LOUISBURG

Louisburg, Dec. 5.—The very latest and most unique society that has struck this city is a "possum hunting party." Such a social function was held on Monday night, when a large party went out in wagons and automobiles several miles in the country, and then "took to the woods" in quest of that animal that has made potatoes famous the world around.

All the hardships endured by the hunter in climbing over logs, wading through streams, wading through briar thickets, were more than compensated for by the genuine sport of capturing two fine specimens of the marsupial family.

About two o'clock in the morning the merry party of possum chasers returned to the city, where a delicious repast awaited them at the cafe. All claimed that they had had the time of their life.

Those in the party were: Mrs. M. E. Williams, chaperone; Misses Sue Allison, Myrtle Allen, of Axtell, Gladys Teilverton, Eliza Moore, Edna Watkins, Martha Fay, Mary Stuart Egerton, Lyne Hall, Bettie Stallings, Lula Bet Person, Laurine Joyner, Burdett Jeyner, Margaret Hicks, Mrs. June Ferguson, chaperone; Messrs. C. L. Crowell, S. B. Nash, Henry Paschal, Osmond Yarborough, Ben Sumner, R. A. Carlton, F. R. Suggs, Willie Macon, George F. Walker, W. R. Lambertson, Joe Nash, Howard Brown, of Long Branch, N. J., Dick Barton, of Long Branch; Mr. Reynolds, J. J. Clark, W. W. Crowell, D. P. Smithwick, and Blair Tucker.

At the home of Mr. and Mrs. W. J. Macon, of Ingleside, four miles north of this city, a Thanksgiving party was given by Messrs. Willie and Wilson Macon and Prof. F. Bobo Scruggs in honor of the following visiting young ladies: Misses Lonie and Susie Meadows, of Louisville; Myrtle Allen, of Axtell; Marie Hicks and Mattie Allen, of Louisville; and Janie Southland, of Henderson. Messrs. Macon and Scruggs proved themselves charming hosts.

Thanksgiving dinner was the center of attraction Thursday. Friday was spent in rabbit hunting. The party came to town Saturday to witness the game of basket ball between Ingleside and Mapleville, in which the Mapleville team were victors by a score of 6 to 6.

The Industrial Book Club, which is one of the newest organized and meets every Friday afternoon, held its last meeting at the home of Mrs. Ida Hale on Kenmore avenue, and was largely attended. After a general discussion on the betterment of the club, Mrs. W. J. Cooper, the president, read a stimulating paper on "The dangers of

Liability can be made the period of greatest happiness, but complete good health is necessary. As age advances the stomach and bowel muscles lose their elasticity and no longer respond readily. The result is constipation, or dyspepsia, biliousness, sour stomach, head-achiness, drowsiness after eating, belching, flatulence, etc.

The foregoing was about the condition that Mr. Wm. A. Roeker, 64 Vienna St., Rochester, N. Y., found himself in some time ago. A good friend persuaded him to take Dr. Caldwell's Syrup Pepsin, a widely known laxative tonic that has been on the market for two generations. After a brief use of it he writes that if he had the last bottle obtainable he would not part with it for a hundred dollars—and Mr. Roeker is not an especially rich man either—he considers himself entirely well. Another noteworthy case is that of Mrs. Margaret Barringer, of Newark, Ohio, who is 82.

Dr. Caldwell's Syrup Pepsin is without doubt America's greatest household remedy. Its mild action recommends it especially for babies, women and old folks, for these should not take drastic cathartics and purgatives such as pills, powders, salt waters, etc. Your druggist sells Syrup Pepsin at fifty cents and one dollar a bottle, and you should always have a bottle in the house. Thousands of old users always have the dollar size, as it is more economical. Results are guaranteed or money will be refunded.

Lime Combats Tuberculosis

"IT IS difficult to escape the conviction that lime starvation and lime assimilation are the real issues behind the masks of vulnerability and resistance in tuberculosis," writes Ira Van Gieson, M. D., in the May 11, 1912, issue of the New York "Medical Record," a journal of the highest standing in the world of medicine.

Dr. Van Gieson is eminent in his profession, and his assertion that lime assimilation is the "real issue" in resistance to tuberculosis bears the stamp of authority.

Ordinarily lime is not easily assimilated medicinally, but Eckman's Alternative is one preparation containing it in such form and combination as to facilitate assimilation by the average person.

This is one reason for the success of Eckman's Alternative in many cases of tuberculosis which apparently have yielded to it, and other cases which have benefited through its use.

Our experienced-based faith in this remedy is shared by a large number of men and women who say they owe health, strength and life to it. It contains no opiates, narcotics or habit-forming drugs, so is safe to try.

If your druggist is out of it, he can get it, or you can order direct from us.

Peruna Will Stop That Cough. "I have found Peruna to be an Excellent Tonic." Do not stop a cough by taking depressants or opiates. A cough stopped that way will return. Stop a cough by taking a tonic, like Peruna. This rids the system of the irritation that caused the cough. Cough is an effort on the part of nature to clear the bronchial tubes. It is a mistake to stop a cough, except by assisting nature in clearing the tubes. Opiates and depressants simply numb the nervous system and the cough stops, leaving the poisonous and irritating materials in the bronchial tubes. This will soon affect the lungs. Let us stop the cough with Peruna, that strengthens and builds up and removes the irritation.

Catarrh of the Bronchial Tubes Chronic Cough. Mrs. Wm. Hohmann, 2764 Lincoln Ave., Chicago, Ill., writes: "I suffered with catarrh of bronchial tubes and had a terrible cough ever since a child. I would sit up in bed with pillows propped up behind me, but still the cough would not let me sleep. I thought and everybody else that I had consumption. So reading the papers about Peruna I decided to try, without the least bit of hope that it would do me any good. But after taking three bottles I noticed a change. My appetite got better, so I kept on, nearly discouraged. Finally I seemed not to cough so much and the pains in my chest got better and I could rest at night. I am well now and cured of a chronic cough and sore throat. I cannot tell you how grateful I am, and I cannot thank Peruna enough. It has cured where doctors have failed and I talk Peruna wherever I go, recommending it to everybody." Those who object to liquid medicines can now procure Peruna Tablets.

Another Case of Grip. Mrs. Wm. Giff, R. F. D. 1, Athens, Ohio, writes: "I think I would have been dead long ago if it had not been for Peruna. Six years ago I had a grippe very bad. The doctor came to see me every day, but I gradually grew worse. I told my husband I thought I would surely die if I did not get relief soon. I told my husband I wanted to try Peruna. He went directly to the drug store and got a bottle of Peruna. I could see the improvement in a very short time, and soon was able to do my work. I continued using it until I was entirely cured."

QUEER CHRISTMAS TREES. Idaho Town First Has Sagebrush. Then Telegraph Pole. Twin Falls (Idaho) Dispatch. Twin Falls is to have its second municipal Christmas tree this year. The first was 11 years ago, when, on the first Christmas on the tract, then nothing but a sage brush plain, the residents secured the approval of the city council for a tree. The tree was placed in the biggest building they had, a kind of shed. Being far from any mountains where real Christmas trees can be found, Twin Falls will have a made-to-order tree. The top will be a real tree perched on a telegraph pole. Smaller trees, shipped in, will be stripped and the firmen will make a tree from these boughs, using the telegraph pole as a foundation. It is said that the average wages in Idaho have increased nearly 50 per cent in less than 10 years.

Use "Gets-It" Corns Shrivels, Vanish! It's the New Way, and You'll Forget You Ever Had Corns. "2 drops put on in 2 seconds, corns shrivel, come clean off." That's the marvelous story of "GETS-IT," the new pain killer for corns. It's a real tree perched on a telegraph pole as a foundation. It is said that the average wages in Idaho have increased nearly 50 per cent in less than 10 years.

HALIFAX DAUGHTERS MEET. Elizabeth Montfort Ashe Chapter in Monthly Session. Halifax, Dec. 5.—The regular monthly meeting of the Elizabeth Montfort Ashe Chapter, D. A. R. was held at the colonial home of Mrs. Thelma Green in Halifax Tuesday afternoon, December 2nd. Mrs. John Houghton of Rocky Mount, sister of Mrs. Green, was hostess on this occasion. Mrs. Houghton assisted by her sisters, Mrs. Green and Miss Howerton, welcomed the guests in the reception hall. They were taken to the dining room and then escorted to the parlor. The home was attractively decorated in ferns and Christmas decorations. At 1:30 the concert was instituted to the dining room, which was a dream of loveliness, and where a full course luncheon was beautifully served by Miss Howerton, assisted by Miss Fannie Gray. After the meeting was called to order by the Regent, Miss Daniel, and after a prayer by the chaplain, the roll call showed a goodly number present. Much business was transacted after which a most excellent "William Pitt" prepared by Miss Howerton was read. "Untold" was sung by the chapter, which then adjourned to meet with Mrs. E. L. Whitehead, Enfield, N. C., January, 1915.
