

RAILROAD SELLS NINE CITY HOMES

Block of Property Located on Glenwood Avenue Will Be Remodeled For Public

One of the biggest real estate deals consummated in Raleigh since the war was completed yesterday when the Norfolk Southern Railway transferred nine houses and two vacant lots on Glenwood avenue to William Duncan and Allen Brothers. The consideration was not made public.

These pieces of property, located between Hillsboro and Jones streets, covers the entire first block of Glenwood avenue. They are the houses and lots purchased by the railroad in order to secure its right of way from Jones street to the union station. One tract is the old Green home on Hillsboro street adjoining the bridge.

Because of the scarcity of desirable residential property in Raleigh the new owners stated yesterday that the houses would be remodeled, placed in good condition and then offered to the public on reasonable terms.

The firm of Allen Brothers is also erecting a large number of beautiful homes in different parts of the city. These will be used to meet the needs of new residents who have been handicapped in obtaining houses in which to live.

HOUSE FLOOR LEADER SNIPS DEM. SCHEME TO INTERVENE IN MEXICO

Washington, Aug. 28.—Representative Mondell, of Wyoming, in the House today charged that the administration is planning the seed and adroitly endeavoring to create the sentiment for intervention in Mexico. "Such a conclusion," he asserted, "can not be escaped by any one carefully reading the newspapers."

"The plain effort is being made on the part of the administration to create a situation on which the Congress will be compelled to act," declared the Republican leader, who added that "carefully prepared" information regarding intervention was being spread throughout the country.

During his speech the Republican leader also referred to the War Department plans for an army reorganization on the basis of a force of 370,000 officers and men, asserting that a force was too large, but that there "need be no fear that Congress—at least the Republican members—would approve it."

"This Congress, at least the Republican members," declared Mr. Mondell, "will not approve any program that will cost over a billion dollars a year."

TRIED ON CHARGES OF ROBBING THE EXPRESS

Lumberton Transfer Clerk Gets Off With Payment of Small Fine

Fayetteville, Aug. 28.—S. A. Eggs, of Lumberton, transfer clerk of the American Railway Express here, charged with complicity in express robberies with three other express employees, was given his freedom on the payment of a \$25 fine and costs when the cases came up for a preliminary hearing in the Recorder's Court this afternoon. This disposition of the case was acceptable to the prosecution, conducted by Charles G. Rose, of counsel for the express company. Eggs' attorneys, Cook and Cook, had entered a plea ofnolo contendere and it having been shown that there was little or no "systematic robbery."

Judge Averitt considered the imposition of the \$25 fine sufficient punishment under the circumstances. The amount Eggs was charged with taking was less than twenty dollars.

The counts against the three other defendants were for larger amounts. Examination was waived in each case and bond was continued to the November term of Superior Court. These defendants were John W. James, Blytheville, Ark.; O. L. Euse, Abbottsburg, and Luther Johnson, negro.

FIRST BAPTISTS WIN BY MARGIN OF 24 PINS

In three closely contested games of duck-pins last night the First Baptist beat the Christian church by the close score of 1085 to 1061.

The games were fast and furious and if it had not been for the Baptist strong comeback in the last game, which they won by a pretty good margin, the story no doubt would have been different. No one bowled over 300, however. Mr. H. Mann, of the Christian church, came close to the 300 mark with an average of 292 for the three games. This same gentleman also bowled 108 for the first game, which was the highest score bowled for any single game during the contest.

Score:

First Baptist.	
First game	330
Second game	344
Third game	391
Total	1065
Christian Church.	
First game	391
Second game	315
Third game	355
Total	1061

BAR SETS 29 CASES FOR SEPTEMBER CIVIL COURT

The Wake county bar yesterday set the civil calendar of the September term of Superior court for the trial of 63 cases. The session will convene September 15. A number of cases were placed on the motion docket.

TO CONVERT ENGINES INTO OIL BURNERS

Seaboard Air Line Said To Be Negotiating For Five Year Supply of Fuel Oil

An article in the Philadelphia Public Ledger of Wednesday says: "The Seaboard Air Line is contemplating converting 350 of its engines into oil-burners and several large petroleum companies are submitting bids on the oil required. The company is looking for a five-year supply of fuel oil."

One of the advantages of the oil-burning engine is that it greatly reduces the smoke, and this change would be very welcome in the section of Raleigh where the Seaboard tracks and yards lie, as it would in all other cities on the Seaboard. It is thought that the plan would be to use the oil-burners on the main line, leaving probably the engines on the branch lines as they are.

WASTEFUL EXPENDITURE CHARGED BY COMMITTEE

Portland, Ore., Aug. 28.—Charges that approximately \$5,000,000 of government funds had been "squandered, misapplied and converted to the prospective uses of the Milwaukee Railroad interests," were contained in a report telegraphed today to Secretary of War Baker by the congressional committee investigating operations of the spruce production division.

The report declared that the expenditures of the spruce production division were "wasteful and unnecessary." It concluded by saying that "further investigation may disclose conditions upon which a recovery can be had against John D. Ryan and others who are responsible for this wasteful expenditure of public funds."

Here They Come

Here are the heat dispellers—a pot of Tetley's Tea, a jolly fat lemon and a chilling, tinkling piece of ice. They're the "makings" of the coolest, most refreshing glass of iced tea you ever drank!

Tetley's Teas are blended from 15 or more teas from the world's finest tea gardens. They are carefully packed to protect the strength and flavor.

Make some iced tea from Tetley's clear Orange Pekoe!

RALEIGH MAN SUES FOR LOSS OF AUTOMOBILE

George Morong Seeking \$2,000 Damage From Dr. Sorrell On Account of Wreck

As a result of an auto collision on the Raleigh-Cary road August 14, George E. Morong, of this city, has started suit against Dr. I. P. Sorrell for the loss of his car. Mr. Morong is asking for \$2,000 for the loss of his auto which was practically demolished in the wreck.

The collision was between Morong's car and Dr. Sorrell's auto which was driven by A. J. Harvard and was loaded with negroes. The wreck resulted in injuries to Mr. and Mrs. Lawrence Gilling and Miss Dorothy Green, who were riding in Morong's car and a negro in Dr. Sorrell's car.

In his complaint, Morong alleges that the Sorrell car was running with only one headlight, without dimmers, was exceeding the speed limit and was driven on the wrong side of the highway.

COTTON ORGANIZATIONS HOLD PEACE CONFERENCE.

Columbia, S. C., Aug. 28.—Peace was established at a conference here today between the World's Cotton conference and the American Cotton Association. A misunderstanding between the two organizations arose several weeks ago when a representative of the World's Cotton conference is alleged to have published letters in several farm journals protesting against the activities of the American Cotton Association.

J. S. Wannamaker, president of the American Cotton Association, and Rufus R. Wilson, of Boston, secretary of the World's Cotton conference, met here today and after talking the situation over declared that a "treaty of peace" had been signed. Mr. Wilson then issued a statement praising the work of the American Cotton Association.

Kinston Woman Dies.

Kinston, Aug. 28.—The funeral of Mrs. Alvin P. Pittman was held here this afternoon. Mrs. Pittman died suddenly Tuesday night. She is supposed to have succumbed to heart trouble. She is survived by her husband, A. P. Pittman, well known in local business and fraternal order circles, and one daughter, Miss Beade Pittman. She was 65 years of age, a native of Beaufort county and a member of the Methodist church. Her father was Capt. William Tripp, who was prominent in the Tidewater section. The family came here 19 years ago.

THREE NEGROES KILLED BY ENGINE EXPLOSION

New Bern, Aug. 28.—Three negroes are dead, two so badly injured they will die, several other persons are hurt and the large saw mill at Stonewall, Pamlico county, owned by W. J. Swann, is in ruins as the result of the explosion of a battery of three boilers early today.

The cause of the explosion has not been determined, but officials at the mill believe the water in one was permitted to run too low and its explosion caused the other two to give way.

Invest Now Or You'll Regret It Later On

Now is investment time in Clothing. You'll make big dividends right now. The prices are upward and a good deal upward. There is no going up at Boone's on what we have, but the new goods will have to be marked up as they cost more. Profit now by getting your share of the good things at Boone's.
