Total 3,547

New Lieut. Luther S. Guy.
 Rocky Mount, Oct. 31.—Another young man from Rocky Mount has entered the service of Uncle Sam as a private, and in the course of a few months may be commissioned as a second lieutenant. He is Lieut. Luther S. Guy, who just graduated from the officers' training school at Camp Gordon, Ga. He entered the service several months ago, and received his initial training at Camp Jackson, Columbia, S. C. For his splendid service, he was selected to take the training in the officers' training school and came out highly successful. Young Guy was in the center of the Atlantic Coast Line Railroad while in the city.

Prepares For Aviation.
 Bailey, Oct. 31.—Millard E. Morgan, one of the most prosperous young farmers of Nash county, tomorrow will report to the Massachusetts Institute of Technology, Boston, where he will take training in the naval reserve flying corps.

Mr. Morgan is a 1915 Trinity graduate, and since that time he has been running the large farm on the old homestead in Nash. In July he volunteered in the aviation department in order to get into the fight, but Uncle Sam gave him orders to remain at home and harvest this crop.

Cemetery Association Elects Officers.
 The following officers have been elected for the company which has purchased a new cemetery site between here and Norfolk: C. B. Ransom, president; R. S. Register, secretary and treasurer; and J. W. Adcock, vice president.

Dalton Adding - Calculating Machines are Increasing the Efficiency of the Nation

Thousands upon thousands of women filling the industrial gaps. Promptly, quietly, they have taken hold of buying, banking, merchandising, accounting, with a willingness and efficiency that has won the admiration of the world.

But there will be none too many. In our offices we can conserve and guard their time with simpler, faster office machinery. Choose your adding-calculating machines with an eye for the beginner; choose the 10-KEY DALTON because it eliminates the training period—there is only one key for each figure.

It is the machine that all can use. It puts each figure in its proper decimal column automatically. It meets the speed requirements of modern business thru a scientifically arranged keyboard for touch operation—permitting the novice to self-train into an expert, able to handle double the ordinary volume of adding and listing with less fatigue.

The Dalton has a greater range of work than any other machine

The U. S. GOVERNMENT tabulates figure facts of the nation on upwards of

3 0 0 0 DALTONS

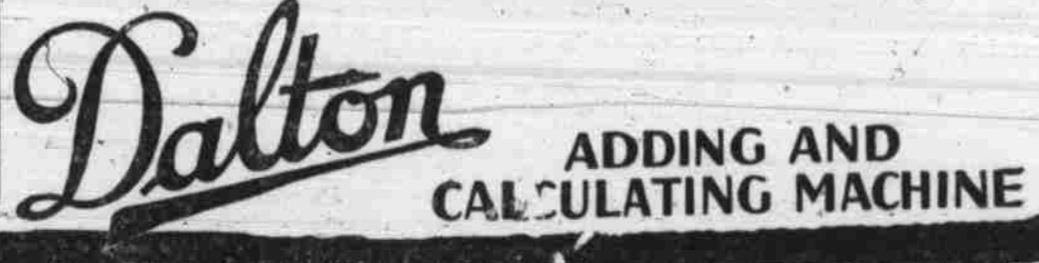

The U. S. Steel Corporation uses over 300 Daltons. The Pennsylvania R. R. uses over 200 Daltons. The American Radiator Co. uses over 75 Daltons, and over 40,000 other buyers recognize DALTON superiority.

The DALTON is much more than the simplest, fastest of all adding machines. It multiplies as easily as it adds. It adds, subtracts, multiplies, divides, figures interest and chain discounts, adds two totals at once, makes out statements, tabulates, etc.

Phone Bell 1200 for Demonstration

You can only judge a DALTON thru personal demonstration. Its service is worth investigating and a DALTON will be demonstrated in your office without obligation. Phone today or write for descriptive circular.

DALTON SALES AGENCY

"Soles and toes are smooth, seamless and even—"
 "That's going to mean more comfort—for in these busy times we seem to have so much more standing and walking to do."
 Durable-DURHAM soles and toes are reinforced, too, which makes them give more months of wear no matter how hard you use them.

DURABLE DURHAM HOSIERY
 FOR MEN, WOMEN AND CHILDREN
 Made Strongest Where the Wear is Hardest
 Durable-DURHAM Hosiery gives you longer wear and added comfort because it is made right in every detail. Every pair of Durable-DURHAM Hosiery is strongly reinforced at points of hardest wear. Legs are full length; tops are wide and elastic; sizes are correctly marked; colors will not fade or wash out.
 Durable-DURHAM is made for every member of the family, for every season; for work, play or dress. Your dealer will gladly show you all styles. Look for the Durable-DURHAM ticket on every pair.
 Write to Sales Dept., 88 Leonard Street, New York, for free catalog showing all styles.
 The prices of Durable-DURHAM Hosiery are 25c, 35c, 40c and 50c per pair.
