for the next year: President, Mrs. J. W. Bunn; vice-president, Miss Paschal...

MUSICAL TREAT. A Delightful Program to Be Rendered By Meredith Voice Students.

The following program will be rendered Friday night at 8:30 at Meredith College by the vocal department of Meredith College:

1. Quintette—Exhortation—Cook—Mr. Ed. R. Smith, Mr. N. B. Broughton, Mr. A. J. Fletcher, Mr. W. B. Sawyer, Mr. E. Briggs...

2. Waltz—Prize Song, "Die Meistersinger"—Wagner—Mr. Edmund Smith.

3. Duet and I, "The Margaret"—Victor Hubert—Miss Margaret Haber.

4. Duet—Barcarolle, "Tales of Hoffmann"—Offenbach—Miss Johnson, Mr. Broughton.

5. Autumn (obligato), "Cycle of the Perfect Year"—Matthews—Mrs. Harrison Kaufman.

6. Dreams (piano and organ)—Wagner—Miss Edna Holloway.

7. Folk Song—Lullaby—Wagner—Miss Edna Holloway.

8. Duet—Flower Song, "Dove, Butterfly"—Puccini—Mrs. Dwell, Miss Holloway.

9. Excerpts from the Operas of Puccini—Visid'anti—La Tosca, L'addio—La Boheme, Quando mi va—La Boheme, One Fine Day—Mme. Butterfly, Mrs. Horace Dowell.

10. Quartette (two pianos), "Rigoletto"—Verdi—Mrs. Dowell, Miss Holloway, Mr. Smith, Mr. Fletcher, Accompanist—Miss Helen Marie Day.

Second piano—Miss Ruby Penny, Organ—Miss Mildred McIntyre, Violin—Mr. Rice Smith.

The director of the vocal department, Miss Helen Marie Day, wishes it known, that the public is cordially invited to this recital, and that, owing to the fact that the State Convention of Barbers and Philatelic Societies will be in session in Raleigh, no tickets will be issued, as has been the custom in former times.

ENTERTAINS FOR GUEST. Mrs. J. J. Spivey Is Hospitable Hostess at Spring Hope.

Spring Hope, April 21.—Monday evening from 8:30 to 11:30, Mrs. J. J. Spivey entertained a few of her friends in honor of her visiting guest, Miss Lillian Cherry, of Toronto.

By nine o'clock all the invited members were assembled in the parlors, where progressive rook was played. At ten o'clock Miss Edna Spivey entered with a contest on "Turkey."

Weddings and Engagements

Grandson of Governor Thomas Holt to Wed Macon Girl. Mrs. William H. Snowden, of Macon, Ga., has announced the engagement of her daughter, Adele Snowden, to Alfred W. Haywood, Jr., of New York.

Mr. Haywood, a native of North Carolina and a grandson of the late Governor Thomas H. Holt, is assistant counsel of the P. Hollard Company.

Mr. Haywood is the son of Mr. A. W. Haywood, of Haw River, and has many friends in Raleigh, where he lived for quite a number of years, who will be interested in this announcement of his approaching marriage.

A DOUBLE WEDDING. Misses Emily and Elizabeth Westbrook April Brides in Greensboro.

Greensboro, April 21.—There was a double wedding yesterday afternoon at the home of the Westbrook family, in North College street, when Miss Emily Westbrook was married to Mr. Wiley H. Simms of College Park, Ga., and Miss Elizabeth Westbrook was married to Mr. Clifton L. Leak of this city.

The home was tastefully decorated for the event. The first ceremony took place at 5:30 o'clock and Rev. C. W. Byrd was the officiating minister. The bridegroom entered with his father, C. L. Simms, of College Park, Ga., and the bride came in leaning on the arm of her father. She wore a traveling suit of blue and carried a shower bouquet of lilies-of-the-valley, immediately after the ceremony the couple left on a southbound train for their future home.

At 8:30 o'clock the second daughter of Mr. Westbrook, Miss Elizabeth, was married to Mr. Leak. Dr. Byrd was again the minister. Elmer Leak was the best man. Little Miss Anita Leak acted as bridesmaid. The bride wore a gown of ivory satin and carried a bouquet of lilies-of-the-valley and Killarney roses. Miss Marjorie Aiken, the maid of honor, wore a white net dress, trimmed with pink roses. Mr. Leak is a prominent young Greensboro man and is associated with his father, J. N. Leak, in business. The two ceremonies were witnessed by four guests, one of the bride's family, Mrs. Mary Ward, the great aunt of the two brides, being the oldest member of the family present.

MANY CONVERTED IN REVIVAL AT LENOIR. Prof. George O. Rogers Resigns as County Superintendent—Politics Quiet.

Lenoir, April 21.—The series of revival services, which have been in progress at the First Methodist church during the last two weeks, were brought to a close on Sunday evening, and Rev. W. M. Biles, who did all the preaching left for his home in Newton Monday afternoon.

The meetings drew in interest from day to day until the whole town was aroused and awakened as never before and the service Sunday night was a fitting culmination of the unprecedented interest previously manifested.

There were more than twenty-five professions of faith at the revival, and it is estimated that at least two hundred and fifty persons were either converted or reclaimed during this revival.

It is a result every church in Lenoir has had a powerful impetus given to its revival work, and an experience of an increase in its membership. Rev. Mr. Biles preaches only the plain, simple gospel truths illustrated with practical every day lessons and the tremendous crowds that flocked to every service clearly show the great demand for such a revival.

Prof. George O. Rogers, who has been superintendent of the Lenoir public schools for the last two years, has tendered his resignation to the board of trustees to take effect at the end of the present school term.

So far not a ripple has been raised on the sea of municipal politics despite the fact that the town election is less than two weeks off. A mass meeting has been called for Friday evening, at the court house to nominate candidates for the position of mayor and commissioners, and unless the people begin to "enthusiasm" at once, it looks like there will not be enough present to dispel the lonely feeling and the "spooklike" appearance of the auditorium. It is presumed that Mayor Williams has only served for a term of one year, and will be a candidate to succeed himself, but it appears to be a case of nobody knows and nobody cares and everybody indifferent.

Engineer David R. Shearer, who has been spending some time with his father, M. G. Shearer, has gone to Boone, where he will superintend the installation of the electric plant and water and sewerage system for the Appalachian Training School, located at that place. A most complete and up-to-date system will be installed by the school and besides the lighting of the various buildings and the supplying of the current to the town of Boone, all the coming for the large number of students will be done by electricity.

FIRE DESTROYS BARN. Young Man Relieved of 18 Pints and a Quart of Liqueur. Salisbury, April 21.—A fire which destroyed a large barn belonging to Mr. C. G. Medlin, near Salisbury, also burned a horse, and a large quantity of feed stuff and valuable farming implements.

Returning from a trip to Richmond a young man named Goodnight brought home more than the law allowed. He was not at the home of Sheriff Kridler, who relieved him of 18 pints and a quart and cited him for trial.

Farm Demonstration Agent W. B. Crumpton is busy in these days looking after terracing work. During the past week there was laid out ready for building 5,300 feet of terraces, and 1,000 feet were built under his supervision. During the same week he called in and looked over the work of 26 demonstrators, traveling 82 miles in his buggy. Mr. Crumpton is on the go now continuously on account of the increased interest on the part of many farmers in the work he is doing.

A great deal of interest has already been manifested in the meeting of the State Livestock Association, which is to be held here in January. The farmers of the county are all behind the meeting and will do their part in making it a success. Caleb Canup, aged 70, a veteran of the Civil War, is dead at his home near Salisbury after years of action, leaving a widow and five children.

MTI AIRY CITY TICKETS

Business at Granite Quarries on a Boom—Young Lady Thrown From Buggy and Injured.

Mount Airy, April 21.—The Citizens Convention is nominating meeting in this city and placed in the field the following ticket: For Mayor, Samuel Marshall; for Town Commissioners, W. J. Beyer, P. J. Smithwick, W. D. Bowman, Mal Davis and James H. Hays.

The regular Democratic convention nominated the following ticket: For Mayor, E. C. Bivens; for Town Commissioners, W. T. Haynes, T. N. Brooks, J. Beasley, F. P. Sparger and J. L. Yockey.

Some will be elected and somebody "get left," but that is the way it always happens—half of the candidates pull through while the other half are defeated. But be that as it may, Mt. Airy is going to have good men to fill the offices—no doubt about that. It is no easy matter to get a whole outfit of bad men in office at once, so whatever man happens to get in is no danger. All the nominees are good men.

Your correspondent spent a while at the quarries of the North Carolina Granite Corporation, and found everything on regular boom, long trains of rough and dressed stone going out to cities in all parts of the country. A train of more than twelve solid cars of stone was sent out Sunday afternoon and the quarries are busy.

The cutters and other workers are pushed to the limit and the big pay rolls have a wonderful effect on trade among the merchants. Harry Superior Court convened Monday at Dobson. A big crowd was on hand the first day as is the case generally and the court was organized after the ceremony the couple left on a southbound train for their future home.

At 8:30 o'clock the second daughter of Mr. Westbrook, Miss Elizabeth, was married to Mr. Leak. Dr. Byrd was again the minister. Elmer Leak was the best man. Little Miss Anita Leak acted as bridesmaid. The bride wore a gown of ivory satin and carried a bouquet of lilies-of-the-valley and Killarney roses. Miss Marjorie Aiken, the maid of honor, wore a white net dress, trimmed with pink roses. Mr. Leak is a prominent young Greensboro man and is associated with his father, J. N. Leak, in business. The two ceremonies were witnessed by four guests, one of the bride's family, Mrs. Mary Ward, the great aunt of the two brides, being the oldest member of the family present.

DR. P. P. CLAXTON SPEAKS. Plan For High School Education For Every Boy and Girl in The County, Asheville, April 21.—Dr. P. P. Claxton, commissioner of education of the United States, who was Asheville's first superintendent of public schools, delivered an address at the high school auditorium yesterday afternoon at which the teachers of the city and institutions and many parents and students were in attendance. Dr. Claxton's address was a plea for a high school education for every boy and girl in the country and he advanced many new ideas in telling how such a result may be accomplished.

The speaker expressed the belief that a teacher should be promoted with his pupils, that no instructor should be called upon every term to learn the characteristics and needs of a class of strange boys and girls that he becomes familiar with the students who are passing from under his control.

Dr. Claxton thinks that the students of the public schools are spending too much time in the elementary grades and he believes that the elementary course should be shortened so as to enable the students to enter the high school earlier. He spoke of the great work being done throughout the country by mothers' clubs and congratulated Asheville upon the success of its efforts of such an organization at this city.

The visiting educator left early in the evening for a western trip, arranging to spend a few hours here upon the invitation of Superintendent Harry Howell, of the local public schools.

STREET CARS TO RESUME SERVICE IN GOLDSBORO. New Cars, New Rails and Extension of Line is Planned. Goldsboro, April 21.—In a short while the street cars of Goldsboro will again be running on schedule time, and new rails and cars will arrive in a few days and work will at once begin on the extension of the present line, which will almost belt the entire city.

At a meeting of the stockholders of the company last night the charter and by-laws for the government and management of the company's affairs were passed upon and adopted and the election of a board of directors ratified.

Subsequently the board of directors met and elected officers of the company for the ensuing year as follows: President—Geo. S. Dewey. Vice-President—W. E. West. Treasurer—J. M. Allen. Secretary—W. E. Stroud.

At a special meeting, held last night in St. Paul M. E. church, the City Union, with the support of all the members, elected the following officers: President—W. E. West. Treasurer—J. M. Allen. Secretary—W. E. Stroud.

A Message To Thin, Weak, Scrawny Folks. An Easy Way to Gain 10 to 20 lbs. of Solid, Healthy, Permanent Flesh. This, nervous, undeveloped man and woman everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good, nourishing food. The reason is just this: You cannot get fat, no matter how much you eat, unless you digest what you eat. The fat-making elements of your food instead of passing them out through the body as waste are assimilated into your system."

What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats of the food, and to send the blood where they may reach the starved, shrunken, run-down tissues and build them up. This is done by the use of a dry sponge—sugar and honey for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh-building elements and to stop the leakage of fat is to use Sargol, the recently discovered regenerative force that is recommended so highly by physicians and chemists. Take this little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm, healthy flesh are deposited on your body. Sargol does not trouble you and projecting point. Lending good drug-gifts have Sargol, or can get it from their regular supply. It is inexpensive, easy to take and highly effective.

Caution—While Sargol has produced remarkable results in overcoming nervousness, it should not be taken unless you are willing to gain ten pounds of more, for it is a fat-builder.

The high pressure area, which was over the Great Lakes Tuesday night dropped south with cooler weather, and was centered near Atlantic City. The principal disturbance was central in New Mexico. Rain was confined to scattered showers and thunderstorms.

TIRE FEET

ACHED FOR "TIZ" Let your sore, swollen, aching feet spread out in a bath of "TIZ."

Just take your shoes off and then put those weary, sore-crinkled, aching, burning, chorn-pestered, bunion-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." It's grand—its glorious. Your feet will dance with joy at you and almost talk and then they'll take another dive in that "TIZ" bath.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause tortures.

Get a 25 cent box of "TIZ" at any drug or department store—don't wear Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

churches, voted to extend an invitation to the State Bar and Philatelic Convention to meet in this city next year.

ADJUDGED NOT GUILTY OF GIVING WORTHLESS CHECKS. Marshall Merchant Claims They Were Ralston—Those Charged With Ralston Dismissed.

Asheville, April 21.—J. Frank Phillips, a Marshall merchant who gave many checks in payment of bills incurred during a week's pleasure trip in Asheville, yesterday was adjudged not guilty of giving worthless checks when tried in the city police court. He said that he had made out all of the checks with a pencil and that all of those which were turned down by his bank had been raised for in excess of the amount for which they were drawn.

Accommodating Asheville people are holding the worthless checks in large numbers. Phillips having paid for many necessities incident to having a good time away from home with checks which were cashed readily when presented at places at which he traded.

MR. HAM TAKES BRIDE. Greene County Man Thereby Puts an End To Suit. Kinston, April 21.—Cupid settled the troubles of William Ham, a prominent young Greene county man, and Miss Lizzie Cole, a pretty Whiteville, N. C. girl who caused his arrest at Snow Hill recently. Miss Cole ran away from her home, it is said, to go to Snow Hill and accuse Ham. He was for a time in 1914 employed in the vicinity of her home at Whiteville. Ham after his arrest was to be carried to Whiteville for trial. However, the resourceful young god got on the job and as the result of his arbitration of the matter Miss Cole became Mrs. Ham. They are to reside in Greene county, it is said.

The Weather. LOCAL OFFICE U. S. WEATHER BUREAU. FORECAST. Raleigh, N. C., April 21, 1915. For North Carolina: Partly cloudy Thursday and Friday; fresh east winds.

WILL SEEK METHODS TO EXTEND TRADE

New Commission Will Open Hearings in New York Next Month—Favorable Time to Act.

Washington, April 21.—The Federal Trade Commission will open hearings in New York City the first week in May to ascertain the views of exporters on methods of selling American goods in the markets of the world. All the commercial and industrial organizations interested in foreign commerce will be invited to submit information and recommendations on extension of our trade.

The commission, which has only in the last few weeks organized and entered its offices in the Department of Commerce, regards the exchange of views on this phase of our commerce as the question of first importance at this time. Manufacturers, exporters, and bankers are all interested in the initiation of a movement that will enable Americans to enter the foreign markets on an equal footing with the commercial representatives of Great Britain and Germany, the two principal competitors.

Wherever German trade has gone banking facilities, transportation systems and methods of conducting commercial transactions have been supplied with tremendous advantage over clumsy and inefficient American methods. American bankers, until recently, it is said, have withheld such cooperation and this will form one of the chief subjects of inquiry.

Another subject of the New York hearings will be the consolidation or sale operations so as to reduce expense and secure opportunities for strengthening facilities for extending credits and maintaining exchange. German and English trade agencies are permitted by their governments to effect combinations that are not allowed under the administration of our laws in regard to trusts. President Wilson has expressed sympathy with those desiring a change in the methods, and it is not unlikely that one of the important results of the coming hearings will be an arrangement by which the government will give its sanction to consolidated sales bureaus for American industries.

The commission is also expected to try to formulate a theory of what foreign trade conditions will be after the war and direct their recommendations accordingly.

GOOD FOR SOIL PREPARATION. Truck Throughout South Is Generally Late and Retarded by Cool Nights. Washington, April 21.—In the cotton belt and early truck regions of the South the weather during the week just ended was favorable everywhere for preparation of the soil and for cotton planting and other operations progressed satisfactorily. The National Weather and Crop Bulletin of the Department of Agriculture announced today.

"The soil is well supplied with moisture in Texas, Oklahoma and portions of Arkansas and Louisiana, but to the eastward the ground is becoming dry and rain is needed for germination of seed," the bulletin says. "Truck throughout the South is generally late and growth was retarded during the week by cool nights and lack of rain."

MOTHERS' CLUB FORMED. Initial Step at Asheville Looks To City Wide Federation. Asheville, April 21.—The Mothers' Club of the Orange Street school yesterday inaugurated a movement looking to the formation of similar organizations among the patrons of the other local schools with a view to the formation of a city-wide federation next year. The matter will be presented to the various school patrons throughout the city during the remainder of the spring and in the

Overnight Relief For Constipation

When the bowels become clogged with a mass of poisonous stomach waste, sick headache with all its attendant misery, belching of sour stomach gases, bloated and general discomfort are sure to follow.

A mild, pleasant laxative- tonic that will carry off the congested mass without upsetting the stomach or griping the bowels is the combination of simple laxative herbs with peppin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. A dose taken just before retiring will afford grateful relief next morning, without unpleasantness or discomfort.

Dr. Caldwell's Syrup Pepsin is the ideal family remedy, especially for the women and children and old folk. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 463 Washington St., Monticello, Ill.

summer with the hope that next September will see a Mothers' Club at every Asheville public institution of learning.

NORTH CAROLINA SURGEONS OBSERVING OPERATIONS. Receiving Instruction in New York Hospitals. New York, April 21.—Sixteen leading surgeons of North Carolina were in New York today observing operations for various New York hospitals to perfect themselves in the latest methods of surgery. On their first day here forty operations reserved for their instruction were conducted in the post-graduate hospital and others were observed in Mount Sinai Hospital.

Later the party of surgeons will visit hospitals in Boston, Baltimore, Philadelphia and Rochester.

BRITAN IN TEMPERANCE FILM. Paces for Prohibition Movie to be Shown in Congress. Washington, April 21.—Secretary Bryan's portrait, together with those of Secretary of the Navy Daniels, Congressman Richmond P. Hobson, and Senator Burton of Ohio, Clark of Wyoming, and Jones of Washington, and many other ardent advocates of temperance, are included in the film, "Prohibition," which the advocates of temperance are now planning to flash on the walls of the Capitol in Washington by way of opening their national prohibition campaign. Dr. P. A. Baker, General Superintendent of the Anti-Saloon League of America, who is in charge of the "dry" legislation at Washington, said yesterday that the temperance issue could be brought to the greatest number in the shortest possible time by the use of the motion picture.

Secretary Bryan, who heads the national movement, was photographed for the first time in his office. One view shows him signing a copy of the national pledge, subscribed to by boys all over the country.

"In planning to launch the movement from the point of greatest vantage to our cause, we chose the walls of Congress because nowhere is there more interest centered," said Dr. Baker. "Our film is not a sermon, not a lecture, but the unfolding of a story of the lives of those who fell, either through inheritance or through misfortune, and who consequently conquered the evil habit and came forth to triumph and happiness."

FEEL BILIOUS? CALOMEL SICKENS! CLEAN LIVER AND BOWELS MY WAY

Don't lose a day's work! If Constipated, Sluggish, Head-achy, take a spoonful of "Dodson's Liver Tone."

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and all knocked out, if your liver is torpid and bowels constipated or you have headache, disordered, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel, because it is real liver medicine, entirely vegetable, therefore it cannot siltate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless—doesn't gripe and they like its pleasant taste.—Adv.

GOLD DUST - its use is second nature in millions of homes. Gold Dust really works. Millions of women know how Gold Dust does the hard work of washing dishes, scrubbing floors, and washing woodwork. But not all of these millions of women realize that Gold Dust is the only washing and cleaning powder needed in any home. Gold Dust cleans metal work, nickel, enameled ware, aluminum vessels, etc., without scratching or marring the polished surface. Use it for washing bathtub and bathroom fixtures, cleaning and brightening pots, pans and cooking utensils, cleaning and freshening linoleum and oilcloth, washing glassware—in short, use it to clean and brighten everything. 5c and larger packages sold everywhere. GLENN FAIRBANKS BAKERS
