

JAMES B. ANDERSON IS ONLY SLIGHTLY WOUNDED

Case of George W. Williams Goes Over Until Next Term Court; Gas Instructor

(Special to the News and Observer.) Wilson, Sept. 4.—Dr. and Mrs. W. S. Anderson today received a letter from their son, Corporal James B. Anderson who, a few days ago, was officially reported from Washington as being severely wounded on a battlefield in France on August 4.

The letter was written by the young hero himself on August 7—three days after being wounded. He states in the letter that he is in a base hospital and only slightly wounded in the hip; that had it not been for a silver cigarette case that he carried on his hip the wound probably might have been more serious.

True Bill—Charging Murder. The grand jury on Tuesday found a true bill against Mr. George W. Williams for killing Carl C. Viverette at Elm City on June 27. After being arraigned and defendant pleading "not guilty," by consent, the same bond of \$5,000 was renewed and the case was set to be heard at the next criminal term of Wilson superior court which convenes September 30.

Flag At Half Mast. Old Glory, on the court house green is at half mast in honor of Private John Dewey Adams who died from wounds received on August 5. The sad event has not been officially reported, but the parents of the young hero (who volunteered with Co. K, the Wilson Light Infantry under Captain L. D. Giddens), received a letter from a Red Cross nurse yesterday that the young man died at a base hospital the day after being wounded. Some time ago it was reported that Co. K, to a man, was insured for \$10,000, and if this be true, while no money can compensate parents for the loss of a child, it will be a God-send to the parents who have a large family of children to support.

Trench Gas Instructor. Lieutenant Frank Barnes Davis, who went across with Cox's artillery and who has seen actual service on the battlefields in France is on his way back to America, having been sent back to instruct our soldiers in the use of trench gas before crossing overseas. Where he will be assigned is not definitely known.

CULLIPER KILLING CASE TO COME UP IN JONES COURT NEXT WEEK

Three-Story Brick Building To Be Built In New Bern; Funeral of W. L. Arendell

(Special to the News and Observer.) New Bern, N. C., Sept. 4.—A special term of Jones county superior court, will be held at Trenton beginning next Monday, September 9, with Judge Whedbee presiding and Solicitor Horton prosecuting.

The most important case to come up for trial will be that of State vs. W. J. Morton and sons, who are charged with the killing of James Culliper on the night of July 22 by shooting. Morton and his sons are now in Craven county jail for safe keeping and will be removed next Monday.

It is alleged that on the night of July 22 Morton and his sons went to the home of Culliper and shot him to death with buckshot for threatening to report the former for making and selling whiskey, which is said to have been the common gossip around Mayville. Arriving at Culliper's home, they are alleged to have called him to the door, where he was riddled with shot, dying almost instantly. Culliper's wife fell on the floor in a faint, which probably saved her life, as the Morton's fired a volley of shot into the bed where the woman was a few minutes before.

Several prominent attorneys have been retained both by the State and the defendants, among them being Messrs. D. L. Ward and Jule K. Warren, of Trenton, who will assist Solicitor Horton with the prosecution, and the firms of Moor & Dunn, and Abernethy, Henderson & Willis, who will plead for the defendants. With this brilliant array of legal talent, the case will no doubt be strongly contested.

Many witnesses have been summoned both for and against the defendants. Building Activities. Mr. John C. Rhodes, who owns the property of South Front street next to the New Bern Grocery Co., is having the old building razed and it is his intention to erect a three-story brick building to be fitted up with offices. It is proposed to have all modern equipment including steam heat.

Funeral of Mr. Arendell. The funeral services over the remains of the late W. L. Arendell, who died at his home in Morehead City Monday night, were held Tuesday afternoon from the Methodist church at that place by the pastor, Rev. R. H. Boone, assisted by the Baptist minister and the pastor of the Northern Methodist Church. Beautiful floral tributes attested the esteem in which the deceased was held. During the funeral services all the stores of the city were

RINGWORMS ON BABY'S HEAD Rough and Red. Hair Came Out. Cuticura Healed. "When my little boy was a month old he had four large scaly-looking ringworms on the top of his head and they almost covered it. They were the worst I ever saw. They were rough, red, and some were white, and he cried most of the time. Every bit of his hair came out. "I tried everything that people would tell me but they did not help. I sent for a free sample of Cuticura Soap and Ointment and then bought a cake of Cuticura Soap and a box of the Cuticura Ointment, and they healed him." (Signed) Mrs. L. Birchett, 205 Ford St., Ridgedale, Tenn., Jan. 7, 1917. Most skin troubles might be prevented by using Cuticura Soap and Ointment for every-day-toilet purposes. Sample Free by Mail. Assume name—Cuticura, Dept. S. Boston. Send 10-cent stamp for Cuticura Soap and Ointment to Dept. S., Boston, Mass.

RELIEVED FROM ITCHING BURNING ECZEMA

Gives Resinol the Whole Credit Aug. 15.—"For some time I suffered frightfully from eczema on my legs. From my knees down they were covered with scales, and itched and burned as though hot coals were resting on them. I would scratch until the blood came, and was unable to sleep at night. Nothing that I tried helped me, until a drug-gist recommended Resinol Ointment. After applying it once, I enjoyed the first good night's sleep I had had in weeks. Now I am sound and well after using a little over one jar of Resinol Ointment, to which I give the whole credit." (Signed) F. B. Price, 414 Downey St., Indianapolis, Ind. Resinol Ointment and Resinol Soap are carried in stock by all druggists.

closed, paying a loving tribute to a good citizen in an earnest church man. At the conclusion of the funeral services the remains were taken by boat to Beaufort and interred in the cemetery there. Five boat loads of friends accompanied the remains of Mr. Arendell.

He was at the time of his death postmaster of Morehead City and was in his 71st year.

Passed away, at his residence in Powhatan county, Va., Henry Embree Taorman, in the eighty-ninth year of his age. He leaves one daughter, Miss Hallie E. Taorman, who was for many years director of music at Oxford College, Oxford, N. C.

Obscure understanding is indicated by silence when one should speak and by speech when one should remain silent.

STOP DANDRUFF! HAIR GETS THICK, WAVY, BEAUTIFUL

Girls! Draw a cloth through your hair and double its beauty.

Spend a few cents! Dandruff vanishes and hair stops coming out.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff, is merely a matter of using a little Danderine. It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed, and within ten minutes there will be an appearance of abundance, freshness, softness and an incomparable gloss and lustre, and try as you will, you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp. Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp, and it never fails to stop falling hair at once. If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries it.—Adv.

LIEUT. L. G. EVANS INJURED.

Pennsylvania Officer Is Being Carred For at Home of Mrs. Frank Page.

(Special to the News and Observer.) Aberdeen, N. C., Sept. 4.—Lieut. Leiland G. Evans, of Boonville, Pa., Sunday was thrown from a southbound Seaboard Air Line train and has had his left foot badly hurt. He was taken to a hospital and later to the residence of Mrs. Frank Page, where he is being given every attention possible.

Lieut. Evans was returning from a visit to his home and on his way to Camp Johnson at Jacksonville, Fla. Orders have been received for him to be sent to the nearest military hospital as soon as he can be safely carried.

SELMA SCHOOL HAS GOOD OPENING MONDAY.

Selma, Sept. 4.—The Selma school opened on Monday with about 500 children in attendance. Many of the children were accompanied to the school by their parents. An address by the superintendent, Prof. E. H. Moser, was a feature. The people of Selma are going to cooperate with him in making the school as efficient as possible.

On last Friday night a community reception was held for the purpose of cementing the people of the town in the school work. The town has a \$60,000 school building.

WELL KNOWN MAN OF KERNERSVILLE PRAISES "DRECO"

Gas on Stomach, Pains, Burning, Choking Sensation, Headaches and Kidney Trouble Relieved by the New Root and Herb Medicine.

People suffering from gastritis, headaches, constipation, pains in the back and limbs, catarrh, rheumatism, nervousness, poor appetite, unsteady sleep and other troubles caused by a deranged stomach, sluggish liver or weak kidneys have found great relief by taking Dreco, the great system tonic made from the juices and extracts of many different roots, herbs, barks and berries. That this is true is proven by the signed statement from responsible persons right here in our own country and city. For instance, the statement made by Mr. W. D. Branson, a well known and highly respected Guilford County man resides near Kernersville, in telling his experience he said: "I read so much about the new medicine Dreco I decided to try it, but I had tried so many medicines that I had lost faith in them all. But this Dreco is different from the others and the first few doses helped me and soothed my stomach. I have taken one bottle and came to by three more now for I have great faith in it. It's the only medicine that has eased my stomach and stopped the gas. I eat anything I want now and never have that full up feeling nor the burning." "My kidneys are also much better and I don't have to get up during the night as I formerly did. Dreco is fine and I am glad for you to publish my case for it may help some one else get well, who reads it." "What should be more convincing than the statements of well known people right here in the Tar Heel State? The owners of Dreco don't you believe what they claim for it but what persons who have taken the medicine say. Doesn't that show an honesty of purpose?" Dreco is sold by most good druggists and is particularly recommended in Raleigh by all druggists.—Adv.

APEX TOBACCO MARKET OPENS WELL AND PRICES RULE HIGH.

(Special to the News and Observer.) Apex, Sept. 4.—The tobacco market opened here today with more tobacco than could be handled in one day. About two hundred thousand pounds were sold. The price was declared to be excellent, averaging about forty dollars per hundred. The farmers were very much pleased with the prices and treatment.

Mr. B. F. Godfrey Dead.

Jonesboro, N. C., Sept. 4.—Mr. B. F. Godfrey died at his home here this morning at four o'clock after an illness of six weeks. Mr. Godfrey was one of our most influential business men, and will be greatly missed by our town community. His straightforward business dealings had won for him an unlimited number of friends. He is survived by his widow, Mrs. Minnie F. Godfrey, and mother, Mrs. Nancy Godfrey, and three brothers, Messrs. W. A. and Chas. G. Godfrey of Jonesboro, N. C., and John L. Godfrey, of Hillsboro, N. C. He will be buried tomorrow at Shallow Well, by the Odd Fellows and Junior Order.

CONGRESSMAN DOUGHTON MAKES GOOD SPEECH AT BOONE

Boone, Sept. 4.—During the intermission of court on Monday Congressman "Bob" Doughton, spoke to a crowded court house. He spoke of his obligations to these people and said that he stood for re-election on his past record. He told his audience that he had laid aside politics and was going to bend all his energies to the war. His speech was devoted to a discussion of the war.

OLDEST AND BEST BLOOD PURIFIER

Time Makes No Mistakes

We have never claimed that S. S. S. was a medicine to work wonders, nor one that would cure every physical ailment or disorder. More than fifty years ago it was placed on the market and recommended as a blood purifier, and today, after a long and successful career, and when its use has become almost universal, only the same honest claim is made for it—that it will relieve those diseases and disorders arising from an impure or polluted blood. Time makes no mistakes, and the very best recommendation of S. S. S. is the fact that it has stood a long test and is now more generally used than ever before, and has the confidence, we believe, of a greater number of people than any other blood medicine.

The blood is the most vital force of life; every organ, nerve, muscle, tissue and sinew of the body is dependent on it for nourishment and strength, and as it circulates through the system, pure and rich, it furnishes these different members the healthful properties needed to preserve them and enable them to perform their various duties. So long as the blood remains free from infection we are apt to escape disease, but any impurity, humor or poison acts injuriously on the system and affects the general health. Postular eruptions, pimples, rashes, and the various skin affections, show that the blood is in a feverish condition as a result of some humor, or the presence of an irritating, fiery acid. Rheumatism, Catarrh, Sores and Ulcers, Scrofula and blood disorders will continue to grow worse as long as the cause remains. Bad blood may come from various causes, such as a sluggish condition of the system, imperfect bowel and kidney action, indigestion, etc., or the trouble may be inherited; but whatever the cause the blood must be purified before the body can be healthy.

DERWILLO The Famous Beautifier

Have you tried it yet? Thousands everywhere are using it. It is a wonderful tonic for the skin, defies hot summer sun, and causes wrinkles, tan, freckles, sallow skin, blackheads, sun spots, roughness, redness to quickly disappear. It brings roses to the cheeks and makes anyone look 10 years younger. Gives a youthful complexion and "A skin you love to touch." A simple application proves it. See large announcement soon to appear in this paper. Ask your druggist about it.—Adv.

CONGRESSMAN DOUGHTON MAKES GOOD SPEECH AT BOONE

Boone, Sept. 4.—During the intermission of court on Monday Congressman "Bob" Doughton, spoke to a crowded court house. Wants Prohibition Enforced and War Prosecuted Vigorously—Judge Cline Holding Court in Boone.

Boone, Sept. 4.—Watauga superior court convened on Monday, Judge Cline presiding.

Judge Cline in his charge to the jury insisted that the jury look closely after any violation of the prohibition laws. In closing he spoke of the war and said that however greatly our fathers served for our country that our sons and brothers in this war are serving in a far greater way. He impressed the fact that no nation ever entered a war as our country had this one and exhibited the high purpose for which we are standing. He urged all who came under the new man power law to register to a man and all others to do their individual part by standing loyally behind the

war work in every way. It was a strong appeal.

Spend 5c! That's all it costs to try GRANDMA. Only 5c to find out about this wonderful powdered soap—the soap that makes washing easy because it does away with rubbing. GRANDMA'S Powdered SOAP Ask Your Grocer For It!

Just Once! Try Dodson's Liver Tone! Take No Calomel! Listen To Me! If bilious, constipated, headachy or sick, I guarantee relief without taking dangerous calomel which sickens and salivates.

Stop using calomel! It makes you sick. Don't lose a day's work. If you feel lazy, sluggish, bilious or constipated, listen to me! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, cratches into it, breaking it up. This is when you feel that awful nausea and cramping. If you are "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone. Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful tonight, and if it doesn't straighten you right up and make you feel fine and vigorous by morning, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep the entire family feeling fine for months. Give it to your children. It is harmless; doesn't grip and they like its pleasant taste.—Adv.
