash county, was robbed of about \$25 in money Saturday night. So far no clue as to the guilty parties has been discovered. A bloodhound was brought here yesterday from Tarboro, and was immediately taken to the scene, but he could not get the trail, and was of no service.

Luncheon.

The Corn Club boys will assemble in front of the Department of Agriculture building, on the north side of the capital square, where they will be met by County Demonstration Agent W. H. Chamblee, Jr. After forming in line they will march around capital square to Fayetteville street, down Fayetteville street to Hargett street, west along Hargett to Salisbury, up Salisbury to Morgan and west along Morgan street to the high school building, which they will reach at 12:45.

Wake county has the largest county enrollment of corn club boys in the State. This is said to be due to the persistent efforts of County Farm Demonstrator Chamblee. The Merchants Association will provide entertainment for the corn club boys at one of the moving picture shows in the city in the afternoon. The boys are requested to call at the office of the Merchants Association to get their tickets.

Visiting Schools. Miss Key at Bayleaf and Miss Workman at Fairview. Miss Rose Key, primary school supervisor, is at Bayleaf school this week, and Miss Annie Workman who occupies a similar position, is at Fairview with a new primary teacher, Miss Durant.

One of Asheville's Leading Merchants Answers Final Summons.

Asheville, Nov. 30.—Walter R. McGuire, one of Asheville's leading merchants and most respected citizens, died at his home at this city yesterday following an illness of less than three days. The deceased was buried at Riverside cemetery today following the funeral at the house of Mrs. McGuire. Mr. McGuire was 37 years of age and is survived by a wife and small child, a mother, two brothers and one sister. He came to Asheville 15 years ago and entered the grocery business. He was a member of Central Methodist church and the funeral was conducted by Rev. J. H. Barnhardt, the pastor.

FIVE CARS DERAILED

Atlantic Coast Line Train Suffers Mishap But No One Injured.

Rocky Mount, Nov. 30.—Passenger traffic was delayed for more than two hours on the Coast Line's main line this morning near Wade, about ten miles north of Fayetteville, by the derailment of the dining car and four sleepers on northbound train No. 86. No one was hurt, nor was the main line blocked, except in the continuance of this through train and passage of No. 33, a local between Fayetteville and Richmond. The derailment occurred about 4:50 this morning at a switch. The train was running near to forty miles an hour when the derailment occurred, and the engineer immediately applied his emergency brakes, preventing a serious disaster.

The dining car listed to one side, though all of the four sleepers derailed remained upright on the roadbed. The passengers were transferred to a car in front of the derailed, and the train continued its run with the baggage car, the day coach and the Pullman, though a delay of more than two hours was necessary in making the transfer.
