ANOTHER VICTORY FOR PENN. STATE

Trinity Is Defeated By Score of Two To One; Only Seven Innings

(Special to The News and Observer.)

Durham, April 2.—In the first game of a series Trinity lost to Pennsylvania State this afternoon, 2 to 1, the contest being called in the seventh.

The game was played in a drizzling rain, but few errors were made in the play. The visitors scored their brace of runs in the opening round and maintained their lead through the excellent twirling of Liebert, who fanned nine batters and allowed only four hits. Trinity made its run in the fourth and had an opportunity to make another run in the sixth, but the rally fell short.

A brilliant catch by Fytche, the batting of Webber and Robinson and pitching of Liebert were the visitors' features. The fielding of Thorne was Trinity's feature.

Score: R. H. E.
Penn. State . . . 200 000 — 2 7 2
Trinity . . . 000 100 — 1 4 5
Batteries: Liebert and Vogt; Powell and Maddox.

Stray: Two base hit, Webber, 2.
Stolen bases—Crawford, 2.
Earned runs, Trinity 1; Penn. 0.
Struck out, by Liebert 5; by Powell 2.

RAINS INTERFERE WITH FIGHTERS

Willard and Johnson Forced To Do Light Training at Havana

(By the Associated Press.)

Havana, April 2.—Jack Johnson and Jess Willard trained today for Monday's championship fight between heavy downpours of rain. The storm and a high wind made the task unpleasant. Road work was light, owing to the wet and slippery roads. Exercise at the afternoon exhibitions was of a hazy nature.

The challenger worked in a sand-dust covered ring before a large holiday crowd, each of whom paid forty cents admission. He boxed three rounds each with Henrich, Savage and Monahan, showing unusually good form. His lightning was the best he has shown. He tried using the crouch this afternoon. He was fast with his left, occasionally using his right, and slugged with Savage and Monahan at times. After the boxing he wrestled and threw the medicine ball.

Johnson worked today before a moving picture machine. He boxed eight rounds with Mills, Scott and Bell. His final round with Bell lasted eight minutes and the champion joked with the spectators as he finished, showing no sign of exhaustion. Johnson's mastery boxing skill is still a marvel to the Havana people.

There is much uneasiness among members of the fight syndicate over Johnson's intention to box Sam McVey six rounds Saturday. Apparently no amount of argument can change the champion's mind. He says that those of the public who have bet on him are entitled to get a final line on his fine condition.

The champion's continued improvement with the little public work which he has done has given rise to a story of secret training, which Johnson denies with a laugh. It is reported that he was seen boxing on his roof at day-break with McVey, but the latter also denies the report. When advised by his friends to do still more work, Johnson replied: "I am the best judge of my condition and I am satisfied. I know that I can fight three hours at a stretch if necessary."

Some fight followers say they are not sure whether Johnson is in such shape as he claims. They assert they are sure he is slower than when he fought Jeffries in 1910. The battle, they believe, will go twenty rounds at least and they express the opinion that Willard will enter the ring an even money favorite. Many of Johnson's backers apparently are not anxious for bets and Willard followers are gaining consequence as a result.

RAIN STOPS GAME

(Special to The News and Observer.)

Oak Ridge, April 2.—The Weaver College and Oak Ridge game was rained out today at the end of the fourth inning. Oak Ridge had scored one earned run while the strong team from Weaverville had got but one man on base, so effective was May's pitching and airtight the fielding behind him. The Oak Ridge team plays the Twins at Winston-Salem tomorrow and Greensboro club at Burlington Monday.

CATCHER DAVIS IS OUT OF GAME

Wake Forest Receiver Injures Ankle During Practice; Will Weaken Team

(Special to The News and Observer.)

Wake Forest, April 2.—Another case of Wake Forest's hardluck occurred yesterday when in the base-ball practice, Catcher Hamilton Davis, of the varsity line, sustained a painful injury to his ankle while attempting to slide home. Davis has shown up remarkably well this season and has been catching good ball. His injury will weaken the team materially in the game tomorrow with North Georgia Agricultural College. It is a practical certainty that Davis can not do the receiving. The hope now is that he will be in shape to work in the Easter game with A. and M. He was resting well this afternoon at the home of his parents, Mr. and Mrs. A. J. Davis, of Wake Forest, although he was wearing considerable pain.

It is not known just what Coach Crozier is going to do in this emergency. One hypothesis is that First-baseman Bill Hollis will go behind the plate. Another is that he will play first and Carlisle will be placed on second. Alex Hall, captain of the 1915 basketball team, and firstacker on the second team, may be put on first, however.

The game tomorrow is not expected to be more than a good stiff practice for the Wake Forest team. Nothing is known of the Georgia team and they are present a surprise. One thing is needed and that is hitting practice. How the Baptists hit tomorrow will be a large measure show what they are going to do against the A. and M. slabbies Monday.

DOCTORS' DEFEAT 'CHEMISTS' FIVE

Raleigh High School Have Bad Luck

(By the Associated Press.)

Raleigh, April 2.—The Raleigh high school team, the game being by Raleigh high and Liberty-Piedmont. Weather and Martin formed the battery for the high and the southwesterly steam was proving difficult for the visiting batters to hit.

Owing to the athletic standing of the Raleigh high school basketball and football successes being well known in the State, it has been a hard thing for the manager of the baseball team to schedule games. An Easter trip into the extreme Eastern part of the State was planned, but at the last moments games were cancelled.

The local players considered their showing against the Liberty-Piedmont team a very good start of the season, as this team was only defeated by Wake Forest by score of 11 to 2. The visiting team is one of the strongest among the prep schools in the State.

The management of the Raleigh high school was announced in the complete schedule of games within a few days, as new games must be arranged.

M'CORD REPORTS TOMANAGER MACK

Capitals' Second Baseman in Tip-top Shape and Anxious To Start

(By the Associated Press.)

H. I. McCord, star second baseman of the Raleigh club, arrived in the city yesterday morning from his home in Harrisburg, Pa., and later in the day reported to Manager Mack for the 1915 season.

The presence of McCord among the Capitals now fills up the gap in the regular infield and Mack now has the entire infield he will use on opening day of the season—Mack, McCord, Citraro, Newman and Perkins.

The young second-sacker seemed, indeed, to be glad to be back in Raleigh and was warmly greeted by his fellow players and also by the numerous friends in the city. He says he was very anxious to begin training and could hardly wait until April 1. He was engaged as coach at a Northern school and could not quit his job until April 1. He took the first train possible and landed here a day later.

The Capitals hit in a good practice game again yesterday morning, but the rain stopped work in the afternoon. It now looks like they will lose another day by the snow storm. With the Easter Monday game only two days off the boys need more practice.

QUIMET AND TRAVIS ARE ELIMINATED

Young Robeson Leads Field in Qualification Round On Pinehurst Green

(Special to The News and Observer.)

Pinehurst, N. C., April 2.—Completion of the first and second rounds of match play in the Fifteenth annual United North and South Amateur Golf Tournament here today resulted in the elimination of the National Amateur Champion Francis Guimet and former Amateur Champion Walter Travis as well as a number of other dangerous contestants.

Quimet was defeated in the morning round by James Guilford of the Intervale (N. H.) Club, 4 up to 3 to play. Guilford, however, was himself beaten in the afternoon by F. K. Robeson, the college student, 1 up in 29 holes. It was young Robeson who led the field in the qualification round.

The veteran Travis lost to Robert Hunter of Stamford, Conn., 2 up and 1 to play. J. H. Sullivan, Jr., of Auburndale, Mass., defeated the United Titleholder R. S. Worthington, of Shawnee, Del.; one up in the morning round, and later in the day won from P. V. Carter, of Nassau, Eastern Inter-Scholastic and Junior Metropolitan Champion, 3 up and 1 to play. Carter previously had been regarded as Quimet's most dangerous rival.

Matches in the order named tomorrow will be H. J. Topping, of Greens-Dich, Conn.; J. H. Sullivan, of Auburndale, Mass.; Robert Hunter, of Stamford, Conn.; and F. K. Robeson.

'DOCTORS' DEFEAT 'CHEMISTS' FIVE

Royster, Booker and Rankin Were Too Strong For Fluid Mixers

The star "Doctor" quint of this city gave the "Chemist" five a defeat last night on the Y. M. C. A. court and at the end of the play the score-board told a score of 11 to 2. The game was witnessed by a small crowd, but was well played.

With such players as Waldron, who was a member of the association regular five last season, Mullen and Rhoades prospects at the beginning of the game did not seem at all favorable to the physicians. However, Booker—Center, Royster—second and Rankin gave the "Chemists" a nice surprise. Mullen was the only member of the "Chemist" team who was able to find the basket, scoring eight of his team's nine points. Neither of the "Chemists" forwards registered a point, the guarding of Rankin and Linberger preventing such. Royster and Booker led in the scoring of the "Doctors," each being credited with two goals. Linberger registered two points.

The "Chemists" will play the "Banks" next week. The "Doctors" will play the "Clerks" next week.

The line-up: Pos: "Chemists"; Royster Dewar
Ray Rhoades
Booker Mullen
Rankin Waldron
Linberger Hart

Summary:
Field goals—Royster 2, Booker 2, Linberger 1, Mullen 4.
Foul goals—Rankin 1, Waldron 1.
Referee—Watson.

ROTARIANS FOR NORFOLK TRIP

Twenty-seven Engage Reservations, Others Also Expected To Decide To Go

The indications are excellent for a large attendance of Raleigh Rotarians for Monday night's trip to Norfolk where the Rotarians from this city and those from Richmond will be the guests of the Rotary Club of Norfolk.

The committee of arrangements for the trip consists of Messrs. R. S. Dasher, W. H. Bagley and J. L. Woodford, is rounding up its work and is pleased with the prospect for a successful consummation of the plans.

Twenty-seven Rotarians have already signified their intention to go on the trip and several others are trying to get their affairs in such shape that they can leave them long enough for the Norfolk outing.

The special Rotary Pullman have been engaged. The Rotarians will travel over the Norfolk Southern. The return will be made over the same road, using a second section of the night express. Special programs have been arranged for the going and the returning trips and traveling as well with the Norfolk outing.

The Rotarians will be thoroughly enjoying themselves as well as gaining additional familiarity with Rotary aims and methods.

The Norfolk Rotarians will exert themselves to provide entertainment in nature and variety to impress the visitors from both Raleigh and Richmond.

CARPENTERS AND TINNERS JOIN IN PAINTERS' STRIKE

Refuse to Work and Demand Money When Non-Union Men Are Employed

Asheville, April 12.—Union carpenters and tanners, employed in the construction of several houses on Broadway which are being erected by J. T. Hildreth and Company, today marched from their place of work to the office of the firm and demanded their money when the places of striking union painters were filled by non-union men.

When the union painters of this city yesterday morning refused to return to their work by reason of the refusal of the builders and contracting painters to grant their demand for increase of wages, their places were filled by non-union men. The various foremen reported to their employers that there are a sufficient number of painters here who are not affiliated with the union to carry on all pending and proposed contracts and it will not be necessary for the employers to call on the painter of other cities to break the strike of the union painters which was declared a few days ago following the failure of the contractors to raise the scale of wages from \$2.50 to \$2.85 per day of eight hours.

Tomorrow is Carnation Sunday at the Star school of the Tabernacle Baptist church. Each member of the school has been asked to bring a carnation at the Sunday school hour. The flower will be attached to a wreath of white carnations to be formed. After the services the flowers will be distributed to the sick and the shut-ins of the congregation. There will be an elaborate program of music, including selections by the Tabernacle orchestra.

An effort will be made to have an officers' banquet of one thousand. Visitors will be made welcome.

PRESIDENT WILSON TO SPEAK AT ARLINGTON

was governed, and there have been times when I was ashamed of the way she was governed. I was ashamed tonight, miserably ashamed. (Applause.) When I left Raleigh in 1913 I left a clean town; when I returned I found blind tigers by the score. East of Raleigh is a city of mismanagement running riot. . . . I was constrained to paraphrase that old familiar "Farley" song, and I said in my soul, "Who's been here since I've been gone?" There is a certain fact in this city that is going to stand for whiskey, gambling, lewd women and the like. Are you going to let them control?

The Storm of Bond Issues.

"Mr. Johnson the man for mayor? Has he been able to successfully pilot the financial affairs of the city through the storm of bonds to which they have been subjected. On December 15th he entered into a contract with one "B. George," representative for Sidney Spitzer and Company, of Toledo, Ohio, for the sale of a hundred thousand dollars worth of bonds at a sacrifice. Do you think that was a good financing? Do you think the market lot sale transaction was good financing; placing the market house where it is being abandoned like rats leaving a sinking ship. Why, it is said that even the rate are leaving it. There was some good financing done, but somebody else did it.

"How about the Commissioner of Public Works? How about that bond sale of \$46,000? It has been said Dick Seawell was absent when the transaction was pulled off. If he was absent, who was he and has he been protected?

TWO THIEVES CAUGHT BUT GIVE CAPTORS SLIP

Thieves Appreciated As They Were Preparing To Ride Horses From Barn.

(Special to The News and Observer.)

Asheville, April 2.—Two young horse thieves were captured by City officers who entered into a conspiracy with the City of Asheville. The captor started to meet the sheriff with his quarry but in a thickly wooded section the horse thieves made a successful dash for liberty and eluded officers who were warned to be on the lookout for them in every section of the county. The horses were recovered.

FALSE REPORT

It having come to my notice that certain parties are circulating a report that I had made the statement that I elected to the office of Commissioner of Public Safety that I would force, if possible, all parties doing a market business to rent stalls in the city market, I hereby deny emphatically that I have ever made any such statement, and I wish to further say that I am in favor of a man doing business in any section of the city that he sees fit. I am for letting every man build up his business and do not favor anything that would tend to tear it down.

Yours for Bigger, Better and More Business,

Russians Claim To Be Pressing Germans Back

Eastern theatre of war was given out here tonight:

"On the Niemen front our troops, after stubborn fighting yesterday, continued their offensive. We drove back the Germans, inflicting heavy losses, and approached the German positions on the East of the Line Pliwki-Mariampol-Kalwarya-Suwalki—Augustowo.

"In the Carpathians on March 31, and during the night of April 1, our offensive was pursued with success. It was concentrated chiefly on the Volva-Mehol front in the direction of Uzoak Pass. Escalating under a violent Austrian fire, our troops after a long struggle carried with the bayonet an important range of heights and almost all the summits of the Polandia range to the North of the villages Veselina, Bereghel and Gorulya. Here our regiments took by assault an enemy front well organized and surrounded by two hedges of barbed wire and timber obstacles.

"A number of Austrian counter attacks in the region west of the railway to Mezolabores with forces recently concentrated here have been repulsed, the enemy suffering heavily. We blew up an enemy sap below one of his own trenches. After driving out the enemy we occupied the trench.

"The total number of prisoners taken in the carpathians yesterday was 32 officers and about 3,500 men. We also captured five machine guns.

"On the other sections of the front there is no change in the situation."

"From the latest information it would appear that we were opposed near Choin on March 30 by Units of the 42nd, Hoaved Division. We captured over 30 officers and 2,000 men."

EMPEROR FRANCIS JOSEPH SURPRISINGLY WELL

Hungary Not To Withhold Foodstuffs From Austria, Says Count Tisza.

Venice, via London, April 2.—Count Stephen Tisza, Hungarian Premier, speaking today of his trip to Vienna where he had an audience with Emperor Francis Joseph, said the Emperor appeared surprisingly well. The Premier showed the liveliest interest in all affairs of the State.

The Hungarian government is relinquishing all grain and flour in the country. Count Tisza today denied that Hungary intended to withhold foodstuffs from Austria and declared that any surplus would be sent to her.

INFLECT HEAVY LOSS ON FRENCH, SAYS BERLIN

German Declare They Drive Enemy Back Into Old Position.

(By the Associated Press.)

Berlin, April 2.—Via London.—The war office made the following announcement today:

Western theatre of war:

"Between the Meuse and the Moselle heavy artillery fighting has taken place. Infantry fighting near and in the forest of Le Pretre continued the whole night. West of the forest of Le Pretre French infantry attacks broke down under our fire. In our counter-attacks we inflicted a heavy loss upon the enemy and drove him back into his old position. The French are now in possession of only two most advanced positions.

"In the Eastern theatre of war the situation is unchanged."

CONSULAR ASSISTANTS

Two Virginians Appointed By President Wilson.

Washington, April 2.—President Wilson today appointed Hamilton C. Claiborne of Richmond, Va., and Duval Brown, of Harrisonburg, Va., to be consular assistants. Under the new law they do not require confirmation by the Senate.

SNOW FALL FAILS TO DISCOURAGE ROSEATE FORECAST OF WEATHER BUREAU

With snow falling at a lively rate and a prospect that there would be a depth of several inches by morning, the weather man nervily predicted fair weather for Easter. "The chance of its being warm are slim," he said, "but the storm will clear up Saturday morning and tomorrow and a bright sun on Easter Sunday may be a surprising lot in the way of reducing the cold."

Raleigh was yesterday in the grip of one of the worst snowstorms that it encountered even during the real winter months. The Weather Bureau indeed characterized the storm as the worst of the winter.

The storm originated near Cuba, where it had been unusually hot for the last two days. It developed with startling rapidity. It was noticed in Raleigh Thursday night, there were unusual upper clouds and a bright red sunset was observed which is the characteristic of disturbances that form in the tropics.

The storm this night was central east of Charleston where the pressure was 29.68 and the wind had reached light gale force. The pressure was falling at Hatteras and the wind blowing in the direction of Raleigh being in the cold quadrant of the storm got snow, and on the streets last night it looked as if one might have been up in Wyoming or Montana in the midst of blizzard. The amount of rain was relatively small, extending as far west as Asheville, as far north as Norfolk and as far south as New Orleans.

Rain was heavy of Florida, and no snow was reported in any part of this section at 8 o'clock. Up in Montana, the real home of the blizzard, it was 12 yesterday afternoon and some expressed the opinion that the snow was transported up there just for last night to see what real warm weather felt like.

MRS. NANCY STILES DIES FROM BURNS

Catawba County Now Has More Than 60 Boys and Girls in Its Poultry Club.

Newton, April 2.—Mrs. Nancy Stiles, wife of J. A. Stiles, of Catawba township, 11 miles east of Newton, died Tuesday afternoon of burns sustained during the early hours of Monday morning. Mrs. Stiles was 49 years of age and had suffered from asthma for eight years.

Owing to her ailment, she could not sleep in bed, but had to sit up, and it was while sitting before an open fireplace about 1 a. m. Monday that her clothing was ignited. She was alone in the room, and her screams awakened her husband in an adjoining room, who hurried to her, but not in time to prevent fatal burns. Mrs. Stiles besides being otherwise afflicted had cancer of the face. She lived until Tuesday afternoon.

The funeral services were conducted from Hopewell Methodist church yesterday afternoon at 2 o'clock by her pastor, Rev. A. G. Lottin. Mrs. Stiles was the stepmother of Mrs. Frank Sanders of this place. She leaves a husband who is about 50 years of age and no children.

Mr. Charlie Abernethy of Catawba, and Miss Wilma Steiner of Ansonville, were married a few days ago. They will reside at Catawba. After a bridal trip south they will be at home with Mr. Abernethy's parents, Mr. and Mrs. S. H. Abernethy.

County Agent H. K. Foster says he now has more than 60 boys and girls enrolled in his poultry club and expects to have not less than 75 active members before he is through. It is the intention to have a big poultry show here in the fall which will be unusually interesting because it will reveal the work of boys and girls—amateurs only; and in that will be a departure from the shows usually held by expert fanciers. Mr. Foster says the club work is moving along also. Interest in the girls' tomato club work is increasing and a great promise much that is encouraging in this.

Saturday in the courthouse here speakers for county commencement will be selected by a committee composed of Supt. C. M. Staley, of Hickory, Supt. A. P. Whitehurst, of Newton, and Supt. R. L. Walker, of St. James. The young gentlemen and ladies desiring to be best declaimers and recitators will be given a place on the commencement program to compete for prizes. Additional items on the program for commerce students include athletic sports on the athletic field of Catawba College. The town authorities will rope off the square and allow no vehicles to go upon it, so as to safeguard the hundreds of small children commencement day.

COMING HOME FROM EUROPE

Mr. J. M. Riggan, Jr., Will Probably Tell of Thrilling Adventures.

Word comes from J. M. Riggan, Jr., who has been in the European war zone, that he has sailed for home. It is Mr. Riggan's second attempt to get across, his ship springing a leak on the first effort, and being compelled to put in at Queenstown, Ireland. It is reported that the ship of which Mr. Riggan sailed had to run the gauntlet of the German submarines and that when he gets to Raleigh he will have some thrilling adventures to relate.
