

DURHAM MASONIC TEMPLE PLANNED

Committee Completes Financial Arrangements for Hand-some Building Soon

By JAMES A. ROBINSON.
Durham, Sept. 1.—Durham is to have a Masonic Temple, one of the handsomest in the South. Arrangements for financing the proposed new building have been completed by the finance committee recently appointed for this purpose. The canvass among the members of the order here assures the erection of this new addition to Durham's growth and the report to the committee to the lodge is a most satisfactory one. The building will be located on the corner of Main and Roxboro streets, opposite the Y. M. C. A., the First Presbyterian church and diagonally across from the Hotel Marlborough.

The site has already been purchased at a cost of \$25,000, and is 75 by 120 feet. The city will take 15 feet of the lot to widen Roxboro street, paying \$5,000 for the strip, thus making the Masonic lot cost \$20,000. Tentative plans for the building have been submitted to the local lodge by Durham architects, and are likely to be accepted very soon, with minor changes. It is proposed to begin the erection of this handsome Temple as soon as the paving of Main street has been completed, which will probably be in the early spring.

Boffa Gets 20 Years

The August term of Durham Superior court for criminal cases, Judge Stacy presiding, the latter part of last week. Arthur Boffa, negro, for killing Jeter Webb, was convicted of murder in the second degree, and was given a sentence of 20 years in the pen, where he was placed Saturday. Sixteen other convicts were assigned to the county roads. The total sentences of the term of the court amounted to three hundred and sixty-eight months, one of the largest in the history of the county. The docket was so crowded that many cases had to go over until the next term.

Durham Has Bloodhound

Constable Geo. L. King this morning received from the Rockwood kennel, at Lexington, Ky, a fine bloodhound, well broken and ready for service. Mr. King is making this experiment with bloodhounds at his own personal expense. He is given 20 days to try out his newly acquired hound, when the registration of the dog and his name will be sent.

County Schools Open

Ten of the 21 white schools, and four for colored, opened their fall session in Durham county. Final instructions were given the teachers at a meeting held Saturday last, by Superintendent Holland Holton. He also stated that the county board had secured for the ensuing year the services of a fine body of teachers and he was looking forward to one of the most successful years of work the county schools have ever accomplished. Many new features will mark the school work this year. The city schools will open on the 8th inst.

Interred in Wake County

The funeral services over the remains of Mrs. B. B. Blake, of 105 Lyon street, who died Saturday evening, were conducted this afternoon, at her residence, by Rev. C. C. Smith, of the Edgemont Baptist church, at 8:30. The interment was in the Reedy Creek Baptist church cemetery, in Wake county, near Cary. Mrs. Blake was paralyzed last spring and since that time has been an invalid. The only surviving members of the family are two daughters—Miss Della Blake, who lived with her mother, and Mrs. Charles Grady, of East Durham.

COURT ORDER PREVENTS HOLDING JAZZ DANCES

Fayetteville, Sept. 1.—In obedience to an order issued by Judge T. H. Culver to suppress Court here, as the result of a settlement by agreement, no more "jazz" dances will be held in the hall of the Pemberton building, rented by the Moose club, until such times or season as to admit of the windows of the hall being closed so as not to disturb the patients of the Cumberland General Hospital, nearby. The order suspends a temporary restraining order secured by the hospital to prevent the holding of the dances with the accompaniment of a "jazz" orchestra, the complaint of the plaintiffs being that the "jazz" music was detrimental to the recovery of their patients. Judge Culver's order will be in effect until April 1, 1920.

BOONSBORO, MD., WOMAN GLAD SHE CAN NOW WASH THE DISHES

Mrs. Cline, Whose Hands Were All Drawn Up With Rheumatism, Tells How She Found Relief.

Considerable interest has been aroused in the strange case of Mrs. Mary Cline, wife of Louis Cline, a prominent farmer of Boonsboro, Md. Mrs. Cline was afflicted with a painful case of rheumatism complicated with several other disorders. Her hands were bent and crippled and nothing seemed to be able to relieve her until one day she was persuaded to try the wonderful new scientific discovery known as Dreo. She took the medicine faithfully, and the following signed statement was received after she had taken her fourth bottle of Dreo:

"For two years my hands were stiff and drawn from rheumatism and were very painful. Since taking Dreo I can grip anything with my hands. My husband remarked yesterday on how well I wash the dishes now. Dreo has also positively cured my constipation. Am telling all my neighbors about it."

Dreo is pleasant to take and relieves rheumatism, cleanses the blood of impurities, relieves constipation, and acts on the liver and kidneys.

Dreo is made from pure and extracts of many medicinal herbs which act on the vital organs in a pleasant and prompt manner.

Dreo is highly recommended in Raleigh by F. W. Parker Drug Co., Zebulon Drug Co., Wendell Drug Co., Pope's Pharmacy, Clayton; A. V. Baucoch, Apex; Powers Drug Co., Wake Forest—Adv.

POPULAR OFFICER SHOT DURING RIOT

Lieutenant Payne, Killed in Knoxville, Formerly Stationed at Camp Bragg

Fayetteville, Sept. 1.—The news of the death of Lieut. James W. Payne, who was killed by machine gun fire in the race riots in Knoxville, Tenn., early Sunday morning, was received with profound regret here, where Lieutenant Payne had many friends. The young officer was stationed at Camp Bragg with the 4th Infantry last winter. His battalion was later transferred to the Charleston post terminal when that city was made a demilitarized port, and is still on duty there, though Lieutenant Payne had been detailed to the National Guard encampment at Knoxville as an instructor. His duty there would have been concluded today, when he was to have returned to Charleston.

The news of his death while serving as a volunteer in the race disturbances in the Tennessee city was telephoned to Dr. J. V. McQuinn at an early hour Sunday morning by Lieutenant Payne's battalion commander, Major Henry Perkins. "Jack" Payne, as he was known to his friends, was one of the most popular of the younger officers who have been stationed at Camp Bragg. He was a practicing lawyer in Providence, Ky., when the war broke out. Entering the first officers' training camp he was commissioned second lieutenant and later reached the rank of first lieutenant. Though a temporary officer, his military efficiency was such that he was to have been retained as a member of the regular army establishment.

ITALY MOST EXPENSIVE COUNTRY TO LIVE IN

Rome, Aug. 14.—(Correspondence of the Associated Press.)—Italy is the most expensive allied country in which to live, according to statistics published by the Popolo Romano, which observes that "the human body must be furnished with 3,500 calories a day," and that this would require a ration equal to 200 grams of bread, 150 grams of meat, 20 grams of oil, 500 grams of potatoes, 75 grams of rice, 75 grams of vegetables, 250 grams of milk, 25 grams of sugar and 60 grams of fats.

"Such a ration costs 38 cents in London, 30 cents in New York, 40 cents in Paris, and 60 cents in Italy," says the newspaper, whose estimate is confirmed by the statistical society of Berne, which shows the rise in the cost of living in various countries as follows:

Italy, 881 per cent; France, 368 per cent; England, 240 per cent, and the United States, 220 per cent. Of course, it must be remembered that the cost of living, before the war, was higher in America than in Europe.

MYSTERY GIRL NO MORE IS MARJORIE

Tarheel Lass Finds Friend Through Newspaper Who Comes To Her Aid

(Special to the News and Observer.)
Baltimore, Md., Sept. 1.—The "Mystery Girl" as such exists no longer. She is Marjorie Dixon, 17 years old, of Durham, some time a resident of North Carolina, and in the revealing of her identity the power of the press is again instanced. Reading a newspaper Saturday evening, F. C. Nepler, of Philadelphia, who is visiting his sister, Mrs. Louise Branigan, 1322 Hollins street, came across the story of the girl's detention in the Southwestern police station pending an investigation of her story.

"You know this girl," he said to his sister. Mrs. Branigan took the paper, read the story and exclaimed: "Why, yes, we went to school together in Durham."

Mrs. Branigan yesterday visited the girl in the station house and was at once recognized. As a result, Mrs. Branigan wants to take the girl in her home pending the result of the police investigation. More, she will get her a position. The matter is now up to Police Marshal Carter, who wired to Jacksonville but has received no word as yet.

At one time the family lived at

Knightdale, near Raleigh, and also had lived in Jacksonville, Fla. Marjorie is said to come of a good family. She was found by the police in the union station August 29 with but seven cents as her capital, and has been held pending investigation of her story. She said that she came to Baltimore to visit her uncle, Carl Smith, but she did not know his address.

somewhat held up because of this, but tentative programs are to be mapped out in the near future.
