

SERIES SUMMER CAMPS ANNOUNCED

Three Camps For Boys and One For Girls Will Be Held Beginning August 3

LAKEVIEW IS SELECTED AS CAMPING GROUND

Nineteen Already Express Willingness To Attend Camps; Expense Will Be \$14 Exclusive of Transportation; New Equipment Added To Old Material Used Before

Under the supervision of Byron Lutman, boys' work director of the local Y. M. C. A., there will be inaugurated soon at Lakeview an ideal camping ground between Aberdeen and Vass, a series of three camps for boys and one for girls.

The first camp, that for Boy Scouts, will be held from August 3 to August 13. A program of scouting will be promoted and of course only Scouts in good standing will be allowed to join the party. "The Younger Boys' Camp" will be for boys from 12 to 14 years. The program for them includes nature study, Bible study and athletics and the camp will last from August 13 to August 23. "The Older Boys' Camp" for those from 16 to 17 will be held from August 23 to September 2. A program of Bible study, athletics and training for service will be pursued.

The old campground at Lakeview has been secured and new cots, new mess kits and other articles are being added to last year's equipment and several general improvements are being made. The cost is fourteen dollars, including transportation. It will be great aid if all who intend going will register at an early date. The registration must be accompanied by four dollars and a card, which may be secured at the association building, should be filled out.

The girls' camp will open Saturday, July 24, and close Tuesday, August 3. The outing for the girls will be under the leadership of Mrs. B. O. Lutman, Mrs. J. M. Dyer and Mrs. J. W. Kellough. A man will be in camp at all times to supervise and have charge of the grounds, provisions and safety of the vacationists. The maximum number to be taken into the camp will be thirty-five.

Nineteen have already expressed their intention to attend. The expense will be fourteen dollars, exclusive of transportation in case the trip cannot be made in the automobiles of the campers' parents. Lakeview is only a little more than two and a half hours' drive over good roads from Raleigh. Mrs. Lutman and Mrs. Dyer have arranged to be at the Woman's Club from 3 to 5 o'clock each afternoon beginning Wednesday, July 14, for the purpose of interviewing applicants or their parents. It will facilitate arrangements to a great extent if these ladies be interviewed at once. They have registration cards and will be able to give you or your parents full information about the camp and the plans.

What Is The Condition

Of Your Blood Supply?

Highly Important To Keep It Free From Impurities.

Did you know that ninety per cent of all human ailments depend upon the condition of your blood?

Nature gives her warnings in various unmistakable ways, so that when the appetite falls, and you become weak and listless and a general run-down condition seems to take possession of the whole body, it is an unfailing sign that impurities will steadily accumulate until your general health will be seriously affected. You should recog-

nize the importance, therefore, of very promptly cleansing out the system, and keeping the blood supply pure and robust.

For this purpose, no remedy can equal S. S. S., the fine old blood purifier that has been in constant use for more than fifty years. Being made from the roots and herbs of the forests, it is purely vegetable, and contains not a particle of chemical or mineral substance.

Get a bottle of S. S. S. at your drug store today, and note how promptly it builds up the appetite and gives new strength and vitality. Write for free literature and medical advice to Chief Medical Adviser, 610 Swift Laboratory, Atlanta, Ga.—(adv.)

MR. FLY-GOOD BYE!

This Little Box Contains enough Powder to Kill all the Flies in this House in 30 Minutes!

The box is flexible. Simply squeeze it and WAR-ON-FLIES is puffed into the air. Watch the flies fall! Millions of homes are being rid of these common but dangerous pests with WAR-ON-FLIES.

NOT A POISON. Absolutely harmless to humans and to food, WAR-ON-FLIES (a powder) is certain death to all flies and other insects. By squeezing the simple box that WAR-ON-FLIES is sold in, a fine dust-like powder is puffed into the air. Instantly flies in that room begin to die. The powder closes the fly's respiratory openings and he suffocates. That's all there is to it.

Death to Flies, Roaches, Bedbugs, Mosquitoes and all other insects.
