Appreciation

WE wish to express our great appreciation for the 1916 volume of business — practically DOUBLE THAT OF ANY PRECEDING YEAR.

TRENTON STEEL FRAME DESKS with genuine Cherry Wood and our STEEL FRAME SCHOOL CHAIRS have been winners. Practically every important order in Virginia, Carolinas and Georgia, where considered in competition, has been awarded us.

TAYLOR SCHOOL, NORFOLK, VIRGINIA
Now being erected. Contracts awarded us for about 600 Trenton Steel Desks and same number Steel Frame Chairs, December, 1916.

Notwithstanding the tremendous increase in volume, we have been able to ship nearly every order on time.

We are making preparations for a still greater business this year.

We have stock of Crayons, Black Boards, Desks, Book Cases, etc., in RALEIGH WAREHOUSE.
