

LOSS FROM FLOODS WERE VERY HEAVY

Goldsboro Will Continue Work On Municipal Improvement; Reception

News and Observer Bureau, 104 South John Street, Telephone 396. By EMMETT R. BROWN.

Goldsboro, August 4.—Reports continue to reach this city from all over the county to the effect that the losses by the recent floods have been very heavy. In the Genoa and Seven Springs section it is said that cotton, corn and tobacco, were completely destroyed. The management of the State hospital for the colored insane, located near Goldsboro, stated this morning that the damage done by the floods to this institution, including the crops raised on the hospital farm, would amount to \$45,000. The county road leading past the hospital has been put into commission again, and Supt. Sam Scott says he is pushing road work everywhere as rapidly as water conditions and the labor problem will permit. The Lattice bridge that spans the Neuse river directly to the south of Goldsboro stood the test of the flood and still stands. The Arrington bridge to the southeast of Goldsboro parted "amidship" and surrendered to the mad waters, leaving portions of the bridge on either side of the river hanging where they swung around in the river banks. The Broadhurst bridge, spanning Neuse river a few miles further southeast, left its foundations only in part and this at the draw, and while it is impassable by vehicle, is not beyond repair. The White Hall bridge, several miles further to the east, also was hurled on down stream, and hundreds of other minor bridges throughout the county were swept away.

Continue Municipal Improvements. City Engineer J. L. Ludlow has been instructed to proceed at once with the sewerage extension work as per his plans and specifications and maps not to exceed \$72,500. City Manager Cashell has also been instructed to proceed with the work of street paving.

Mr. and Mrs. Junius Slocomb and daughter, Miss Louisa, are journeying at Black Mountain, where they will spend several weeks.

Friends and relatives in Goldsboro have been advised of the death of Mrs. Chas. R. Turner, nee Miss Louise Reid Miller, of Goldsboro, who died at her home in Atlanta. She is survived by her husband and one child. Interment was made in Atlanta. She is a daughter of the late Mr. and Mrs. Henry Miller, of Goldsboro.

Mr. J. Wayland Jones, Jr., of Wilson, and cousin, Miss Sarah Giddens, of Goldsboro, gave a watermelon party and dance at the home of their uncle, Mr. Ross I. Giddens, Saturday night, which was hilariously enjoyed by a large attendance of young people.

Rev. J. B. Hurley, presiding elder of the New Bern District of the North Carolina Conference, was a visitor in Goldsboro yesterday and occupied the pulpit of St. John Methodist church at the 8:20 evening service.

Rev. Father Freeman, pastor of St. Mary's Catholic church, who has been on a month's vacation to Canada and other points, arrived home Saturday and reports a delightful trip.

Mr. W. Archie Dees, solicitor of the county court, has gone to Maryland, where Mrs. Dees and little daughter are visiting relatives, and where he will spend his vacation of ten days between courts.

Mrs. S. T. Teague and little son, Norwood, are spending a season at Wrightsville Beach, accompanied by their aunt, Mrs. F. M. Watson, of Greenville, S. C., and Mrs. M. S. Richardson, of Goldsboro.

Rev. P. McIntyre, pastor of the First Presbyterian Church, who has been spending ten days at Beaufort with his family, returned to the city Saturday.

Miss Sarah Kornegay and Misses Elizabeth and Mary Moore Allen left Saturday to spend a season in the mountains of Virginia.

Joke Is On Lawyer

A good joke is going the rounds here as a Goldsboro lawyer who made the bond of a negro man who was under arrest here. The lawyer became replete under the bond, and a few days ago sent for the negro. When the negro entered the lawyer's office the latter handed him a note and said: "George, I have looked into your case. Take this note to the sheriff and it will be all right." "Yes, sir; thank you, sir." At the foot of the stairs leading from the lawyer's office the negro opened the note and read: "Sheriff Edwards: Arrest the bearer of this note, George Bland; I'll no longer be responsible for his bond." The lawyer's name was signed to the note, and when the negro read it he is said to have winked both eyes most knowingly, and then he fled. "His present whereabouts is unknown, and the lawyer has got to pay the bond. The lawyer now thinks of the heathen-Chinese, the while he softly weeps."

GREEK TROOPS MURDER AND PILLAGE TURKS

Government Did Not Authorize Cruelty To Prisoners and Expresses Its Regrets

London, July 14.—Correspondence of The Associated Press.—The Greek Army of Occupation, which landed at Smyrna a few months ago, murdered and pillaged the Turks, according to a letter published by Marmaduke Pickthall, a well known writer of Eastern affairs. The writer of the letter was described by Mr. Pickthall as "the reliable correspondent" but his identity was not disclosed.

The writer asserts that when the Greek army landed at Smyrna, Turkish troops had been ordered by the Turkish authorities to remain in their barracks and that they did so, but that the Greeks broke into places where Turkish officers were collected and shot down all who would not shout "long live Venzelos." Many were thus shot down according to the writer. The writer adds: "The Governor of Smyrna was dragged along the wharf and carried aboard a Greek ship. His wife was wounded and his house looted. The Turkish staff was bayoneted in the face and thrown into the hold of the Greek cattle ship among the animals. The senior doctor of the Turkish army corps was murdered and his body mutilated. Fingers of Turkish men and women whose rings were cut off wholesale. Houses were looted, women robbed of all their jewelry.

"This was supposed to be an absolutely peaceful occupation in the interests of law and order. Greece had not even been at war with Turkey. In no case did the Turks show fight until they were attacked by the Greeks. The civilian Greeks joined with the invading soldiery in the work of murder and pillage. And the Allied fleet acquiesced in these proceedings, which were made possible only by its presence."

A member of the House of Commons recently asked the government representatives whether it was true that the Greeks had massacred their prisoners in Smyrna in full sight of the Allied war ships. Sir Cecil H. Harmsworth, now secretary of Foreign Affairs, replied that numerous Turkish officers and men lost their lives in that way but the Greek government, he said, regretted the affair and it was engaging the attention of the British minister to Paris.

PEACE CONVENTION OF KNIGHTS OF COLUMBUS

Receives Requests for Extension of Organization to Foreign Countries

Buffalo, N. Y., Aug. 4.—The supreme board of directors of the Knights of Columbus, in their executive session held here today preliminary to the opening of the K. of C. peace convention Tuesday morning, received requests from England, Scotland, Norway, France, Chile, Peru, Argentina and Hawaii for the extension of the Knights of Columbus to those countries. It was decided to institute a council in Hawaii while the matter of extension to the other countries was referred to a committee.

Rev. John J. Wynn, S. J., of New York, submitted the report of the educational conference held in New York last week. The new educational movement will be the principal business before the convention. It contemplates the establishment of approximately 1,700 Knights of Columbus supplementary schools.

Admiral Wm. S. Benson, U. S. N., will address the convention at its opening session Tuesday, and Secretary of War Newton D. Baker and Assistant Secretary of the Navy Roosevelt will attend Wednesday.

GIRLS CALL IT MEAN TRICK

Publication of Graduation Roster Back to 1879 Protested.

Hazleton (Pa.) special to Philadelphia Record. Some of the girls who graduated from the Hazleton High School back in 1879 or thereabouts are badly "fussed up" over the announcement that the school board plans a new manual this summer which will contain the list of those graduated since that date arranged in the order of their classes. They have appealed for consideration, asking that the names be printed alphabetically, without reference to when the diplomas were issued.

KILLED IN EFFORT TO SAVE HIS SON

Cumberland County Negro Was Trying To Stop Quarrel; Contractor Dies

Fayetteville, Aug. 4.—A negro man whose name is not known here was fatally shot near Stedman yesterday afternoon when he threw himself between his son and two other negroes who had attacked the son. The father was struck by a shot fired by one of his son's assailants. He was rushed to a hospital in Fayetteville, where he died late last night. John Melvin and Jenkins Culbreth, one or the other of whom is held responsible for the man's death, were arrested, brought here and placed in jail.

The quarrel culminating in the tragedy had its beginning at a ice-cream supper Friday night when Melvin, Culbreth and the other negro had a dispute. Culbreth and Melvin, it is said, went looking for the third party to the quarrel Sunday afternoon. They found him and the dispute was renewed.

Thomas B. Robinson, employed in construction work at Camp Bragg, died at the Cumberland General Hospital at 1:30 o'clock this morning, a few weeks' illness of typhoid fever with complications. Mr. Robinson had been in the employ of James Stewart & Co. for 16 years and was a highly valued and trusted employe. He came here last October, having been engaged in work for the Stewart Company at Toronto, Canada, for the two years previous. He was born in Dumfriesshire, Scotland, 49 years ago and came to this country with his parents when an infant. Except his immediate family he had no living relatives in America. He leaves a wife and two young children and a son by a former marriage, John T. Robinson, of Edmonton, Alta. The funeral services will be held at Cross Creek Cemetery either tomorrow morning or afternoon. The services will be conducted by Rev. A. S. Anderson, assistant pastor of the First Presbyterian Church, of which denomination the deceased was a member.

AFTER BUSY MONTHS LEE PRESENTS DESERTED LOOK

Petersburg, Aug. 5.—Today and yesterday were quiet days at Camp Lee and the contentment presented rather a deserted appearance. There arrived in the camp this morning one hundred and sixty-three men who have seen overseas service. They come from Camp Merritt to City Point by steamer, from which place they were transferred to the Lee cantonment in large army motor trucks. These men were sent to the camp for demobilization and will probably receive their discharges in a day or two. On Saturday about one hundred men at the camp were demobilized. The students who have been attending the Reserve Officers Training camp at Camp Lee, which closed last Saturday, have all left for their homes. They expressed themselves as well pleased with their stay at the camp and the intensive training they received.

M'LENDON CLOSES SANFORD MEETING

Series of Evangelistic Services Considered Great Success By Many People

Sanford, Aug. 4.—The evangelistic meetings conducted by "Cyclone Mack," which have attracted thousands to Sanford during the past month, passed into history last night, after three strenuous services during the day. Mr. McLendon has folded his tent and shipped it to Wadesboro, where he will begin another campaign next Sunday.

The meetings here were a dialect success, according to the estimation of a great many people. Unprecedented crowds have attended every service. Scores of people have professed conversion and signified their intention of uniting with the churches, and hundreds of others have professed to reconsecrate their lives to the Lord's service.

From a financial standpoint this community did not fall behind. More than \$5,000 was given the evangelist and his party for their four weeks' service here. Aside from their regular salaries, made up of \$100 each for Mrs. Steidley, the Bible teacher, and Professor Carroll, the music director, as a token of appreciation of the splendid services rendered by these two members of the McLendon party.

Strong and comprehensive resolutions of appreciation and endorsement of Mr. McLendon and his work here were presented to the vast throng of several thousands last night by Mr. Clawson Williams and were unanimously adopted.

Rev. Eugene Olive, of Dunn, conducted a successful revival at Jonesboro Friday night. Despite the close proximity to the McLendon meetings, Mr. Olive had good congregations at the Baptist Church in Jonesboro, and good results were obtained.

Rev. T. E. White, of the Sanford Christian Church, left this morning for Georgia, where he will spend his vacation.

Rev. J. B. Willis, of Morehead City, a former pastor of the Sanford Baptist Church, arrived today and will conduct a revival at the Flat Springs Church, near this place, this week.

BIG DECLINE IN PORK AND CORN

Drop of \$1.25 Per Barrel in Pork; Corn Trades Down 8 Cents in An Hour

Chicago, Aug. 4.—Grain and provisions crashed heavily downward today in value. Selling was on a large scale influenced chiefly by the widespread agitation against the high cost of living. Within an hour, corn prices dropped 5 1-2c to 26c a bushel and pork \$1.25 a barrel. December delivery of corn, the principal option, fell to \$1.49 1-4, and January pork to 48.00.

In most all cases, the lowest prices of the day were current at the finish of trading. Nervousness of the holders of corn was especially prevalent and the December delivery showed a further loss since morning of a full cent, many of the last minute sales being at 1.48 1-4, about 25c under prices obtained less than a week ago.

Luggage Carrier on Sidecar.

The addition of a capacious luggage carrier to the rear of his sidecar has enabled one motorcyclist to tour on a family with complete comfort. The idea is a good one and well worth the attention of those who enjoy extended sidecar trips. To permit heavy loading, in this case, the sidecar suspension was reinforced with a set of six-leaf cantilever springs.

LONDON MOVIE HOUSES ARE NOW UP IN ARMS

London, July 17. (By Mail).—Managers of London's moving picture theatres are up in arms against an American film producing firm which has acquired sites for motion picture theatres in London. Their agitation reached the House of Commons today when a member asked the President of the Board of Trade whether the government was doing anything to stop it. He was told that it did not seem to be a matter in which the government could interfere and called the member's attention to the fact that imported films are subject to duty. London picture theatre managers

assert that they have been good customers of the producing company and that the latter should not now plan to compete with them on a large scale.
