Judge Calvert Signs Judgment Against Seaboard For Four Negroes Killed

By JAMES A. ROBINSON. Durham, Jan. 6.—In the Superior Court, which opened yesterday for two weeks, with His Honor Thos. H. Calvert presiding, the following divorces were granted today: Assyria Mason from Hattie Mason, Lomay Malone from John Malone, C. M. Thompson from Aehus Thompson, Samuel Clements from Bessie Clements.

The case of Mrs. Mary B. Smith against Director-General of the Railroad, was heard and took up the time of the court till the noon hour. Mrs. Smith was suing for \$200, the value of a watch, which was stolen from a trunk in transit from New York to Durham, arriving here on March 29, 1919. One juror was withdrawn and mistrial was had, and this was done in order that Judge R. H. Stokes, counsel for the plaintiff, could have time to investigate rules and regulations of the railroad company, which had been introduced in evidence.

Other cases disposed of were: Amelia Falls granted a divorce from Thomas Falls; Clarence Smith granted a divorce from Hattie K. Smith. In the case of the four negroes who were killed last spring, near Cary, by the Seaboard train, a judgment was signed by Judge Calvert for \$4,700; administrators of two getting \$1,800 each; one \$900, and one \$500.

Don't Pamper Your Stomach. Fear of Dyspepsia Robs the Entire System of Necessary Nutrimnt. Eat a Diversified Meal and With Stuart's Dyspepsia Tablets You Will Avoid the Distress of Indigestion.

Just because the stomach sours with gasiness, heartburn, water brash and such distress after eating, is not a good reason for depriving the system of nourishment. Instead of indigestible and unwholesome bread and skim milk try the better plan of eating what you like and follow your meals with Stuart's Dyspepsia Tablets. They digest food, they assist the stomach to secrete juices that keep the stomach sweet, active and with the alkaline effect, just as when the stomach is in perfect health. Nor is it necessary to discriminate. You may eat freely of onions, sausage, mince pie and baked beans, or other dishes, such as the average dyspeptic views with horror, and suffer no distress if you follow with Stuart's Dyspepsia Tablets. There is thus no need to fear any kind of food at any time or place, for with these tablets, you may prevent those distresses that formerly made you pander your stomach as if it were a tender infant. You can get Stuart's Dyspepsia Tablets in any drug store at 50 cents a box.—Adv.

WAKE FOREST'S OLDEST CITIZEN PASSES AWAY

Wake Forest, Jan. 6.—Mr. W. B. Dunn, the oldest citizen of the Wake Forest community, died at his home here this afternoon at 12:30 o'clock, at the age of 95 years. For a number of years Mr. Dunn was one of the leading citizens of this place and had an active part in the business life of the village, but for the past few years he has been confined to his room in feeble health.

The deceased is survived by two sons, Mr. J. G. Dunn and Mr. G. Tritt, of Wake Forest, and by three daughters, Mrs. E. Allen of Wake Forest; Mrs. J. K. Rogers, of Raleigh, and Mrs. T. G. Rollick, of Raleigh. A large number of grandchildren as well as a number of great grandchildren also survive him.

The funeral services will be held Wednesday afternoon at 2:30 o'clock from the residence. As a young man he lived at Forestville where he carried on an extensive business as a farmer and manufacturer. He was the originator and for many years the sole manufacturer of the well-known Dunn plow. Later he moved to Wake Forest, where he carried on his business until a few years ago when he retired because of the infirmities of old age.

For many years he was a deacon in the Forestville Baptist church and later he served in the same capacity in the Baptist church at Wake Forest. His was a constructive life, and any community is richer in the possession of such a personality. The number of those who loved him is limited only by the number who knew him.

Thief Gets Silverware. A "jimmy" thief this afternoon entered the apartment of Mr. and Mrs. Edward E. Britton, 201 Twentieth street, northwest, and stole silver and valuables worth around \$1,000.

Mr. Britton, private secretary to the Secretary of the Navy, discovered the loss this afternoon when he returned home from his office. Silverware was gone, a pistol, a kodak, and a gold vanity case belonging to Mrs. Britton was stolen, and many other articles highly prized were missing.

Detectives were called in at once and, with the engraving on the silver ware as their only clue, are in hopes of recovering some of the stolen property.

15 Eggs A Day From 23 Hens, in Winter. Mr. Dunn's Hens Increased Every Day. Plan is Easily Tried.

"We have 23 chickens and hadn't had an egg all winter. In five days after feeding Don Sung, we got four to five eggs a day; in three weeks, we were getting 10 to 12 eggs a day; in five weeks we got 15 to 18 eggs a day."—John Dunn, Box 192, Cherry Valley, Pa.

Mr. Dunn started giving his hens Don Sung in January, in zero weather. He now keeps his hens busy in cold weather, when hens usually stop laying. A trial costs nothing. Here's our offer: Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded. Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying. Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Burger Co., 494 Columbia Bldg., Indianapolis, Ind.—(Adv.)

PARIS SECURES NEGRO TO MEET FRENCH PUGILISTS

Milwaukee, Jan. 6.—A cabled offer of Messieurs Viennet and Devoin, French promoters, to bring Sam Langford, negro heavyweight, to Paris for a series of bouts was accepted today by Howard Carr, of Chicago, Langford's manager. Carr was here conferring with B. E. Steiner, Milwaukee representative of the French promoters. According to plans the series of bouts would lead up to a battle with Georges Carpentier.

Steiner said that the Langford plan indicated a possibility that Jack Dempsey may lose his chance for the quarter of a million dollar purse offered him for a bout with Carpentier. Jack Keenan, Dempsey's manager, in a letter received today by Steiner, said he had the numerous offers under consideration and did not want to close with any at present.

What About Your Own CLOTHES? You either admire or dislike the clothes other people are wearing as they pass you on the street, or you meet them indoors, but what do they think of your own? You judge a man to a great extent, by the quality and style of his clothes; if he shows good taste in his dress you at once are convinced that he is a man who cares, as well as being a man who knows. On the other hand, other people judge you by the clothes you wear. What opinion do they form of you? The M. & W. quality is an asset to any suit of clothes. For years we have paid particular attention to the material of garments sold from this store in order that we might establish such a reputation that no customer of ours could question the value of clothes bought from us. And besides quality we have always kept our stock fresh thereby assuring the latest styles. A suit would never create a very favorable impression, no matter how good the quality, if the style were not up-to-date. Citrus Growers Get Relief. Tampa, Fla., Jan. 6.—Florida citrus fruit shippers have secured a decision from the railroad administration that the order forbidding the use of oranges in railroad cars had been rescinded. Before the government took over the railroads 360 crates was the standard carload and the number was increased to conserve car space during the war emergency. The shippers protested against the increased number of crates on the ground that it resulted in crushing the fruit in transit and the order sent out today restored the pre-war maximum of 360.

FRIENDS SAW IMPROVEMENT

After Taking Tanlac Mrs. Norman Feels Better Than in Five Years.

"When my friends tell me how much I have improved in health and appearance I always say I owe it all to Tanlac," said Mrs. Margaret Norman, of 3 Dale Avenue, Oklahoma City, Okla. "Several years ago" she continued, "I had an attack of nervous prostration, and afterwards I would suffer with cramps in my stomach after eating. I had palpitations of the heart and shortness of breath so bad that I would actually become unconscious at times and I would have such terrible headaches that I could hardly endure them. I became so weak that I was unable to attend to my household duties and everything was a burden to me. "Nothing seemed to help me at all till I began taking Tanlac on the advice of a friend. Then my headaches left me the first week and my stomach troubles were soon relieved. Now I can eat anything I want without its being followed with palpitations, headaches or sick spells. My nerves are in fine shape and I sleep well at night. I have gained several pounds in weight, my strength and energy are returning and I actually feel better than I have in five years. My husband has been taking Tanlac, too, and he thinks as highly of the medicine as I do." All Druggists sell Tanlac.—Adv.
