A TOAST TO ENGLAND.

Sons of the lion's bred across the sea, Ye who have drunk so deep of victory, We drink to her who gave us common tongue.

Fair Albion by the poets sung, Land of the leal and free! Sons of the Isles of great historic past We joined you when the scarlet die was cast;

You did not shrink When England said, "The cup is red: I drink," Among the fallen sons your own were first and last.

Aye, we were first to sleep in popped fields; Stubborn, intrepid; History yield, To them no second place, Strong scions of the Anglo-Saxon race; Heat in the sword it weeds.

We drink to you—we of the golden West— Of that strong win that heroes love the best;

Ye are our own blood brothers and we drink, To you who in the crisis did not shrink From any test.

—John Jordan Douglass. Wadesboro, N. C.

—Mrs. Palmer Jerman and son, Palmer, leave Thursday for Henderson.

—Miss Julia Carter and Miss Lyon, of Durham, were here Wednesday, en route to Louisville.

—Miss Ruth Womble left Wednesday to attend a house party at Lakeview.

Pie Supper.

There will be a pie and ice cream supper at Johnson Memorial Baptist Church, Thursday evening, July 17, at 8:30 o'clock. The public is cordially invited.

Circle Number One.

Circle Number One of Central Methodist Church will meet Thursday afternoon at 4 o'clock with Mrs. J. B. Martin at 507 Oakwood avenue.

To Attend Dance.

Misses Marguerite and Elizabeth Tucker, Walter Tucker, William West, and Bernard Smith, of Durham, will motor to Wilson Thursday to attend a dance.

Mrs. M. S. Whitted Entertains.

Edenton, July 16.—Mrs. Marion S. Whitted charmingly entertained a number of her friends recently, in honor of her house guests, Mrs. E. G. Belvin and Miss Ivie Rogers, of Durham; Mrs. T. S. Whitted, of Elizabethtown; and Miss Wilhelmina Whitted, of Chipley, Fla.

In Honor of Miss Kilpatrick.

Washington, July 16.—Miss Helen Witherington and Misses Caton delightfully entertained in honor of Miss Hilda Kilpatrick, the house guest of Miss Witherington, at a gypsy tea at Washington Park. The young people motored over to the park in the early evening, where they spent a delightful hour. Later a full dinner was spread on the beautiful grass down by the river.

Picnic at Mt. Gould.

Winton, July 16.—One of the most enjoyable events of the season was a picnic at Mt. Gould, Friday 11, given by the young men of Winton in honor of Misses Lucile Kelly, of Clinton, and Annie Hall Baily, of Winston-Salem, the house guest of Miss Bessie Lee. The young men were very generous with their invitations and all of the young people of the town were invited.

BRITISH MAY WITHDRAW ENVOYS FROM VATICAN

London, July 16.—The British government is considering the question of withdrawing its envoys from the Vatican, Cecil B. Harmsworth, under-secretary of state for foreign affairs, declared in the House of Commons today.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.—Adv.

DURHAM MAN GIVES BOND; IS RELEASED

Alfred Lampson Will Stand Trial in Federal Court For White Slavery

By JAMES A. ROBINSON.

Durham, July 16.—Alfred J. Lampson, who has been in the county jail since Sunday evening, on the charge of white slavery, was this morning released on a bond of \$1,000, for his appearance at the next term of the Federal court. His bond was signed by a representative of the construction company he was working for in this city. The Harris woman, connected in the case, was also released on a \$300 bond, she being a material witness.

Announcement was made today of the resignation of K. P. Lewis as a member of the City Board of Education, which has taken effect. Heavy business responsibilities at the Erwin Cotton Mills made it impossible for himself to attend the board meetings regular. Mr. Lewis was just recently elected to the position, and he says he is leaving the board with the best of feeling. No one has as yet been mentioned to succeed Mr. Lewis. There is a report current that a woman might be selected.

Dr. Hill Is Honored.

Dr. C. D. Hill, who recently resigned as superintendent of Watts Hospital, was the honor guest at a dinner and watermelon signing last night, by the nurses of the hospital. The dinner was served at 6 o'clock in the nurses dining room, and the watermelon feast took place at 8:45 on the porch roof of the nurses home. Dr. Hill was presented with a beautiful gold watch, a gift of the nurses, and a handsome pen-knife and chain, a gift of the Medical Association of Durham county. Appropriate speeches were made on the presentations, most prominently being the one by Miss Lottie Eure, superintendent of nurses. Several of the doctors also spoke in a complimentary manner of Dr. Hill, and regret at his departure. Dr. Hill left this morning for Jersey City, N. J., where he will reside in the future.

Doing Handsome Things.

The Union Station Company is making a decided improvement in and around its station here. The building was recently repainted, and now the station yard along the tracks, is being covered with what is called in railroad parlance, "chert"—a white gravel. This is spread a distance of over two long blocks. It is nearly completed, and presents a fine appearance. The beautiful flower beds so splendidly nurtured and with such great results by Station Master J. R. Ream, with their riot of blooms of all colors, present an attractive scene amid the surroundings of the white gravel.

Discuss School Matters.

A special committee appointed from the members of the board of education held a meeting tonight for the purpose of discussing several important questions which have been before the board for some time. The committee, which was appointed at the last regular meeting of the board is composed of the following men: Prof. E. D. Pusey, Messrs. W. D. Carmichael and Jones Fuller.

Mr. Fuller, chairman of the board of education said this morning that the committee would discuss the needs of the local schools so far as building is concerned. This includes the question

A DISCOVERY THAT BENEFITS MANKIND

Two discoveries have added greatly to human welfare.

In 1835 Newton originated the vacuum process for condensing milk with cane sugar to a semi-liquid form.

In 1853 Horlick at Racine, Wis., discovered how to reduce milk to a dry powder form with extract of malted grains, without cane sugar.

This product HORLICK named Malted Milk. (Name since copied by others.) Its nutritive value, digestibility and ease of preparation (by simply stirring in water) and the fact that it keeps in any climate, has proved of much value to mankind as an ideal food-drink from infancy to old age.

Ask for HORLICK'S—Avoid Imitations

of a new high school which, it is understood, has been hanging fire for some time.

Miss Harris Resigns. The Durham Health Department has announced the resignation of Miss Agnes Harris, who for the past few months has been visiting nurse for the department.

Miss Harris is a graduate of Swain Hospital and afterwards took special work at Columbia University, New York City. Prior to her coming to Durham she was engaged in public health work at Wadesboro, working in the mill sections there. She plans to go to Richmond probably the fore part of August, where she will take a post graduate course in public health preparatory to her entering Red Cross work.

Judge Graham Returns.

Judge Jaul C. Graham and family returned late yesterday afternoon from Simon's Island, Ga., after spending some time on vacation. Judge Graham reported as having a splendid visit to the island, and enjoyed a good bit of deep sea fishing.

Max Wilson Lands in U. S.

Max Wilson, brother to Sam, Chas., and Harry Wilson, local merchants, has landed in the United States from France and is now at Camp Lee, Va., waiting to be discharged, according to a message received by his brothers in this city. Max Wilson, who is a well known and popular young man of the city, enlisted in the ambulance unit that was organized in Raleigh immediately after the declaration of war.

Dr. N. Rosenstein left the city this morning for Winston-Salem where he will attend the annual convention of the North Carolina Optometric Society. The convention of the State society will be in session today and Thursday.

Mr. Brockwell Returns.

Mr. S. B. Brockwell, a popular young man of this city and of Carboro, arrived here this morning from Camp Bragg, where he has been in the employ of the government for several months. Mr. Brockwell, at the beginning of the war, was postmaster of the Carboro postoffice. He resigned that office to accept a position with the necessary industries board and was sent to Camp Abraham, Eutaw, Va. After serving at the camp in Virginia for several months he was transferred to Camp Bragg.

The pen may be mightier than the sword, but it isn't in it with the pretty typewriter.

GOAT MEAT.

"Spring Lamb" Consumers Are Learning To Like It.

Norfolk Virginian-Pilot. There is a growing disposition to give the goat his due. Heretofore this rubbish-eating animal has been regarded pretty much as a joke, but he has continued to eat tin cans and thrive until now his race has acquired census listing proportions and a market has been established in a middle western city where surplus goats will be converted into "spring lamb" for the benefit of our non-vegetarians. As an addition to the poor man's meat perhaps the goat will be welcome, especially if his advent tends to lower the present high prices.

Goat meat tastes much the same as mutton, it is claimed and that the difference cannot be told save by an expert. Perhaps that is just as well. Our imagination has much to do with our taste. Many people are eating horse meat in this country under the impression that it is beef, for horses are slaughtered, but almost nowhere is their meat exposed for sale under its true name. No doubt the easiest way for us to get used to goat meat is to camouflage it as mutton. It is another case of ignorance being bliss.

But, as we are assured by the ex-

perts that it is wholesome, a name will not make much difference in the end. Mutton, the world over, has been the poor man's meat. If goat meat can add to the supply, so much the better. The meat of goats was a favorite in the days of the patriarchs. It is still highly prized in the east. There seems to be no reason why it should not ultimately hold a respectable place on our menus.
