

PLAN PIEDMONT OPENING GAME

Merchants Will Be Asked To Close Stores In Afternoon Wednesday For Game

BIG CROWD COMING HERE TO SUPPORT DURHAMITES

Raleigh Rotary Club and Kiwanis Club Will Have Charge of Ceremonies Incident To Opening of Season; Ward's Men In Good Shape For Start

The Raleigh Rotary Club and the Kiwanis Club will have charge of the opening of the Piedmont League in Raleigh Wednesday when Raleigh meets Durham, it was announced yesterday.

From every indication the visitors will be here. The Durham folks are keenly interested in their team and are coming to Raleigh in force to witness the opening game.

Thus far, with the exception of the past few days, the weather in Raleigh has not been ideal for baseball, but with the balmy spring of the past few days, the prospects are that next week will afford all the atmospheric conditions that Ward's men will want.

Playing against big leaguers in the series of exhibition games, the Raleigh outfit has shown up well, with plenty of pep mixed with good baseball. Manager Ward realizes that here and there his organization needs mending a bit, but it is likely that with the opening of the real schedule, the pre-season weakness will fade.

In preparation of the opening Wednesday, President Cox of the Raleigh Club will ask the merchants of Raleigh to close their stores to enable the clerks and the proprietors to attend.

This has been done before for the opening of a season and it is believed that the merchants will offer no objection to the closing.

The game will start at 4 o'clock, and a three o'clock closing, it is thought will be sufficient to allow those who would attend the game to be there in time for the opening.

Every indication has been shown thus far that the people of Raleigh are anxious to see baseball this year, after its absence here for several seasons and are going to support the home team with real enthusiasm.

Guatemala Scene of Some Fighting By Rival Chiefs

(Continued from Page One.) cut off the capital's water supply and food shipments until "the rebels begged for terms."

Cabrera concentrated his quarters at La Palma, Matamoros and San Jose and dominating Guatemala City, began to shell the capital, killing, it was reported, many civilians. Meanwhile the revolt against Cabrera spread over the entire country.

Richmond, Va., April 17.—Funeral services for Samuel Tate Morgan, president of the Virginia-Carolina Chemical Company, director in a number of business concerns, and a native of Wake county, North Carolina, who died at his home here late yesterday following an illness of several weeks, will be conducted tomorrow afternoon at 3:30 p. m., from the Second Baptist church by the Rev. T. Claggett Skinner, the pastor, assisted by the Rev. W. Russell Bowie, of St. Paul's Episcopal church, of which the late Bishop Robert Strange of East Carolina once had charge.

Included in a long list of honorary pallbearers are the following North Carolinians: Josephus Daniels, Secretary of the Navy; General Julian S. Carr, George Watts, B. N. Duke, Herbert W. Jackson, Henry E. Litchford, Edmund Strudwick, S. W. Travers, and Dr. J. Allison Hodges.

Among the others are Henry C. Stuart, former Governor of Virginia; George W. Stevens, president of the Chesapeake and Ohio Railway; William H. White, president of the Richmond, Fredericksburg and Potomac Railway, and practically all the higher officials of the company of which Mr. Morgan was for many years the head.

AUTOMOBILE THIEVES BREAK IN AND STEAL

Lexington, April 17.—Automobile thieves on Friday night robbed the store of A. M. Rippe at Welcome, about four miles from here, of \$500 to \$600 worth of merchandise, and made their escape without discovery. The front door was pried and from fifteen to twenty boxes of tobacco, 1,000 cigarettes and the entire supply of the sugar on hand was carried out on an automobile and whisked away. The robbery was not discovered until this morning.

SEAFARING MAN ADMITS HE STOLE AUTOMOBILE

Wilson, April 17.—L. K. Smith, a white man who says he was mined in Pittsburg, Pa., but for several years past has been a sea-faring man, and for several weeks past employed as truck driver at the coast stockade, admitted on trial before Mayor Hill that he stole an automobile from Mr. Robert Hess, of Biscoe Creek, while it was standing on a Wilson street a few nights since. He was arrested in Kingston for speeding and having a deadly weapon in his possession. He was committed to the county jail and is now held in default of \$2,000 bond for his appearance at the May term of Mayor's Superior court.

GETS SIX MONTHS ON AFFRAY CHARGE

M. D. Harris Convicted in Recorder's Court; St. Philip's Church Starts Campaign

BY JAMES A. ROBINSON Durham, April 17.—M. D. Harris, a former proprietor of the Stag hotel, on Church street, this city, was convicted in the Recorder's court on a charge of affray with a deadly weapon and sentenced to six months on the county roads. In another case he was charged with maiming George Morgan, the other proprietor of the Stag hotel, and Harris was bound over to the Superior court under a \$1,000 bond. Morgan was jointly charged with Harris in the affray case as fined \$50 and costs. Both took appeal to the Superior court and gave bond. This case has been pending in the Recorder's court for some time, on account of Morgan's condition, who was in the hospital two weeks, and then the absence of certain material witnesses. Morgan was cut badly about the left eye.

The Campaign Is On St. Philip's Parish, Episcopal, inaugurated its campaign for the \$1,000,000 endowment fund for Sewanee University—its quota being \$7,500—with a good fellowship supper last evening, in the Y. M. C. A. building. About fifty of the adult male members were present and served with a fine supper by the ladies of the church. Splendid music was also a feature of the evening. Col. J. Harper Erwin, local chairman, presided. Five minutes speeches were made by Prof. E. D. Pusey, Dr. J. M. Manning, W. A. Erwin, Rev. S. S. Bost, and K. P. Lewis, who introduced the principal speaker of the evening, Col. Albert Cox, of Raleigh. His remarks were a most entertaining description of Sewanee, "the University of the South," the educational institution owned by 12 dioceses, in 13 Southern States; its growth and development; and the great need to put it on a sound and sane basis; and the great work it had done and is doing; and urged every Episcopalian to do his and her best to put the endowment across in handsome style.

Another School Next Year The Baptist Sunday School training school, which closed last night, after a week's session, unanimously voted to hold another session next year. The school has had a splendid success. Each of the seven Baptist churches of the city have been well represented and greatly benefitted. The first Baptist church of this city, tomorrow (Sunday) begins a two week's revival. With Rev. Dr. Ball of Spartanburg, S. C., doing the preaching. The singing will be led by Prof. L. F. Burnett, of the Moody School, Chicago, who arrived in the city today.

Railroads Near Normal Again In Operating Trains

(Continued from Page One.) on the Chicago and Eastern Illinois railroad.

New York, April 17.—Railroad men and engineers on strike in the Metropolitan district, tonight voted at a meeting in Hoboken, not to return to work, "irrespective of whatever action has been, or may be taken by railway employes elsewhere, until certain conditions have been met." It was announced that the men had no other grievance than pay, and that they would not return to work until they receive a guaranteed wage increase. It was said 3,000 strikers attended the meeting.

A Federal grand jury will convene Monday at Newark, N. J., to inquire into the railroad strike. According to Assistant United States District Attorney Kressler, he will ask for indictments against "certain labor men," who have interfered with striking railroad employes desiring to return to work. It is understood 200 subpoenas have been issued for railroad men who are wanted as witnesses in the strike investigation. Mr. Kressler said if the strike continues until Monday he will present evidence against all who have interfered with men going back to work.

SWITCHMEN RETURN TO THEIR WORK IN TOLEDO.

Toledo, O., April 17.—Railroad yardmen went unanimously back to work today. More than 1,000 switchmen and other yard employes in the Toledo terminals who had been off duty on a "vacation" for ten days reported for work during their day and were given their old run.

The complete paralysis of freight terminals was relieved as several of the lines announced immediately that shipments would be received for points not under embargo.

ORDERS MEN TO RETURN TO WORK IMMEDIATELY.

Cleveland, O., April 17.—Frank J. O'Rourke, president of the Cleveland yardmen's association, upon learning tonight of the strike of passenger train switchmen at the union station, ordered the men to return to work immediately, saying it was not the purpose of the association to interfere with the handling of mail or passenger traffic. All but one crew, who could not be located, returned to work.

PITTSBURG REPORTS THAT STRIKE IS BREAKING UP.

Pittsburg, Pa., April 17.—Railroad managers and brotherhood leaders reiterated tonight that the yardmen's strike was gradually "going to pieces" and men were returning to work. Passenger traffic on all lines entering the city showed improvement during the day, and there was some improvement in freight movement, but it was not of sufficient volume to warrant resumption of idle industries.

A Valid Reason. "Did the woman give any reason for attempting to commit suicide?" asked the court.

"Yes, your honor," answered the policeman. "What was her reason?" "She said she wanted to die."

Fires built in apple orchards near Waynesville during the recent cold snap saved several thousand dollars to owners recently, the orchard containing 100,000 apple trees.

N. C. STATE BEATS TRINITY HERE

In Pitchers' Battle Murray Beats Caviness With Abler Support

In a pitchers' battle between Murray and Caviness, State College yesterday defeated Trinity by the score of four to two, with Murray for N. C. State having the advantage of Caviness by the margin of one hit, and also by grace of superior support.

It was an exciting game. N. C. State started scoring in the first when one run was marked up. The Techs' band blared victorious music that looked misplaced when Trinity added two in the third. In the sixth, State College came back with another two and clinched the game with one to spare in the seventh. Not after the third inning did Murray allow the visitors to get to the scoring point.

Altogether Murray allowed six hits to his opponent's seven but Trinity added to the inability to hit Murray properly, some very costly errors.

Table with columns: AB, R, H, PO, E. Rows include McArthur, Hathaway, Towe, Salmon, Cole, Chandler, Carson, Johnson, Caviness, and Totals.

Score by innings: Trinity 002 000 000-2, N. C. State 100 002 100-4. Batteries: Caviness and Carson; Murray and Gurley.

ST. MARY'S CONFERENCE TO BE HELD THIS YEAR

Conference Has Not Been Held Since 1916; Dates Are May 31-June 5

Rev. W. W. Way, rector of St. Mary's School, announces that plans are well under way for the St. Mary's Conference which is to be held in this city from May 31 to June 5th. On account of war conditions the conference has not been held since 1916, and the interest in its revival is widespread.

An interesting program has been prepared. Among those who will take part in it are: Rt. Rev. Joseph B. Cheshire, D. D., North Carolina; St. Rev. Thomas C. Darst, D. D., East Carolina; St. Rev. Rogers Israel, D. D., Erie; Rev. Drs. Stewart A. Mitman, Philadelphia; John H. Harding, New York; Rev. Gardiner R. Tucker, Houma, La.; Dr. John W. Wood, New York; Miss Frances Withers, New York; Mrs. E. Montagu Bonner, Raleigh.

The conference is composed of representatives of the Episcopal church of North Carolina and South Carolina, and is held annually at St. Mary's School, which is the diocesan school of these two States, for the purpose of discussing such questions as missions, education, social service, and other similar church activities. The conference was organized under the leadership of Rev. George W. Lay, then rector of St. Mary's School, and held for the six years 1911-1916, and contributed as much to the efficiency of the work of the Episcopal church that its revival comes in response to a general demand. Other announcements of the program may be expected later.

An Unnecessary Precaution. Everybody's Magazine. "Are you the plumber?" asked Mrs. Cooke.

"Yes, ma'am, I'm the plumber all right."

"Well," she replied, "I just want to caution you to exercise care when doing your work. All my floors are highly polished and in perfect condition."

"Oh, don't worry about me stippin', lady, I've got nails in me shoes."

A good road connecting Newton Groves and the intervening territory with Dunn is to be built immediately.

EPISCOPAL WOMEN TO FORM SERVICE LEAGUE

Annual Meeting of Auxiliary, N. C. Diocese, Is Held at Oxford

The annual meeting of the Woman's Auxiliary, Episcopal Diocese of North Carolina, has just closed at Oxford. It was largely attended and much business of importance to the women's work of the denomination was transacted. Mrs. W. A. Hoke, of Raleigh, is the president of the auxiliary.

Steps were taken toward the organization of a federation of women's societies of the Episcopal church of the State to be known as the Church Service League. Mrs. T. W. Bickett was named chairman of the League. The auxiliary voted to request Bishop Cheshire to request other women's organizations of the Diocese to join the federation.

One of the most interesting features of the meeting was the address on Wednesday by Mrs. Annie Cheshire Tucker, a missionary to China. This made a profound impression. Mrs. Tucker, whose headquarters are in Shanghai, is at home on a furlough. Other speakers were:

Bishop Cheshire, who addressed the convention on the Easter message; Rev. W. E. Cox, of Richmond, who spoke on the "Church's Task in the Present Day," particularly woman's part in it; Rev. N. C. Duncan, who talked on the home mission work in Raleigh convocation; Ralph VanLandingham, of Charlotte, who spoke in the interest of the united offering; and Miss Zeigler, of Detroit, who spoke in behalf of the Girls' Friendly work of the church; Mrs. H. M. Bonner, junior educational secretary; and Mr. Rowe, of Greensboro, chairman of the board of religious education.

All of the officers were re-elected with the exception of Mrs. S. P. Murdock, who resigned as treasurer of the United Offering, being succeeded by Mrs. H. G. Hooper, of Oxford. Winston-Salem was selected as the next place of meeting.

Among the Raleigh women attending the convention were rs. Oke, president; Mrs. H. M. Bonner, junior educational secretary; Mrs. T. W. Bickett, Mrs. Alston, Mrs. Sam Ashe, Mrs. E. H. Jordan, Mrs. Samuel Lawrence, Mrs. Gilbert Hay and Mrs. C. A. Ashby.

CALLS PROBLEM ONE OF INDIVIDUAL FACTORIES

Chapel Hill, April 17.—In the last of the Well lectures Robert Goodwyn Rhett of Charleston, former president of the United States chamber of commerce, speaking here last night on "Industrial America" said that the solution of the struggle between capital and labor lay in the development and organization of forces in individual factories working toward happier relations between employer and employee—which view, he said, was contrary to that of the American Federation of Labor.

"President Wilson's second industrial commission, in advocating the promotion of better relations in individual communities, was striking at the heart of the trouble," he said.

PATRIOTS BEATEN BY TORONTO CLUB

Required Ten Innings For Visitors To Take Measure of The Locals

Greensboro, April 17.—After 10 innings of hotly contested baseball here this afternoon the Toronto club of the International League succeeded in defeating the Greensboro baseball club by the score of 5 to 4. The game was featured by the splendid team work and playing of both teams. The score was tied in the fourth frame and at the end of the ninth inning neither team had been able to break the tie.

In the tenth Toronto succeeded in getting a man across with the winning score while Carroll's men were unable to produce in their half of the last inning. Jimmie Teague, second sacker for the locals, played a good game doing especially good work in the field and securing three safe hits out of three times up, one of these being a two-bagger.

Carroll used three twirlers in the game, Ray starting and holding the visitors scoreless for two innings. He was replaced by Edney, a portside twirler, who allowed three men to cross the plate in one inning. Sadler was then put in the box and held the visitors to two runs for the rest of the game.

MEREDITH GLEE CLUB IN PLEASING CONCERT

Organization Under Direction of Dr. Dingley Brown, Makes Decided Hit

The Meredith College Glee Club, under the direction of Dr. Dingley Brown, was greeted by a large and appreciative audience in its first concert of the season in the auditorium of the school last night. Heretofore male colleges have had Glee Clubs but in the female schools the idea is something of an innovation. From the applause with which the maiden effort of the Meredith performers was received, however, the success of the venture is assured.

From the opening with Molloy's "Kerry Dance" to the close with "Governa," the orchestra of harp, violin, and piano, were given repeated calls for encores to which they responded graciously and generously.

"Old Black Joe" and "My Old Kentucky Home," among the old favorites were splendidly sung. "Annie Laurie" by a sextette composed of Misses Eugenia Booth, Beulah Rowland, Edna Earle Hinton, Nellie Mae Johnston, Daisy Franklin and Margaret Pope, carried the house back to "Auld Lang Syne" and brought repeated applause.

The orchestra of harp, violin, and piano, were given repeated calls for encores to which they responded graciously and generously.

Elmira, N. Y., April 17.—Striking switchmen on the Lackawanna and Erie lines in this city tonight were ordered back to their duties at midnight by strike leaders, according to word received at the offices of the two railroads.

The Erie early tonight reported that some of the switchmen already had reported for work.

Returning to this country after the armistice, Mr. Gosney settled again in Raleigh and took up the practice of law, having received his license in 1916.

Mr. Gosney, it is stated by his friends, is running on a harmony platform and has assurances of support from all factions in the county.
