PILGRIM JONES IS GIVEN A PARDON

Negro Who Shot Tom Clegg Over a Pair of Shoes Gets Liberty

Pilgrim Jones, a Wake county negro who was sentenced in 1915 to serve twenty years in the State's prison for the murder of Tom Clegg, was yesterday granted a conditional pardon by Governor Bickett.

The shooting took place in North Carolina and followed a disagreement between the two negroes on account of a pair of shoes. According to the evidence of Annie Clegg, wife of Tom, her husband was shot by Pilgrim Jones as he sat on the front porch of his home. But about a year ago, Annie Clegg in a dying condition, made a confession in writing witnessed by several negroes, that Pilgrim Jones shot her husband after the latter had moved to draw a pistol from his shirt. Recently, another negro woman, the only other person present at the time, has been found, and she corroborated the dying declaration of Annie Clegg stating that when she picked up Clegg from the ground a pistol fell from his shirt.

For these reasons and for a number of recommendations including virtually all the local officials of the Seaboard Air Line for whom Pilgrim Jones worked, the pardon was granted. No objections were made by Solicitor Norris.

Elder Henry Cunningham, Kingston, Aug. 13.—The funeral services over the remains of Elder Henry Cunningham was held yesterday and interment followed at the family burying ground in Deep Run.

Elder Cunningham died Monday night following illness of nearly two and a half years. Until Mr. Cunningham was stricken with illness he was very active as a minister in the Free Will Baptist church, having taken up the work when he was only 20 years of age. He deceased was nearly 60 years of age. He was well known as one of the county's best citizens. For a number of years he served the county, as commissioner from the Deep Run section.

ELECTRICIANS MAY TAKE PART IN TROLLEY STRIKE

Winston-Salem, Aug. 13.—Report is current here tonight that the electricians in the employ of the Southern Electric Utility Company have organized and that a meeting was held this evening to discuss what part they should take in the street railway strike. It is also reported that the electricians may issue a statement tomorrow as to what part they will play in the game. No effort has been made to operate any of the street cars. The strikers are keeping quiet, and no trouble of any kind is anticipated. It is reported that one or two of the large industrial plants is figuring on operating several large motor trucks to transfer their employees who live out of the city and to drive from their work.

ACTORS' STRIKE EXTENDS ITS SCOPE OF OPERATIONS.

New York, Aug. 13.—With a claim of 1,200 addition to their ranks since yesterday, striking actors celebrated today a fresh triumph when the eleventh play house was compelled to close its doors through the walking out of the company. The Maxine Elliott Theatre is the latest to be affected and the strike occurred just before the matinee performance was scheduled to begin and after most of the audience had been seated.

This victory came on the heels of the announcement by the management of the Artor Theatre that the promise of a resumption of the performances of "East is West" tonight would have to be withdrawn.

PROPOSE TO RAISE \$40,000 TO ADVERTISE ASHEVILLE.

(Special to the News and Observer.) Asheville, Aug. 13.—The Asheville Board of Trade has decided to start a campaign for the raising of \$40,000 which will be used for advertising the city all over the world. It is the belief of officials that Asheville can entertain as many visitors as she prepares for and they expect to prepare for a larger season next year than has ever been experienced by western North Carolina. This year, the largest in the history of Asheville, has shown those interested the real shortage of accommodations in Asheville and it is the plan to make ready for more tourists here each year. Another meeting will be held next week, at which time the directors of the Asheville organization which has done much to boost the city will form definite plans for the raising of the large sum for promoting the city.

TO RESUME CAROLINA LINE.

President Williams Has Two Boats From Shipping Board. Baltimore, Aug. 13.—President Mason L. Weems Williams, Monday announced that the business of the Baltimore and Carolina Steamship Company, between Baltimore and Wilmington, N. C., and Georgetown, S. C., with a probability of taking in Charleston is to be resumed next week. The United States Shipping board having allocated to him two steamers. The steamer Abriega will be the first to take up the business of the line, to be followed by another not yet selected. President Williams ran the line to Georgetown and Charleston until he withdrew his ships and began by selling the Matilda Weems to Greeks. The Georgiana Weems had to seek other business and is now under charter at New York to lead for Sweden and ports in Europe. Mr. Williams' trouble now is getting the city to accommodate him with a wharf, as the one he had occupied for many years on Pier 2, off Front street, has been taken.

LIBERTY BONDS STOLEN FROM N. Y. BROKERS

Total Value \$223,000, Taken By "Messengers" Who Disappeared

New York, Aug. 13.—Liberty bonds valued at \$223,000 were stolen yesterday from two brokerage firms in the financial district here it was learned at police headquarters late today. The stolen bonds in each instance had been entrusted to messengers who have disappeared.

Richard Whitney and Company were the victims of the larger theft. This firm dispatched a messenger with \$178,000 worth of bonds to the offices of Kidder, Peabody & Co., brokers, across the street from the Whitney offices. The bonds consisted mostly of victory notes, although among them were some of the earlier issues. The messenger, a boy, did not deliver the bonds and the police are searching for him.

The other theft was from Simmons and Blau, whose loss totalled \$45,000 in Liberty bonds of the second issue. They were stolen under circumstances similar to those under which the bonds of Whitney & Co. were taken.

VIRGINIA GOOD ROADS BOOSTERS AT RICHMOND

Richmond, Va., Aug. 13.—More than 1,000 good roads boosters from various parts of the state gathered here to impress the assembly that their demands for better roads must be met.

It was announced tonight that efforts would be made to name a successor to Judge Stafford G. Whittle, president of the Supreme Court of Appeals.

A bill directed to regulating of food in storage as a step toward reducing the high cost of living, also was offered.

SECURES SUGAR SHIPMENT FOR ASHEVILLE GROCERS.

Asheville, Aug. 13.—Charles M. Britt, a local broker, has just returned from New York, where he arranged for the purchase of four car loads of sugar from officials there for local wholesale grocers. There have been two car loads of the sugar shipped, and it is expected to arrive here the latter part of the week, to be distributed for local consumption. For about two weeks this city has been experiencing a sugar shortage, and it is becoming more serious each day. The city authorities are trying to obtain sugar from the national sugar distributing board, and have sent several telegrams, but nothing has been heard in regard to the matter.

Virginia Highway Legislation.

Richmond, Va., Aug. 13.—Eight new highway bills were thrown into the legislative hopper today at the opening of the extra session of the State Legislature. Governor Westmoreland Davis delivered his message to the joint bodies in person and advocated the re-creation of the entire state highway machinery, also suggesting increased taxes as a means of providing the funds necessary for the high road program.

J. C. McAfee Golf Winner.

Asheville, N. C., Aug. 13.—J. C. McAfee, of Macon, Ga., with a score of 76 was the winner today of the medal for the low qualifying score in the annual August invitation Golf Tournament being staged in the Asheville Country Club. The entry list is not as large as expected. A. B. Harris, of Birmingham, Ala., was the runner-up with a score of 77. Tomorrow the defeated eight in the fourth, fifth and sixth flights will play.

An Artist With Neuritis In His Right Hand

Death turns the Clock Backward

Chicago, Aug. 13.—Performances were held tonight at all the big Chicago play houses by virtue of a truce in the actors' strike, which last night closed the Cort Theatre and Cohen's grand opera house, and threatened to spread to other houses.

Both sides in the controversy agreed to hold the hostilities until pending a court hearing.

WOULD WELCOME A SPEEDY DECISION

Wilson's Postmaster Eager To Turn Office Over To His Successor

Wilson, Aug. 13.—At last, it seems, that S. W. Smith, Wilson's postmaster, is soon to have a successor. Several months ago he tendered his resignation and hopes that Representative Kitchin's desire to have the matter disposed of at once is not a "pacifier" to hold him indefinitely. There are ten eligibles, five out in the open and five dark horses.

There's another matter that Wilsonians would like to see Mr. Kitchin push through to a finish, the Federal building for this city. A site has been purchased and appropriations made by Congress long before the United States entered the world war.

Deputy Sheriff Richardson, Deputy Marshal Ramsey and Deputy Sheriff Pearson arrested Eli Lewis, an old offender, 3 miles east of Wilson Tuesday, while making whiskey in a tangle-out outfit on his kitchen stove. They also brought to Wilson a white man, Jodie Webb and Gray Jenkins. All had a hearing before United States Commissioner L. D. Knott and were bound over to Federal court in bonds of \$200 each.

The newly elected county superintendent of public welfare, S. E. Leonard, of Red Springs, has arrived in the city and will assume the duties of his office at once.

The old C. W. Nurney property, formerly used as a coal and wood yard, has been purchased by the Carolina Building Company, with main offices at Rocky Mount.

Engaged as Public Health Nurse. Winston-Salem, Aug. 13.—Miss Talia Moore has been engaged to do public health nursing in Forsyth county. The selection has been approved by the local authorities, and she is expected to enter upon her work here September 1st. Miss Moore has been engaged in public health work at the Erlanger mill village, in Davidson county, for some time, and she will come to Forsyth with a splendid record for efficiency.

Much Booze Confiscated. Cleveland, O., Aug. 13.—Nine men were arrested and \$10,000 worth of liquor confiscated today, when John Sawkin, special agent of the Department of Justice, stopped two trucks just outside of Youngstown, which were carrying the liquor into Ohio from Pennsylvania. One truck was loaded with 129 cases of beer and the other with one hundred cases and two barrels of whiskey.

The theory that every cloud has a silver lining is poor consolation to the man who has forgotten his umbrella.

ENCAMPMENT OF VETS OF FOREIGN WARS

Arrangements Made For Meeting of 16th Event in Providence Next Week

New York, Aug. 13.—Final arrangements for the eighteenth annual encampment of the veterans of foreign wars of the United States to be held in Providence next week, will be made at a meeting here tomorrow afternoon of the national council of administration of the organization, it was announced today.

More than 2,000 delegates from all over the United States, the Philippines, Hawaii and France are expected at the encampment, the representatives from France being members of the Rock of the Marine post, which is made up of officers and men of the 38th Infantry, U. S. A.

Army prison clemencies, prohibition, insurance, vocational education, land allotments and promotions in the army and navy are among the questions on which the encampment will act.

A spirited contest is expected to be the selection of the city in which to hold the encampment in 1920. Washington, D. C., Philadelphia, Syracuse, St. Louis, Atlantic City, Chattanooga, Denver, Columbus, Ohio, Atlanta and Asbury Park are being advocated as meeting places.

No, Maude, dear; we wouldn't advise you to depend upon the ship's log, as a life preserver.

HOUSE WORKED WITHOUT QUORUM ON PRINTING BILL

Washington, Aug. 13.—After Representative Blanton, Democrat, of Texas, had withdrawn, at the personal request of Republican Leader Mondell, his point of order that no quorum was in attendance, the House worked nearly five hours today and passed a bill relating to the printing of public documents.

There were less than a hundred members in the chamber when Blanton looked over and said the number was too small to transact business. It was said tonight that members would insist tomorrow on a quorum, and renew the fight for three day recesses.
