

# 23D CONVENTION U. D. CONFEDERACY

## First Day's Proceedings Followed By Brilliant Reception at Night

(Special to the News and Observer.)  
High Point, Oct. 7.—The twenty-third annual convention of the United Daughters of the Confederacy of the North Carolina division convened in first open session in the graded school auditorium tonight with Mrs. J. F. Hayden, president of the High Point chapter presiding. Splendid addresses of welcome were made by representatives of the various local organizations. Prominent women from State bodies were: Mrs. W. O. Spencer, of Winston-Salem; Mrs. Marshall Williams, of Faison, who brought greeting from the daughters of the American Revolution of the State and others representing sister organizations. The convention this year has the distinguished honor of having as guests, Mrs. Joseph Daniels and Mrs. Newton Baker, who were introduced to the great audience tonight as the wives of the greatest Secretaries of Army and Navy that the United States has ever had.

Mrs. Baker charmed the audience with her voice in a beautiful solo. The meeting tonight was followed by a brilliant reception given by Mrs. C. F. Long and sisters, the Misses Alexander, at the beautiful Alexander home. The first business session will be held in the morning with Mrs. C. F. Harvey, State President presiding.

Large Attendance.  
Great numbers of delegates are arriving on every train. The executive board held a meeting this afternoon and it is said many important recommendations will be proposed to the convention. The first social function was an elaborate luncheon given by Mrs. Hayden at her spacious home today at two o'clock. Guests at this luncheon were the State officers, chief honor guests Mrs. Baker and Mrs. Daniels and many prominent state women.

To Drive Out Malaria  
An "Build Up The System" Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing Quinine and Iron in a tasteless form. The Quinine drives out the malaria, the Iron builds up the system. 60 cents.—Adv.

## POSSES GRIMLY CONTINUE SEARCH FOR JOE TURNER

Greenville, S. C., Oct. 7.—With grim determination that if Joe Turner the negro who shot and killed Patrolman J. L. Kitchin and A. M. Blair early Sunday morning, is still in this part of the country he must answer for the crime, searching parties continue to scour this and adjoining counties for the fugitive. Turner escaped after killing the two officers, who went to raid a gambling game in which he was alleged participant.

As one posse wears itself out in the man-hunt another takes its place, and there is no let-up in the search. Various clues as to his whereabouts have been investigated, but no clear-cut trail of Turner has yet been found.

## Death of John Carr of Wallace

Wallace, Oct. 6.—Mr. John Carr, one of the oldest and a highly esteemed citizen of Wallace, passed away quietly Saturday morning after months of patient suffering, at his home here. He is survived by three daughters, Mrs. T. Q. Hall, Miss Anna Carr and Mrs. J. A. Tyler, and one son, Mr. Sion A. Carr, all of this place; two brothers, Mr. Chancey Carr, of Kenansville, and Mr. Arthur Carr, of Mississippi, and a number of grandchildren and other relatives. The funeral took place Sunday afternoon at 3 o'clock, the interment being in Rock-fish cemetery, pastor of the deceased, Rev. W. P. M. Currie, officiating. The services were simple and impressive, the beautiful floral offerings speaking for themselves.

## JOYFUL EATING

Unless your food is digested without the aftermath of painful acidity, the joy is taken out of both eating and living.

### KI-MOIDS

are wonderful in their help to the stomach troubled with over-acidity. Pleasant to take—relief prompt and definite.

## Lane Chairman of Industrial Body Called By Wilson

(Continued from Page One.)  
States? Whoever he is, you will find that he is some boy that years ago worked for wages; and there can be no class where such a thing is possible. "I look upon this conference as the greatest and most important extrajudicial body that has been called in this country, certainly in our time. There are some here who have doubted its success. Why, gentlemen, this conference is bound to be a success. Its extent is not to be measured by resolutions that come from it by platform or by program, or by bills of machinery that it may invent or reveal. The spirit of this conference is its justification."

"We will draft here a declaration of dependence, not of independence; a declaration that we are united one with another, and that we can not live in isolation; that we must join hands together not for our own sake alone, but for the greater sake of our country and of the world."

## Mine Barrage Removed

Washington, Oct. 7.—Removal of the Great North West mine barrage laid by the American navy during the war, has been completed. This was disclosed today when Secretary Daniels made public a cablegram of congratulation sent to Rear Admiral Joseph Strauss, who commanded the force which since last October had been engaged in the hazardous task of sweeping the 50,000 mines from the sea.

## The Tickle Makes You Cough

HAYES' HEALING HONEY Stops the Tickle. Heals the Throat and Cures the Cough. 35c. A free box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup with every bottle.

## SUGAR SCARCITY NOT YET RELIEVED

(Continued from Page One.)  
Johnson of Mount Airy and our chemist reports that in none of these samples could there be detected, nor did they contain any water soluble arsenic. As most of the complaints of damage by fertilizers in your section was said to be caused by the action of borax, this information would probably be of value to you at the present time. We expect to make a further examination of these samples, but have no reason to believe that they contain anything damaging to crops."

## War on Stumps

It is announced that the "stumping train," which has been operating in Georgia under the direction of the Georgia Land Owners' Association, will move northward into South Carolina and stage demonstrations of stump-pulling and land clearing by improved methods. The train eventually probably will be brought into North Carolina. Representatives of the Federal and State departments of agriculture are said to be co-operating with the land owners' association in showing how

## STOMACH ON A STRIKE

"Pape's Diapepsin" puts Sour, Gassy, Acid Stomachs in order at once!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just eat a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapepsin, which costs so little at drug stores.—Adv.

AN OPPORTUNITY FOR AN INTELLIGENT woman with college education, who wants to make herself useful in high-class but not highly paid calling. Must live in Raleigh. State salary expected in first letter. Address "48-482," care News and Observer.

ent-over lands may be made more valuable. The Federal department has just issued a bulletin on the "war on stumps" in Georgia.

At a recent conference in Columbia between representatives of the South Carolina Land Owners' Association and of the State and Federal departments of agriculture, with representatives of the railroads traversing the State, arrangements were made to bring the Georgia land clearing demonstration train of nine cars into South Carolina and conduct demonstrations over a period of twenty days at nine points, beginning with Allendale and concluding with Beaufort.

## Western Judgeship Again

Senator Lee S. Overman today conferred with Attorney General Palmer regarding the nomination of an additional judge in the Western District of North Carolina, the position which is scheduled to go to Representative E. Y. Webb, of Shelby. The Senator does not expect this nomination to go in until the President resumes routine duties at the White House. However, it is said there has been no hitch in the administration plans to name Representative Webb and his name is expected to go in as soon as President Wilson can give attention to appointment matters.

## Congressman Robinson at Home

Representative L. D. Robinson, of the Seventh district, who is now mingling with his constituents is expected to return Thursday. Representative Robinson is a member of the special House committee named to investigate the right to a seat in the House of Victor Berger, the Milwaukee socialist, who has a certificate of election, but at the same time is under sentence of draft-resistance utterances during the war. The North Carolina member has been notified that the committee may take final action Thursday and he will return to assist in the preparation of the committee report. It is unofficially reported that the House committee is likely to report against the seating of Berger so long as the present sentence is hanging over him. Berger has taken an appeal to the highest court from his conviction.

## Tar, Pitch and Turpentine

W. M. Webb, of Morehead City, returned home tonight after acting as a member of a delegation which appeared before the Department of Agriculture officials yesterday. The delegation composed of New Bern, Morehead City and Bogue Sound, fish products manufacturers has also returned home.

## CATARRH

Quickly Ended by a Pleasant, Healing Antiseptic Aids Just Breathe It.

The little hard rubber Hyomei inhaler which you can get at J. C. Brentley's or any reliable druggist can easily be carried in pocket or purse. It will last a lifetime. Into this inhaler you pour a few drops of the pure healing oil of Hyomei. This oil is absorbed by the antiseptic gauze within and now you are ready to breathe it over the germ infested membranes where it will speedily begin its work of banishing catarrh and germs and ending Catarrh. Hyomei is made of Australian eucalyptus combined with other antiseptics and is very pleasant to breathe.

It is guaranteed to banish catarrh, bronchitis, influenza, tonsillitis, sore throat, croup, coughs and colds of money back. It often clears out a stuffed up head, and opens clogged nostrils in two minutes.

Complete outfit, including inhaler and one bottle of Hyomei, costs but little, while extra bottles, if afterward needed, may be obtained at any druggist for a few cents.—(Adv.)

## Say It With FLOWERS

against the suggested program of pricing on "fish scrap," a fertilizer ingredient.

Representative Stedman was formally notified today of the appointment of C. E. Love as Census Supervisor of the Greensboro District. Mr. Love succeeds John F. Hucker, who resigned because of serious illness in his family. Mr. Love's appointment was announced Saturday last.

The Wilmington branch of the American Legion of Honor today requested Representative Goswin to obtain consent from the Treasury Department for the use of government land back of the postoffice in Wilmington on which there now stands a hut used by the War Camp Community Service. The Wilmington veterans want to take over this hut as a soldiers' recreation house if the government will permit it to remain back of the postoffice.

Robert W. Woolley, Interstate Commerce Commissioner, and Edward E. Britton, secretary to Secretary Daniels,

## You, Too, Can Have Soft, Healthy Luxuriant HAIR

It's merely a matter of care. Frequent washing, followed by a brisk shampoo, is helpful, but to secure permanent results you must rid yourself of dandruff.

## TONO SCALPA

is an unequalled preparation for dandruff and all affections and irritations of the scalp. It cleans, softens and beautifies the hair, promoting a more healthy and luxuriant growth. Used and endorsed by thousands. Get Tono-Scalpa at any good drug store—50c and \$1.00. Ask for it by name.

**The Tono-Scalpa Co., Inc.**  
RICHMOND, VIRGINIA

returned to Washington today from Greensboro where Commissioner Woolley yesterday addressed the Woman's College on the "Founders Day" ceremony. Mr. Britton is a member of the board of the college and extended the invitation accepted by Mr. Woolley. The Interstate Commerce Commissioner expressed himself as charmed by the hospitality of the North Carolinians he met at Greensboro, and Mr. Britton praised the reception given the guest of honor and the eloquent speech he delivered.

Edie A. Jones was today named fourth-class postmaster at Denny, in Wilkes county.

Streamer Hats and short back models in countless interpretations for the little sister. Priced \$1.95, \$2.48, \$3.98 and \$4.98

# The ROAMER

America's Smartest Car

To those discriminating people who know the best and never buy anything but the best, the Roamer makes an irresistible appeal. They find in the Roamer beauty of design, rare delicacy of appointments and brute power equal to any test of the road. They find in the Roamer that quality they have sought in other American cars and found lacking—individuality. The Roamer is a personal car. The color of its body, the hue and material of its upholstery and top, every detail of finish, are carved out in accordance with the wishes of the purchaser, without additional cost.
