

# No Other Tire Tempts Goodyear Users

**T**HERE are still thousands who think that one tire is much like another.

But the largest single group of tire buyers in America evidently does not think so.

The proof of this is, that they continue to buy one Goodyear equipment after another, year after year.

If they did not prefer Goodyear Tires to any others, they would surely be tempted away by the special discounts offered on scores of other makes.

But they are not tempted away.

Goodyear branches, Goodyear Service Station Dealers, Goodyear salesmen all say the same thing—that these customers buy, and buy, and buy again.

Goodyear buyers are sane, clear-headed, careful buyers like yourself.

They firmly believe in Goodyear quality and Goodyear features, because they have found that they make these tires go farther, last longer and so cost less in the end.

The Sign of the Goodyear Service Station Dealer

It is unwise to judge a man by the criticism of his enemies. Only his friends can properly denounce him.

When a young man is intoxicated with love he has his own ideas as to what makes the world go round.

You can generally tell false teeth from real ones because they are more perfect than natural teeth.

## MANY EXCITED MEN VISITED GOLDSBORO

Probably Have Had a Lynching If Sheriff Had Not Removed Negro

### HORSE KILLED BY AUTO

Mrs. L. C. Powell and Her Two Children Badly Bruised in Automobile and Buggy Collision; Mrs. John A. Cotton Dead; Sergeant Bailey, of Police Department, Quits.

News and Observer Bureau, Chamber of Commerce Rooms. BY BYRON FORD

Goldsboro, Oct. 23.—There is no doubt that Sheriff Edwards nipped a lynching in the bud when he last night removed Willie Hines, the little negro accused of attempted criminal assault upon Katherine Aswell in Greene county, from Wayne jail to State prison. The sheriff left here about 7 o'clock. Even then a mob was forming. By 11 there were clusters of excited men all about the streets and officials were having difficulty in convincing them that the negro had been sent to Raleigh. It was not until a deputy offered to show some of them the interior of the jail that they were convinced that their prey had been put beyond their reach. There has been one lynching in Wayne during Sheriff Edwards' time. There will not be another, unless the mob get possession of the prisoner before he is handed over to the sheriff.

**Auto Kills Horse.**  
Mrs. L. C. Powell and her two children were badly bruised and the horse they were driving was killed when an automobile driven by Ed. Edmundson, of Saulton, struck them Saturday afternoon. The accident occurred on Park Drive, near the Orphan's Home.

**Rosewood School Opens.**  
Rosewood public school opened today with a good enrollment. Superintendent Atkinson attended the opening exercises and was very well pleased by the showing made. Rosewood is one of the most progressive schools of the county and starts the present season with a much enlarged building.

**Labels for Canning Clubs.**  
Fifteen thousand labels for bean and tomato cans were today received in the office of Mrs. Estelle T. Smith, county home demonstration agent, for use by canning clubs of Wayne. These labels will be forwarded to the different clubs this week and will hardly be more than enough for one year's canning.

**Sergeant Bailey Quits.**  
Sergeant E. R. Bailey, one of Goldsboro's most efficient police officials, has quit the job. His resignation took effect today. No reason for his action is assigned other than that he was tired of the job.

**Mrs. Cotton Dead.**  
Mrs. John A. Cotton died at her home here last night after an illness of several months. She leaves her husband, one son and one daughter. Funeral services were conducted from her late home by her pastor, Rev. George T. Watkins, of the First Baptist church. Interment was made in Willow Dale cemetery.

**E. J. Denkins Drives Black Maria.**  
E. J. Denkins, for many years a city employe, has been sworn in as a member of the Goldsboro police department. His duties will be confined mostly to driving and caring for the Black Maria, recently purchased.

**Dr. and Mrs. Knox Pass Through.**  
Dr. and Mrs. Knox, of Raleigh, passed through the city this morning bound home from a successful fishing trip to Beaufort. They report that fishing is very good in the peag and sound.

**Superintendent Howard Visits Rosewood.**  
George Howard, superintendent of education for Edgecombe county, was here last week to visit friends in the Rosewood section and to attend the big Pine Forest Sunday school picnic.

Howard taught in the Rosewood schools for several terms, resigning there to go to Edgecombe, where he succeeded Superintendent Pittman.

Miss Lela Hooks, a Wayne young woman who teaches in an Edgecombe school, also attended the picnic.

Bright and early this morning the hum of activity spread through the Chamber of Commerce rooms. City and telephone directories were busily scanned for prospective members. Typewriters were busily clicking advertising to passer-bys that the Chamber's board of strategy was preparing for the great membership campaign next week.

Literature of every description, including prospect cards, charts, tags, window and headquarters cards were being prepared. These are to be so used and distributed that the people of Goldsboro will understand the purpose and value of an up-to-date, efficient Chamber of Commerce. From now on the News and Observer will give an account of the manner in which the business men of Goldsboro arise to the opportunity for community service.

**Small Fire.**  
Fire among a lot of trash behind the Isaacs store called out the fire department today shortly after noon. Practically no damage was done.

**Personal.**  
Mr. and Mrs. Joseph Isaacs and their daughter, Miss Ida, returned last night from New York where they had spent several weeks.

J. H. Felts, editor of the LaGrange Journal, and Charlie Smith, of LaGrange, were visitors here last night. They came with the posse in charge of the little negro whom so many wanted to lynch.

Col. Fred A. Olds, of Raleigh, was here today.

## Madame Rappold Would Not Sing With a Talking Machine

but you may hear her at our Concert Hall on Thursday afternoon of this week from 4 to 6. . . .

COME AND BRING A FRIEND

CAN you imagine Madame Rappold of the Metropolitan Opera appearing in public and singing with a talking machine? Of course you cannot. Madame Rappold is one of the world's greatest artists. She would not prostitute her art in that way.

She Does Sing With

## The NEW EDISON

At Carnegie Hall, New York's inner shrine of music and elsewhere, before 35,000 people, in the aggregate, she has stood beside the New Edison and sung in unison and in comparison with Edison's Re-Creation of her voice, and the music critics of America's leading newspapers concede that Edison's Re-Creation of her voice is indistinguishable from that wonderful voice as it comes from her own golden throat.

Not a Talking Machine

The New Edison is not a talking machine. It is the world's most wonderful musical instrument. We want you to hear it.

COME TO OUR STORE We have been licensed by Mr. Edison to demonstrate this new invention. We should like to give you an Edison Musicale.

tion actually accomplished. He has shown skill and tact on business and industrial measures, and a spirit of warm sympathy on social questions. The Republicans propose no discoverable change in domestic policy except on the tariff, where they threaten a return to a crude protectionism.

"No man who is confronted with the responsibility of setting courses of action on matters so difficult as those of the last four years can always reach the precise decisions which the latter course of events will justify. It is easy to allege mistakes in foreign and domestic policy. I have differed with the President on the method of following him in dealing with the railroad strike situation. But his Presidential career shows a clear preponderance of wisdom and achieved success; and there is convincing evidence of high capability, fine character, noble ideals. I shall vote for President Wilson."

**Pensions to North Carolinians.**  
Washington, Oct. 23.—Pensions have been issued as follows: Mary J. Petty, Roaring River, \$12; Mary Queen, Osbornville, \$12.

Any small boy knows more about his big sister in a minute than a man can find out during a year of courtship.

## Like A Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor says Nuxated Iron is greatest of all strength builders. Often increases the strength and endurance of delicate, nervous folks 200 per cent. in two weeks' time.

NEW YORK, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man. In fact, a young man he really was notwithstanding his age. The secret he said was taking iron—nuxated iron. He had filled him with renewed life. At 50 he was as healthy as at 45; careworn and nearly all the time suffering from indigestion, nervousness, loss of sleep, etc. Now at 50 a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only throw away patent medicines and mass-produced concoctions and take simple nuxated iron, I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia, grippe, catarrh, bronchitis, liver and heart trouble, etc. The real and true cause which started their disease was nothing more nor less than a weakness in the blood. It is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much of what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in a soil deficient in lime. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary aspirin from three times a day per day again for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while, double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days simply by taking iron in the nuxated form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old form of reduced iron, iron acetate or sulphate or iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the arena, while many another has gone down to ignominious defeat simply for the lack of iron.—E. Sauer, M. D.

**NOTE.**—Nuxated Iron, recommended above by Dr. Sauer, is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not irritate the stomach, does not make the tongue black, nor upset the stomach; on the contrary, it is a most potent remedy in nearly all forms of indigestion, as well as the nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100,000 to any charitable institution if they cannot take any man or woman under 50 who lacks iron and increase their strength 200 per cent or over in four weeks' time provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by King-Crowell Drug Co. and all other druggists.—Adv.

## Durham Business School

An ideal business school which has not only assisted all of its graduates to positions but has secured employment for 85 per cent more than the number graduated, which fact is convincing proof of the real demand for its trained workers.

**MRS. WALTER LEE LEDNUM, President**

# FATIMA

## A Sensible Cigarette

More men are now smoking SENSIBLY—

**M**EN ARE willing to think a little more carefully today even about the cigarette they choose.

That is good sense. For if an otherwise good cigarette is unfortunate in its blend—if it disturbs after continued smoking—it is not worth while.

The one reason why Fatimas appeal strongly to so many thinking men is that they do not disturb. Fatimas are truly comfortable—comfortable to throat as well as tongue. And they always leave a man feeling fine and "fit" even after a long-smoking day.

### DISASTROUS FIRE IN LOUISBURG SUNDAY

(Special to The News and Observer)

Louisburg, Oct. 23.—Early Sunday morning fire broke out in the cotton yard of this place, near the S. A. L. depot, destroying about 225 bales of cotton, a cotton shed, a warehouse containing a quantity of hay and four box cars, two of them loaded with cotton, the total value being about \$20,000.

The warehouse, cotton shed and 83 bales of cotton was the property of C. T. Stokes, a cotton buyer, who had only \$1,000 insurance. He had purchased about 90 bales on Saturday. A. W. Person, another cotton buyer, lost 80 bales, with \$2,000 insurance. The Seaboard Air Line Railroad was responsible for the remainder, which was covered by insurance. Perhaps 60 per cent of the cotton will be saved. Mr. Stokes will be the principal loser, his net loss being about \$4,000. The origin of the fire is unknown.
