In and About the City

New Station Established.—A new station has been established by the Seaboard and Southern this side of Cary at the new railroad switch. The station is known as Fetner.

Mr. Newbold to Smithfield.—Mr. N. C. Newbold will leave today for Smithfield, where he will go in the interest of the State Department of Education. On Friday he will be in Asheville on the same errand. ille on the same errand.

wille on the same errand.

Mr. Wright is the City.—Mr. Geo. W. Wright of Salisbury, is in the city visiting his daughter, Mrs. Harry M. Unile. He is on his way to Henderson to meet with the Funeral Association in that city.

Commission to Washington,—The Corporation Commission left yesterday for Washington, where it will appear before the interstate Commerce Commission in the case of the appeal of the Virginia cities alleging discrimination against him in rates into North Carolina. The case has been continued from Richmond.

No Clue Yet.—The police as yet have found no clue to lead to the arrest of the person or persons guilty of breaking the eafe of the Oak Clty. breaking the safe of the Oak City, Steam Laundry and taking therefrom over \$200 early Monday morning or Sunday night. The police adhere to the belief that the work is that of ex-

Nurses Preparing To Move.—The work of connecting the Nurses Home with the administration building at Rex hospital was begun yesterday. The work will be completed about the middle of the month. The doors and windows will also be thoroughly screened before the summer sets in.

In.

Has Returned to Raleigh.—Dr. A.
R. Tucker, who has been taking post
graduate work in the University of
Louisville, has returned to Raleigh,
and will give his entire time to the
practice in this city. Offices in Citisens National Bank building. Phones:
office 798, hospital 490, residence
1454. 5-5-1t. (mdv.)

To Open Office.—Dr. W. M. Cooper, the new Chief of the Bureau of Rural Santation connected with the State Board of Health, will be in Raleigh today to open the office on the fourth floor of the State Department Building. This will be a very busy department of the State Board this summer, as the health work along rural lines will be greatly emphasized.

Fire Alarm Secret.—Who turned in the forty-one firm alarms which broke

Fire Alarm Scores.—Who turned in the forty-one firm alarms which broke the stillness of the night on Monday with the screeching answer of the Raleigh fire trucks is still a scoret. The fire department is earnest in its argument that the answer to the alarms was necessary at all times. Who turned them in is a question that

Who turned them in is a question that is up to the police.

Work Continues on the Federal Building.—Both down stairs in post office and up stairs in the departmental offices, painters are at work applying the finishes to the walls of the Federal building. It is taking every one a long time to get settled in their offices as the departments were moved before the finishing touches were made on the stone wainscoting and the walls still need a little retouching.

Personals.

TWO KILLED BY LIGHTNING.

The patience, the fortified, the stolline faith during the period of expectancy are second only to the mother love bestowed upon the most helpless but most marvelous creation—a baby.

Women are quick to learn from each other those helpful agencies that aid to comfort, that conserve their pervous energy and yet are perfectly safe to use and among these they recommend "Mother's Friend."

It is entirely an external application

"Mother's Friend."

It is entirely an external application designed to inbriente the broad, first muscles and skin that protect the abdomen. It has been in favorable use for nearly half a contury and is known to mothers in almost every settled community in the United States who highly recommend it. You will find it on sale in drug stores. "Mother's Friend" is utterly harmiess, contains no deadening drugs and yet its influence in the skin and muscles beneath as also upon the network of nerves beneath the skin is very beneficial, very soothing and a wenderful help. The muscles expand naturally and are not subjected to unneces

wonderful help. The muscles expand naturally and are not subjected to unnecessary surface strain and pain.

Get a bottle of "Mother's Friend" today at any arug store and write to us for our instructive little book to mothers. Address Bradfield Regulator Co., \$13 Lamar Bidg., Atlants, Gs.

HAD TRUNK OF LIQUOR. Offender at Wilson Sent to Roads for Four Months. (Special to The News and Observer

Wilson, May 4.—When W. M. Mil-ler alighted from the Norfolk train last night Police Officers W. A. War-ren and W. M. Meacom suspected that he had just returned from a "whiskey trip." When the transfer man deliy-ered his trunk they were armed with the necessary papers and when the trunk was opened it was found to con-tain two four gallon kegs of booze. Miller was locked up for the night and this morning to Mayor Dickinson he acknowledged "the corn" and received a four months' sentence on the roads.
